At Omaha, vs. Missouri, Saturday, Nov. 5.

At Kansas City, vs. Iowa, Saturday, Nov. 5.
At Lincoln or Lawrence, vs. Nebraska, Saturday, Nov. 12.
At Kansas City, vs. Missouri, Thursday, Nov. 24.

In making up this schedule the committee labored to some disadvantage because our great distance from any of the other university cities made it impossible to consider Iowa City for a place on the schedule. Kansas City and Omaha will each have two games, Columbia one, either Lawrence or Lincoln the other game. Saturday, November 19, has been left open in order to allow the recuperation of all teams for the Thanksgiving games. Should there be a tie it will be played off on Saturday, November 26, at either Omaha or Kansas City.

Edward M. Illinois, 1897.

The second annual contest of the Northern Oratorical League will be held at Evanston, Illinois, on the evening of Friday, May 6. The S. U. I. local contest to determine our representative at Evanston will be on Friday evening, February 26. According to the constitution of the home association the printed orations must be handed to the president at least four weeks before the contest: that is, on or before Friday, January 29. Students in all departments are eligible to enter. Little more than two weeks remain before the time of closing the entries. All students should note this fact, and those thinking of going in should realize the shortness of the time that is left. The fact that the winning orator here is, by the constitution of the Northern League, sure of representing Iowa at Evanston, and that Michigan, Northwestern and Wisconsin State Universities and Oberlin College will be the other contestants, should insure an increased number of entries in the original contest.

The Schedule of Games.
