Field Day Entries.
These entries have been made since Tuesday:

Tennis—Ladies Singles: Helen M. Cox, Clementine Ashley.

Hurdle race: Powell, '95.
Three legged race: Dawson, L. '93, Robinson '94.

The committee has decided that the three-legged and class relay races shall be run the distance of seventy-five yards.

Class Races.
'95 was the first class to decide as to who should represent the class in the Relay race on Saturday. The following men were the first four to cross the line after a 100 yard dash: Powell, Robinson, Virtue and Gonsolas.

'94 has also selected its team who won in the order named: Crum, Dey, Robinson, Lomas.

'93 and '92 will run to-morrow afternoon at four o’clock.

To be Retained.
H. F. Kallenberger has been retained for another year as physical director, and W. F. Parsons has been re-elected general secretary of the Young Men's Christian Association. Both these gentlemen have done excellent work during the past year and we are glad to know that they have been retained.

To the Athletic Association.
Please accept our unanimous vote of thanks for your kindness in granting us the use of the Ball Park for gymnastic purposes.

C. S. ALDRICH.
Cor. Sec'y Y. M. C. A.

 Execution Committee.

Baconian Club.
The Baconian Club met last Friday evening for the closing session of the year. Although the work of University Extension has demanded a great deal of extra time from the scientific professors, they have still been able to keep up their interest in the Baconian and to make it a success. The club has this year enlarged its boundaries a little, and has sometimes discussed themes having no origin in the realm of the natural sciences, as for instance, psychology and philology. This departure is yet to prove either a success or not a success, and we cannot tell until next year whether the club will take on a more popular form or whether it will draw lines more sharply defined, settling its work apart as strictly scientific.

The club at the meeting Friday evening presented the former rather than the latter phase. The evening was devoted to the giving of voluntary reports, the first of which was on "The Emulsion of Fats from the Bile and Feces," by Professor Calvin. Professor Veblen and Mr. Arner both presented reports on some newly invented Electrica machines and their uses. Professor Patrick set forth some interesting results of experiments which he and others have performed, that show how great is the power of Unconscious Memory. Mr. Shimek read a paper on "The Zambis." At the first meeting next fall the officers for the year will be elected.

Chess Games.
We have the following additional moves to report in the Minnesota—S. U. I. Chess games:

Game No. 1.

S. U. I. vs. M.

8 Q — Q 4

Game No. 2.

S. U. I. vs. M.

Republican Club Meeting.
The University Republican Club will hold a meeting this evening, at seven o'clock, at Close Hall, for the purpose of electing one or more delegates to the National Convention of Republican Clubs which meets at Ann Arbor, May 17th. It is important that the State University of Iowa be represented at this convention, and every Republican student should make it a point to be present at the meeting this evening.

Geo. Beardale, '92, L. H. Fuller, L. '92 and W. W. Kaye, '92, left yesterday morning for Evanston, Ill., to attend the annual contest of the Northern Oratorical League.

At the Seminary in Pedagogy last Tuesday evening, Frank Nelson, '92, read a paper on "The Educational Interests of Texas." J. J. Kost, 91, reported on the recent Educational Bill of Germany, which has attracted so much attention in Europe and America.

At the English History Seminary Tuesday afternoon Mr. Johnson read an interesting paper on the General Character of the Anglo-Saxon King­ship and Miss Kelso treated in an able way the subject of the English Constitution before the Norman Conquest.

Quite a good-sized audience gathered at Close Hall last evening to listen to Miss Mayham, Secretary of the Students Volunteer Movement, who spoke on the subject of Foreign Miss­ions. The central thought of the speaker was that of abiding in Christ. This thought was developed especially along the line of Missions. The audience was well-pleased with the lecture.

Since the recent showers the park has been submerged. Practice and training have been rendered impossible there. The cinder track behind the University is now being used to good advantage.

There will be a great many events of importance in the college world during the next week. A number of colleges will hold their home field days, the result of which will be watched by many enthusiastic athletes. On Thursday evening, May 5th, will occur the annual Inter-State Oratorical Contest at Minneapolis. On the following evening the Northern Oratorical League will hold its second annual contest at Evanston. Great interest will center in these two contests, as very nearly all the colleges and universities of the west are interested.

Notice.

All women interested in the Jenness Miller Dress Reform are requested to meet in Close Hall at three o'clock this afternoon.

About seven years ago I had Bronchitis, which finally drifted into Consumption, so the doctors said, and they had about given me up. I was confined to my bed. One day my husband went to see the doctor, but he was not in his office. The druggist sent me a bottle of Pisc's Cure for Consumption. I took two doses of it, and was greatly relieved before the doctor came. He told me to continue its use as long as it helped me. I did so, and the result is, I am now sound and well—and entirely cured of Consumption. Mrs. E. Baker, Harrisburg, Ill., Feb. 20, 1895.
