VOL. XXIV. IOWA CITY, IOWA, TUESDAY, MAY 24, 1892.

NO. 95.

S. U. I. 7 I. C. 5.

"So long the thunder of man runneth not to the contrary," may soon be said of the duration of time since Grinnell won a game of base ball from the State University.

Saturday, by a grave miscalculation, on the part of the weather clerk, was a fair day and S.U.I., according to arrangements of long standing went to Grinnell and seized the opportunity of a half pleasant afternoon to defend her most formidable rival for the championship of the Iowa Inter-Collegiate Base Ball League. The team and about a dozen others left the city at eleven o'clock and arrived in Grinnell at one thirty. In about an hour the two teams were at practice on the campus grounds north of the college buildings. The crowd began about the same time to gather and the black and red of Iowa College seemed to be omnipresent. Every player of both teams was dressed in the prescribed uniforms—Grinnell men in black caps, waists and pants, and red belts, stockings and letters, S. U. I. men in brown pants, black caps, stockings and letters, S. U. I. on grey waists. The diamond had not been properly cared for after the recent showers and it was 3:15 o'clock before the sawdust had been secured and spread over the wet and slippery places.

But the game was dually called with S. U. I. at the bat. Remiers S. U. I. and Miller I. C. umpired the game in a manner satisfactory to everyone.

Cook got first on balls, but was caught off the base by a quick play from Darby to Patterson. Blair and Park went out in quick order. For I. C., Patterson struck out, King got first by being hit with the ball, but went out at second by Somers short hit, Somers stole second but Heald retired the side by a sharp hit nicely fielded by Cook to Park.

In the second after two were out, Gillette went to first on balls, and immediately stole second, but Burnham struck out.

For I. C., Lindsay easily retired Darby, Fisher and Kersey on strikes.

The third inning was of no interest except that each pitcher succeeded in striking out two men.

The fourth inning was the one in which S. U. I. started the run getting and it was done prettily. Three runs one of them earned, were the product of this time at the bat. Blair made a base hit and stole second. Park hit a high fly to right which was kindly dropped by Kersey, Marks hit a two bagger to left and Blair and Parks scored, Wise got first on Somer's error and second on Heald's, meanwhile Marks scored; Wise stole third and was doubled with Gillette by Fisher, Patterson and King, Burnham's short hit to Darby retired the side. I. C., King got a base on balls stolen second, and was caught asleap by Lindsay and Marks. This spoiled their chance to score as Somer's struck out and Heald was put out at first by Lindsay's assist. S. U. I. scored again in the fifth, after two were out, Cook made a long drive to centre which Lyon failed to hang onto, so Cook made second, took third on a passed ball and scored on Blair's safe hit.

"Park made a short hit; a passed ball advanced Blair and Park one base each to second and Darby short hit to first retired the side. I. C. also scored this time. One might judge from the yell of the natives as they saw Fisher on a safe way from third to home, that they had the game won but their yelling had no influence on the score which still remained four to one in favor of S. U. I.

Fisher made a hit to centre after Darby was out, stole second and scored on Kersey, two bagger to left; Lyons and Weide went out as fast as possible.

In the sixth inning Gillette was hit by the ball, stole second and Wise got out and died there while Burnham struck out and Lindsay went out to Patterson.

For S. U. I., the eighth produced a run. Wise struck out. Gillette made a safe hit to right, stole second and scored on Burnham's long fly to right and Fisher the same. This was rather monotonous to the S. U. I. crowd but I. C. seemed to enjoy it although Heald was the only man who dared leave his base long enough to get home.

With the bases full Kersey and Lyon were retired in less time than it takes to tell it.

The last inning gave us one more run. With one out, Blair made his fourth hit, this one to right, stole second. Park got to first on slow fielding by Fisher, and Blair scored. Park stole second and Marks struck out. Park got third on a passed ball and was put out trying to make home. With the score seven to five, Fisher gathered up his arm and struck out two men in their final and supreme effort to hit the ball. King got first on a bunt but forgot to come back and touch the base so Park touched him with the ball and he was declared out by Umpire Miller.

This is no mean victory for S. U. I.

The Iowa College team has just returned from a successful tour of the north where she won the two games played and tied Minnesota in a two inning game which was prevented by rain.

The silver bat to be given to the champion team of the league is on exhibition in a Grinnell show window. It is of regulation size and handsomely engraved with a diamond on which a game of ball is in progress. This bat must come to S. U. I. Grinnell can not have it as she has already lost two games. It is ours if we defeat Ames.

I. C. 3:1

Earned runs: S. U. I. 3; I. C. 2.

Struck out by Lindsay 17; by Darby 4; Somers 4.

For S. U. I., Cook, Park, Gillette and Lindsay. Stolen bases, Blair 3, Park 3, Marks 1, Wise 1, Gillette 3, Holbrook 1.

Notes.

The batting of the game was done by Blair for S. U. I. who, out of five times at bat made three singles and one double. Fisher for I. C. made three hits.

Gillette played a better game than he did before. He is weak on throwing however and must do some practicing in this line.

Burnham backed second well but failed on his only chance for record.

Lindsay played a splendid game. His record of seventeen strike-outs shows that.

Annual Business Meeting.
The annual business meeting of the Vidette-Reporter Association is hereby called for Monday, May 27, at Close Hall, 2 P.M.

Election of Editors.
According to Article II, Section 1, By-Laws of the Vidette-Reporter Association, notice is hereby given that the regular annual election of editors of this paper will be held on Tuesday, May 31, at the Central Building, from 2 to 4 o'clock.

Union Meeting.
- A Union Missionary meeting of the Y. M. and Y. W. C. A. was held in the Auditorium at Close Hall, Sunday afternoon. Quite a large audience was in attendance, and the exercises were of such a nature as to amply justify the interest that was manifested. Secretary Parsons spoke of the claims which missionary work has upon College Men and emphasized the fact that man's feeling for brother man could nowhere find larger sphere or activity.

Miss May Gaymond '92 read an interesting paper, treating of the history of missionary work, and spoke briefly of the men who had made themselves names in this connection.

Mr. O. H. L. Masen '93 closed the exercises of the afternoon and spoke feelingly of the duty of each Christian, man or woman, to work in the foreign fields.

Communication.

Editors Vidette-Reporter:

In the arguing of the right or wrong of class "scraps" in the last few weeks, one pleads, it seems to me, has been overlooked; that is the sentiment of the girls in the matter. Four and five times a year the girls are asked to class gatherings, which should be the most enjoyable meetings in college life; four and five times a year the girls are compelled to witness a free for all for fight. There was a time in the history of the University when the class scraps were jests. That time has passed. The class encounters have become slugging matches. It is a harsh epithet, but disfiguring bruises, dislocated joints and curses, take the poetry out of anything. Leaving out of the question the nervous shocks received by the girls at such times (and bleeding faces and tattered garments are universally known to be sooting to the nervous system), leaving that out entirely, why must our girls be compelled to witness these disgraceful encounters; why must they have their evening thus marred, and on leaving the scenes of festivity find the entries strewn with disfiguring bruises, dislocated joints and tattered garments universally known to be sooting to the nervous system; why, in the future, allow our University does not respect its girls and band themselves together and refuse to take part in such gatherings until they have some guarantee that our boys have manhood enough to refrain from thus shocking the sensibilities of any true woman. ONE OF THE GIRLS.

Mr. E. M. Stevens, a graduate of Amherst College, '83, and of the Harvard Law School, Class '90, passed through Iowa City yesterday and spent the day visiting the University and especially the Law Department.
