Base Ball.
Manager Reimers left yesterday afternoon for Cedar Rapids where he will meet manager Deering of Iowa Agricultural College to arrange for the game which was scheduled for Decoration Day at Des Moines, but which has been called off on account of the wet weather. A telegram on Tuesday from Ames agreed to this game at Marshalltown on the 30th and Deering at once developed the fact that a local field day was to be held there that day and it was then proposed that the game be played June 4th, this day after state field day, at Marshalltown. The expenses of this trip would not be very great owing to the probability that all most all members of the team will be in Des Moines the day before, but a number of students and citizens of Iowa City expressed a desire that Ames should play here Decoration day, and although the expenses will be very heavy the management has decided to make an effort and secure this game if possible. If unsuccessful, however, it is probable that Davenport’s crack amateur team may be secured. Inducements were offered Cornell for a game Decoration day, but manager Gorham refused to come, giving as an excuse that he had no battery.

The Cedar Rapids team which was scheduled for today telegraphed Tuesday that it would be impossible to play, but if possible they will be secured for a game Saturday. In the meantime our team should improve every moment, for a correspondent from Ames states that 1. A. C. may be found upon their grounds from 6:30 until dark every evening, rain or shine, and play as a team against the entire school.

By virtue of Ames’ overwhelming victory over Drake we can also claim a game from Drake, and therefore when Ames and S. U. I meet it will not be for the one game alone, but for the championship of Iowa and the silver bat.

Ames Will Play Here.
A message to the Vidette from manager Reimers this morning announces that the game elsewhere referred to in this issue with Ames has been secured for our home grounds next Monday, Decoration Day.

The Cedar Rapids Team cannot come Saturday.

The majority of the men on the track Athletic team are doing better work at present than they did last week.

Class Base Ball League.
‘94 and ‘95 met each other on the diamond yesterday for the first time. ‘94 easily won as was generally expected. They made four runs in the first inning by singles by Wise and Holbrook, Converse’s double and Jaques’ base on balls. ‘94 scored again in the second on Converse’s sacrifice, German’s error, another two batters by Converse and a two bagger by Holbrook. ‘95 made one score in the second by Kunkle’s hit and field error, and scored again in the third by Peck’s base on balls and more errors. In the fourth ‘95 made a neat double play. Wise was on first; Reimers hit a hot liner to German who pulled it down and threw to Gillette at first retiring Peck. ‘94 full scored for ‘94 in the sixth and Converse and Holbrook in the seventh. Gunsaulus’ base on balls, Moffitt’s two base hit, McKinley’s sacrifice, Peck’s single and two stolen bases netted two runs for ‘95 in the eighth. The game closed here to allow regular team practice. The game was a good one for batting.

Annual Business Meeting.
The annual business meeting of the Vidette-Reporter Association is hereby called for Friday, May 31, at Close Hall, 2 p. m.

Election of Editors.
According to Article II, Section 1, By-Laws of the Vidette-Reporter Association, notice is hereby given that the regular annual election of editors of this paper will be held on Tuesday, May 31, at the Central Building, from 2 to 4 o’clock.

A rare and valuable contribution to the history of mathematics has been placed in the library. It is entitled "Histoire des Mathématiques" by J. F. Montuola and is the edition of 1790 and 1822. Portraits of Jerome de Lalande and of Jean Etienne Montuola adorn the volumes.
One of the most brilliant and enjoyable parties of the season was given last evening by Miss Julia Bloom, in honor of her friend, Miss Rose Wise, of Cincinnati, Ohio. Those en joying the occasion were Misses Myra Day, Annie Jewett, Alice and Kate Freeman, May Morrow, Adelaide Clark, Mayme Bacon, Cora Morrison, Rennie Coldren, Redelia Gilchrist, and Mrs. Bertha Rigdway; Messrs. Harry Dakin, Will Chester, Harry Morrow, Wesley Morrison, Ralph Butler, Will Walker, Webster Mason, Jo Jaques, Ed Porter, Max Mayer, Allin Wise, Cliff Coldren and Wright Sampson.

The State University should send a delegation of at least two hundred and fifty to the State Field Day at Des Moines. Every student should have an S. U. I. badge. The larger the crowd the greater the enthusiasm. A special train will probably be secured, thus enabling all students who desire to attend.

The library has just received 35 volumes of public documents of the 50th and 52d Congress from the Secretary of the Interior. Among these are the following: Senate documents giving tables showing duties collected under the existing tariff; Part 2 of eleventh annual report of the U. S. Geological Survey-Irrigation; Report on Waterway from Lake Michigan to the Illinois River; Report of Bureau of Animal Industry for 1890-91; Contributions to North American Ethnology, being a dictionary of the Klamath language; special report on the diseases of the horse; Smithsonian report and report of the Secretary of Agriculture for 1890.

A good many strangers and travelling men call at Close Hall. They are almost unanimous in saying that it is one of the finest Y. M. C. A. Buildings to be found in a small city.

VIDETTE-REPORTER.

Iowa City, Iowa.

Entered at the Post Office at Iowa City as second class matter, Sept. 17, 1891.

It gives us pleasure to announce that Iowa City is to have an Inter-Collegiate ball game next Monday, Decoration Day. The expenses of this game for the Ames team, which will come a long distance, will be great, notwithstanding the fact that rates will be given by the railroads. The business men as well as everyone in the University will hail the announcement of this game with enthusiasm and it is hoped that an unusually large crowd will be at the grounds.

The State University should send a delegation of at least two hundred and fifty to the State Field Day at Des Moines. Every student should have an S. U. I. badge. The larger the crowd the greater the enthusiasm. A special train will probably be secured, thus enabling all students who desire to attend.
