U. of M. vs. S. U. I.

The University of Minnesota base ball team started on their trip June 3 and will play at seven or eight Colleges, arriving here Friday, June 9th. The expenses of this trip here will be considerable and everybody should turn out. Owing to the present condition of the base ball park the game will be played at the Fair Grounds.

Athletic Dinner.

The athletic dinner given in the parlors of the St. James last night in honor of the track athletic team marks a new epoch in the history of the University. Between forty and fifty persons, including the following members of the Faculty: Professors Loos, McConnell, Nutting, Weld, Wilson, Neff, instructors Stephenson and Anthony were in attendance, and more would have been present were it not that the dinner was gotten up at such short notice that it was impossible for many who were interested in athletics to attend by reason of previous engagement. At half after nine the guests had all assembled and the doors of the banquet hall were thrown open. As the guests took their places behind their respective chairs, Cook, '92, as president of the committee on arrangements proposed that the University yell be given which was followed by a lusty Rah, Rah, Rah, for each member on the track team. After the wants of the inner man had been satisfied with the abundance of good things with which the tables were loaded Professor McConnell as toastmaster of the evening called upon Captain Fuller of the track team to respond to the toast "The Team" after which Sanford, '93, responded to the toast "Why we were defeated." He held that drill was in a great measure responsible for the lack of interest in athletics in the Collegiate department because most men found it impossible to drill three hours a week, and in addition give time to athletics without doing injury to their studies. Toasts were further responded to by the following:

Prof. Weld—The Faculty and Athletics.

Robb, '93—Athletic Honor.

Gillette, L. '93—Base Ball.

Pierce, '92—Foot Ball.

Instructor Stephenson—The odds against us.

Kallenberg, '95—The necessity of training and obedience to orders.

Prof. Loos—Athletics and their value in the development of true manhood.

The toasts were all of the highest character and were enthusiastically re-

ceived by those present. Many new ideas were brought out and the best plan for the future discussed. The idea that was more forcibly emphasized than any other perhaps was that the students of the University *en masse* should be induced to take a more sincere and cordial interest in athletics. As one of the speakers of the evening aptly put it, the body of students that themselves take no active part in athletics should serve as a back-ground, figuratively speaking, for the athletic interest of the University. For as in a painting the effect of the scene depicted depends often largely on the manner in which it is supported by the back-ground, so athletics are dependent upon the support of the student body for their efficiency. After a rousing Rah, Rah, Rah, to the hope that athletics for '92-'93, might be more prosperous than ever before in the University the exercises closed, the company separated each carrying with him a larger store of enthusiasm, and feeling that the dinner had been eminently useful in bringing together persons who have faith in the value of athletics and getting at a free and cordial interchange of ideas on this important phase of student life.

State Field Meet.

The four events which were postponed until Saturday morning were the two hurdle races, base ball throw and the all-around contest. The hour was set for nine o'clock, but as usual things were delayed until ten o'clock or later. The 120-yard hurdle race came first. There were eight starters and as the hurdles were narrow, the race was run in two heats. Doty, Gardner, Rodwell and Gillette ran the first heat. Gillette won and as Gardner and Rodwell each knocked down some hurdles, contrary to a previous ruling, Doty did not hurry through but cleared every hurdle, expecting second place. But as three Iowa College men were acting as judges that morning in the absence of the regularly appointed men, they declared Rodwell second and Doty was barred. The second hurdle heat was won by Arnold and Powell of I. C. So hard a protest was made by S. U. I. on the decision concerning the first heat that both were ordered to be run over again. Gillette won again and although Gardner of I. W. U. finished second, he was declared out for knocking down a hurdle and Rodwell, D. U., was given second. Gillette won the final heat in 19 seconds; Arnold second. Ten entries were made in the base ball throw. Owing to the non-arrival

of all contestants at 9 o'clock, Zmunt of I. A. C. threw the ball at that time making 344 feet. But one field judge was present at the time. At 10 o'clock the remaining contestants of the ball throw arrived and the various records made. Gillette was given first at 329 feet, 4¾ inches and Gardner second with 323 feet, 7 inches. Zmunt's throw was protested but it was allowed to stand and Gillette given second.

The 220 hurdle race evolved another peculiar mystery in the decision of ignorant judges and a referee whose knowledge of athletics and athletic events was as primitive as that of a grammar school boy. This race was the prettiest one of the program. Cowden, I. C., Gillette, Rodwell, D. U. and Arnold, I. C., started. Cowden, Gillette and Arnold kept even all the way. They ran side by side between the hurdles, jumped and cleared together and lighted and ran again together and at last Gillette was slightly in the lead but when his shoe spike struck the last hurdle his lead was slightly diminished, and Cowden of I. C., seeing a good chance to either debar S. U. I. from winning or better his own chances, crowded Gillette over and to the front of him. All three of the leaders, Gillette, Arnold and Cowden, were promptly declared out and Rodwell won the race—a fine commentary on the purity of Iowa inter-collegiate athletics.

In the all-around contest but three were entered, Dey, Shellenbarger, D. U., and Cowden, I. C. The first event of this contest was the 100-yard dash and it was one of the prettiest and most exciting of the meet. Dey led from the start and led to within a few yards of the line when Cowden slowly forged ahead, a winner by about one foot.

In the 12-pound hammer throw Cowden also won, throwing it 97 feet, 11 inches; Shellenbarger second with 93 feet, four inches.

The half mile run was also pretty and hotly contested. Dey and Cowden remaining close together during the entire course and the latter winning by less than two feet.

This gave Cowden three firsts and the next two events were easily won by Dey. A record of 18 feet, 7 inches, was made on the running broad jump and 63 inches on the high jump.

Cowden received first place with three firsts and two seconds and Dey second with two firsts, two seconds and one third.

Thus the third meeting of the Iowa Inter-Collegiate Athletic Association came to a close and with it memories of ill management will always linger.

Iowa City, Iowa

Entered at the Post Office at Iowa City as second class matter, Sept. 17, 1891.

Last year when the State Field meet was held at Iowa City and S. U. I. happened to have a man on the executive committee, a few exchanges from neighboring institutions had a good deal to say about mismanagement. Yet, despite the fact that it rained incessantly during the time that the events were being carried on, between \$800 and \$900 was taken in last year. This year the contest has been held in Des Moines; the attendance at the afternoon and evening programs was all that could be desired, quite a number of people also witnessed the tennis tournament during the morning. The fair grounds were obtained free of cost so that the only considerable expenses were those incurred by the executive committee at their two special meetings. Yet notwithstanding all these facts we learn that only \$50 was cleared and the home associations have been assessed ten dollars each in order to provide money with which to purchase medals. Had the executive committee performed its plain duty over \$1000 could have been taken in. If this is not mismanagement on a gigantic scale we would like to know the reason why.

The Business Meeting.

The business meeting of the Iowa Intercollegiate Athletic Association was called to order by President Fuller at 3:30 p. m., Saturday, in Parlor A, of the Savery House in Des Moines. Committees on order of business, credentials, etc., were appointed and reported. The committee on nomination of officers presented two reports, the majority report giving S. U. I. a member of the executive committee. The minority report however was adopted by a vote of five colleges against two in favor of the majority report. This gave the offices as follows: President, Martin, U. I. U.; Vice-President, H. Myers, S. U. I.; Secretary and Treasurer, Kettener, I. A. C.; Chairman Executive Committee, Rodwell, Drake; Members of Executive Committee,

Wheeler, Cornell; Everest, I. C.

The committee on location for next year reported in favor of Des Moines. The report was adopted by a vote of five colleges against two for Iowa City S. U. I. and I. W. U.

No protests were entertained by the convention.

Several changes in the constitution were made. The treasurer is placed under \$1000 bonds. The referee hereafter shall be neither a student nor an alumnus of a contesting college town represented. He shall be a man of recognized athletic ability and if necessary shall be hired and his expenses paid.

A program for next year's meet was adopted. It is the same as that of this year with the exception of the All Around Contest, the Base Ball throw and the Hitch and Kick which are omitted. The aim is to shorten the program and to gradually eliminate everything not standard athletic events, to make our program conform to that of the Mott Haven games.

There was left in the treasury after all bills had been paid about \$45 with which to purchase eighteen gold medals and a silver cup. As this was of course impossible and it was not thought advisable to give no medals, a tax of \$10 was levied upon each college in the Association to pay for the necessary medals.

Freshman Declamatory Contest.

The Freshman Contest was held at the Opera House last Saturday evening. The audience though small showed their appreciation of the program by hearty applause which greeted each speaker. The declamations were all very good and each member showed excellent training. The judges were Rev. Perkins, Dr. Cowperthwaite and Mrs. R. S. Galer. Milton Remley acted as referee. The decision of the judges awarded first prize to P. L. Kaye, second to O. C. Anderson, and third to J. L. Kinmonth. Kaye and Anderson tied for first place, the marking of the referee giving first to Kaye. The Freshman ladies were present in a body. Let the Freshman boys do as well Thursday evening. Following is the marking:

					Rank.
Anderson,	1	2	4	7	2
Davis,	5	5	5	15	7
Wilson,	7	4	6	17	8
Kinmonth,	3	1	5	9	3
Kaye,	2	3	2	7	1
Williams,	8	2	3	13	5
Rowell,	6	7	1	14	6

Parker, '93.

The S. U. I. Conversation Circle held its annual reception last evening at the residence of one of its members, Miss Bertha Wilson. This year students were invited, instead of members of the faculty as last year. About fifty guests were present, and various ingenious schemes had been devised for their enjoyment. The reception became a party. Games were played, and refreshments were served. The Conversation Circle makes an excellent host, and deserves to be congratulated on the success of the evening's entertainment. It was not until after midnight that anyone thought about going home, and even then the party broke up reluctantly. Each one of the fifty carried off a label, a spool, and a poetic effusion as souvenirs of the occasion.
