INSTRUCTORS VS. SENIORS.

THE SENIORS ARE VICTORIOUS—SCORE 4 TO 0.

SOME EXCITING PLAYING IS DONE BY BOTH TEAMS.

The game began with the Seniors kicking the ball from north goal. They pushed the ball steadily down the field until within 5 yards of Instructors' goal, where they were held, the Instructors taking the ball on downs. The Instructors punted but without gain. Donahoe then took the ball around left end for a touch down for the Seniors, in 7 minutes. Gibbs punted out for a place kick for goal, but Foster failed to catch the ball and it went back to center, where the Instructors kicked off.

In the rest of the first half the ball changed hands five times on downs and fumbles. Score, Seniors 4, Instructors 0.

In the second half the Instructors kicked off from north goal. The men began playing just as hard as in the first half. Seniors soon were forced to punt. Budrow made a poor punt, Burge getting the ball at several yards loss for the Seniors. The Seniors held the Instructors for four downs but had to punt again, making but little gain. The Instructors taking the ball, also punted, Budrow catching the ball and making a beautiful run of about 25 yds. Budrow's long run, aided by La Force's excellent interference, roused more enthusiasm than any play in the game.

No touchdown was made in the last half. During the greater part of the game the ball was in the Instructors' territory. The teams were well matched, they played hard, and made a very interesting game. Willis and Jackson for the Instructors, and La Force and Budrow for the Seniors, did the best playing, perhaps. All the boys played well, however, and while they are nursing their bruises they will have the reconciliation that their efforts brought quite a substantial sum into the treasury of the first team.

Yell's for Monday's Game.

In order that every man who attends Monday's game may use his voice in support of the Old Gold we publish below two foot ball yells that have been used with good effect in the past. Our students should learn them and use them whenever opportunity offers:

"Hee 'rah!
Hi 'rah!
Play ball
Iowa.

Il—O!—W!—A!
Come right this way,
Foot ball we play,
'Rah! 'rah! 'rah!
Rush lines we break,
Touchdowns we make,
We take the cake,
'Rah, 'rah, 'rah.

The following new yell has been suggested:

Eleven little (Kansas) men,
What shall we say to them?
Tell them that our Uni. men
Won't do a thing to them!

Afraid of our Team.

The following telegram from Omaha to the Des Moines Register, shows the reputation we are winning abroad as to being a first-class foot ball team:

OMAHA, Oct. 21.—The university of Nebraska football eleven is said to be in excellent shape and to be getting into fine trim for its annual game with the team representing the University of Iowa, Thanksgiving.

Iowa has as a coach, Bull, the famous center rush for Pennsylvania, and he has gotten together one of the strongest football teams that has ever represented Iowa University on the gridiron. He has without doubt the strongest team in the league at the present writing and it remains to be seen if the others strengthen their respective teams sufficiently to keep the pennant out of the hands of the Hawkeyes. He is working his men hard and according to the best information they are not disappointing him. He, as well as his men, are confident that they will wrest the game away from the hardy Nebraska boys here Thanksgiving day and as the Nebraskans are equally earnest you can look for a great game.

In speaking of the Nebraska State university eleven and its Thanksgiving day games with Iowa, The Nebraskan says: "The third and last league game will be played as usual with Iowa in Omaha on Thanksgiving day. This game has become a popular feature of the Thanksgiving day festivities in Omaha, and each year is better attended. There is a possibility, however, that this year Lincoln will have the treat of a Thanksgiving day football game. It all depends on the way the management of the Omaha end of the arrangements acts. If they try to get the best of the managers of the teams, the game will be played at Lincoln."

Inter-Class Schedule.

The managers of the four class teams in the Collegiate Department met yesterday afternoon and agreed upon the following schedule of games in the Inter-Class League:

Juniors vs. Sophs.—Oct. 29.
Juniors vs. Freshmen—Nov. 5.
Seniors vs. Freshmen—Nov. 10.
Seniors vs. Juniors—Nov. 13.
Seniors vs. Sophs.—Nov. 17.
Sophs vs. Freshmen—Nov. 21.

An admission of ten cents will be charged for each game. By a unanimous vote of the managers the proceeds will be paid into the treasury of the first team. Such magnanimity toward our University interests should be rewarded with a good attendance at each game.

Tennis.

There has been considerable interest manifested in tennis this fall, much more than has been usual in former years. A continuous tournament was inaugurated a few weeks ago in which forty players took numbers. Although all members have not played regularly, the results have been, on the whole, quite gratifying. C. W. Clark has made the most advancement of any player, having come up from his original number, 26, to number 16. Shepard follows with a gain of five numbers, from number 11 to

number 6, but was defeated by Cook in trying to win number 5. Balle has gained from 40 to 36; and other members making gains are: Arthur Bailey 19 to 17, Elmer Hull 10 to 8, Shaver 36 to 34, Hering 13 to 11, and Dwelle from number 3 to number 1. Thomas holds number 2 and Hackett number 3.

On account of other attractions and the unpleasantness of the weather, it was found impossible to secure a large number of entries for the regular fall tournament.

In the preliminaries held yesterday afternoon McCord defeated Shepard 6-3, 6-2; Clark defeated Hering 6-2, 6-1; Balle defeated Faust 6-3, 6-2. In the semi-finals Clark defeated McCord 6-0; 6-4. The finals are not yet played.

Resolutions of Respect.

Whereas, it has pleased our Heavenly Father in his providence to remove from our midst our beloved classmate and friend, G. H. Burt, and

Whereas, the intimate relations held by the deceased with the members of our class, render it proper that we should show on record an appreciation of his connection with us; therefore, be it

Resolved, that we, the Senior Dental class of the University of Iowa, while we bow with humble submission to the Most High, we do not the less mourn for our classmate who has been called from his labors to eternal rest.

Resolved, that we hereby extend to the family of our deceased classmate our heartfelt sympathy in their bereavement.

Resolved, that these resolutions be entered upon the records of our class, and a copy sent to his family and also published in the College papers.

Notice.

President McKinley Club, Iowa City, Ia. Dear Sir.—We extend a cordial invitation to you and your Club to attend the big 5th district Republican rally to be held at Cedar Rapids, Tuesday, Oct. 27th. The speakers for this occasion will be "Billy" Mason, Hon. James Harlan, Congressman Sam Clark and "Bob" Cousins. Special rates on all railroads. Come and help us make this the grandest rally of the campaign in Iowa.

E. W. S. Otto, Ch'rm. Com.

Doane aspires to eclipse the University of Nebraska on the gridiron this year.

First Eleven vs. Second Eleven.

Last Thursday afternoon the first eleven lined up against the second, which was composed of fourteen men, and among them Coach Bull. The first half was twenty minutes. In this time the first eleven made four touchdowns. Thomas tried goal for three of these and kicked each one very prettily.

The men have improved wonderfully all around, but their interference is not quite as good as it ought to be if they are going to defeat Kansas next Monday. Nearly every time the first team tried to send a man around Bull's end, he managed to break through their interference, and a number of times succeeded, alone and unaided, in stopping the run. Bull is probably stronger at breaking up interference than any man whom Iowa will meet this year, but nevertheless it would be well to work the interference up to such a degree of perfection that even he couldn't get into it. However, every one of the boys is doing splendid work. Hobbs showed better form than usual in running with the ball. If the boys will brace up their interference, though it is not what we would call poor now, Iowa will get the league championship this year.

In the second half the teams were mixed up, making them more evenly divided. Holbrook retired, having hurt his knee again in the first half. Thomas made a beautiful goal from field at forty yards or more. No touchdowns were made in this half.

It is stated the principal event in the exercises in connection with the one hundred and fiftieth anniversary of Princeton University, held at Princeton, N. J., on Thursday, was the address by the president, in which he urged the college men of the United States to take a more active part in politics, dwelling at some length in thinly veiled allusion to the issues in the present campaign. He spoke of designing partisans stimulating popular discontent and passion, to pitch seriously near class hatred or sectional anger. To attempt to delude the people into the belief that their suffrage can change the operation of national laws. To designs apparently intended to lure people from honest thoughts and to blind their eyes to a sad plight of national honor and bad faith.

After beating Oberlin by the one sided score of 30 to 0 Saturday, in a practice game on Marshall field, Monday, Chicago was defeated by the Ohioans 4 to 0. Chicago was greatly crippled by a substitute team, Herschberger, Gardner, Burchard and Kennedy not playing. On the other hand Oberlin's full back, Clancy, who was injured early in Saturday's game, played through both 15-minute halves on Monday, thus greatly strengthening Oberlin. The game was a mere practice game arranged by Stagg, while the Oberlin men were waiting in Chicago for their game with Illinois at Champaign Wednesday. It, of course, does not go to show the relative strength of Chicago and Oberlin, but at the same time will give an added interest to the Michigan-Oberlin game on November 14th.—U., of M. Daily.

Entered at the Iowa City Post Office as second class matter.

In a recent issue of the VIDETTE-REPORTER something was said relative to the organization of mandolin and glee clubs. In the past we have seldom, if ever, had a representative organization of this character. This was not due so much to the fact that we had not the material from which to choose the clubs; but because sufficient interest was not taken to do good, systematic work to make them a success.

In most of the larger colleges these clubs have become a prominent and permanent feature in college life; and it remains entirely with the student body to determine whether we shall have a club which will be a credit to our Alma Mater. President Schaefer is very anxious that such clubs be organized, and he and the Faculty will do all that they can to make them truly representative and successful.

What we now want is candidates to compete for places on these clubs. We are very fortunate in having competent and accomplished men to take charge of these clubs and to act as directors. Mr. Wm. A. Graham, late of Leland Stanford Mandolin Club, has kindly consented to take charge of the instrumental work, and all mandolin players are requested to see him at once. Mr. Rollins, late of Amherst Glee Club, and Mr. H. W. Rose, late of Beloit College Glee Club, have likewise consented to take charge of the glee club, and all candidates for this club are urged to see either of these gentlemen at their earliest convenience. The clubs which these gentlemen have recently been connected with is a recommendation that we shall have able leaders, and it is hoped that all that are musically inclined will take an interest in this line of work and compete for places on the clubs. We have competent leaders, the hearty support of the Fac-

ulty, and if we can have the earnest co-operation of the student body, creditable and successful clubs are assured.

The following complimentary notice of Regent Swalm, in regard to Y. M. C. A. work among the I. N. G., is clipped from Men, an Association paper: "The commander of the Third Regiment, I. N. G., Col. A. W. Swalm, of Oskaloosa, is largely responsible for the beginning of Association work with the National Guard and its successful issue. When the regiment went into camp at Red Oak, Aug. 22, it was with E. W. Peck, general secretary of the Des Moines Association, as acting chaplain and secretary in charge of the Young Men's Christian Association tent; with E. W. Hearne, general secretary at Oskaloosa, and a member of the regiment, detailed to special service as his assistant. A large tent was pitched and reading tables, correspondence facilities, with games, organ and song books, and the regimental postoffice, made the place an attractive one. At the morning 'church call' the companies were marched to the headquarters and all took part in the responsive exercises and the songs. Often in the evening songs floated out over the camp with their wonderful quieting influence. All the members of the Red Oak Association Quartette were in the regiment and they often sang effectively. Every courtesy and encouragement was extended by the officers of the regiment, and the experiment was pronounced a success from every standpoint. The department was better, the attendance at the morning devotions larger than any previous year. Officers and enlisted men enjoyed together the advantages offered. Mr. Peck has been appointed a regular chaplain and he now carries a captain's commission from the state of Iowa."

Bishop Keane has resigned his position as president of the Catholic University at Washington, D. C. The resignation was demanded by Pope Leo on the ground that it was not the policy of the Catholic church to retain a man in such a position more than a few years.—Ex.

The "cane-sprees" at Lehigh has become a contest in athletics between the Freshman and Sophomore classes. This year the games contested were foot ball, base ball and a tug of war. The base ball game was a tie, the Sophomores won at foot ball, and the Freshmen won the tug-of-war.

 worth as their Junior representative

The Zetagathians elected the following on class debates: Juniors: Sharpe, Hollingsworth, and Holsteen; Sophomores: Hanson, Moon, and Giese.

The Senior Laws were well entertained with speeches on last Tuesday. At eleven o'clock Mr. Bibbs, of Nebraska, gave them a very instructive talk, and at twelve o'clock Coach Bull delivered a witty "before dinner" speech.

At a special meeting of the Senior class held Friday noon, S. L. Winters was elected captain, and Isaac Petersberger manager, of the foot ball team. A challenge from the Junior class was accepted and an interesting game is to be played in the near future.

Every student in the University is cordially invited to the union meetings of the Y. M. C. A. and Y. W. C. A. at Close Hall, Sunday afternoon at 4 o'clock. The meeting will be in charge of the Missionary Volunteer Band, of Cornell College, and will without doubt be very interesting.

Rev. P. O. Matthews, a student of the University in '68, has been a visitor at the University for several days past. Mr. Matthews is of Indian birth, and by persistent effort has made himself a man of no mean attainment in life. Mr. Matthews is a licensed minister of the M. E. Church.

The Waterloo Courier had the following item in its issue of Oct. 22, concerning the marriage of Will Powell and Louise Alford: "The handsome home of Hon. and Mrs. L. Alford was the scene of a joyous occasion at 8 o'clock last night, when their second daughter, Ethel Louise and William Patton Powell were united in marriage. It has become almost proverbial that Waterloo brides are always greeted with pleasant skies on their bridal day, whether the time be in leafy June or in the maturer beauty of October. Yesterday was no exception, and nature provided best in giving clear skies, exhilarating air and glorious coloring over all, while the ground was carpeted with a material of oriental wealth of hues which no loom is capable of producing. Amid all this richness and beauty the manly groom and beautiful bride pledged their vows before God and started forth into the untried future. The very best wishes of all follow them."

Notice.

The members of Irving Institute and Zetagathian Society will call at the President's office, Tuesday, from 9 to 11 a. m., and at Professor Loos' recitation room from 1:30 to 7 p. m., to procure the Lecture Course tickets for the canvass of the University.

H. H. McLane, an American in London, will offer a trophy worth £100 to the Henley stewards to be competed for by the crews from the leading colleges of Great Britain and the United States.
