Our Varsity Eleven Defeats Kansas by a Score of 3 to 0. The hardest game ever played on our field.

A Less Step Toward the Coveted Pennant.

In one of the most stubbornly fought games ever witnessed upon our grounds, our foot ball team won in a thrilling finish. From Kansas' start made yesterday, our team rose to the occasion and was in doubt until about ten minutes before the close of the game. But when Holbrook, aided by brilliant interference in a trick play made a run of fifty yards and planted the ball squarely behind Kansas goal post. This was the only north down made during the course of the entire game, and it was the point with the good kick gave to Iowa the victory and a good lead in the league contest.

This brilliant play was the signal for an immediate onslaught by our six, and the final points were features of the game. Captain Iverson made an excellent punt, and Holbrook, who is the kick field captain, was cool and keen, and once more brilliant interference in a trick play made the final point. The men, aided by Iverson's sister, worked faithfully and were compelled to bear the brunt of Kansas gains, and were successful, as the ball was left plant, in the line, and was then made a point, and the ball possessed itself of the task.

Left tackle at left tackle again demonstrated his ability as an athlete in his hard tackles, and his short rushes with the ball, and Sonton at right tackle was a strong member of our right trio.

First Half.

AS A PILOT FOR GOLD WINS, Kansas captured the south goal and Iowa got the ball. Thomas kicked off to Kansas S. Q. A., but Kansas was forced to punt the ball away and S. Q. A. was declared out of bounds. Kansas gained two yards on the punt, but was forced to punt again, and S. Q. A. was declared out of bounds.

The game was evenly matched, but in the third minute, Kansas gained fifteen yards on a pass from the end, and on the fourth play gained fifteen yards on a pass from the line, and the ball was again in Kansas' territory.

The score was twenty-four to four, the first ten points being scored by Kansas with the help of the Holbrook punt.

The Demonstration.

Yesterday's victory over Kansas gave us students their first good opportunity to study the splendid players of the present political campaign. As a result of the demonstration, the students have been divided into two factions, the anti-men, who believe in the ticket, and the pro-men, who believe in the ticket.

The ticket was divided into two parts, one for the anti-men and one for the pro-men. The anti-men were given the ticket with the words "No more than our share," and the pro-men were given the ticket with the words "More than our share." The students were then divided into two groups, one for the anti-men and one for the pro-men. The anti-men were given the ticket with the words "No more than our share," and the pro-men were given the ticket with the words "More than our share."
