FOOT BALL SEASON OPENS.

S. C. U. Defeats W. I. by a Score of 22-4—a Large and Enthusiastic Crowd Present.

The game this afternoon was very encouraging for the opening contest. The team showed splendid development for the short training under Coach Wagenhorst. Our line was almost invincible, and the interference for end plays was well formed. While the playing on our side was sufficiently good, for the first part of the year, special mention should be made of Griffith, who, as always present when needed. Kemp and Gaines each made some excellent runs. Hobbs showed that his work this year will equal if not surpass that of last. Dean did some good work at quarter. The team work was excellent, which is due to brief training taken into consideration.

The visitors made one excellent play in the second half. The real ball being passed to Krause, he started around our right, but passed the ball to Hughes, who ran around our left for 20 yards.

The line up at the start was as follows:

S. U. 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19. 20. 21. 22.

W. I. 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19. 20. 21. 22.

Iowa kicked off to Roseroff, who was stopped by the formation for five yards. After trying the line for two plays Wilton kicked for 25 yards. The play was stopped by D. S. Martin, left guard, long run by Gaines followed. In the second play Sheldon carried the ball past S. C. U. line for a gain of 18 yards. S. U. 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19. 20. 21. 22.

Wilton kicked off to Gaines, who got past S. C. U. line for a gain of 13 yards, 3 yards, and lost 3 yards, losing the ball. On a fumble by Wilton, Kingston captured the sphere. S. C. U. 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19. 20. 21. 22.

Wilton kicked off to our 45 yard line, Hobbs returned the gain, and Wilton after a series of stunts wound around our left end for twenty-four yards. In the next play Wilton punt, the ball hit one of our men and rolled across the line, and being secured by a Wilton man gave them a touch down. No goal. S. U. 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19. 20. 21. 22.

Homeopathic Medical Department.

A reception was tendered the members of the Missouri Valley Medical Association at the Homeopathic Hospital, Thursday evening.

A large audience enjoyed the program that had been arranged by the Association Thursday evening. Dr. Gilchrist had favored the audience with some instrumental music, A. C. H. Gatchell of Chicago, delivered an address on "Optimism and Pessimism in Medicine," which was enjoyed by all, as was shown by the frequent applause as the speaker proceeded.

The medical clinic held by Dr. F. S. Bourke was especially interesting, as many of the visiting physicians were present and took part in the discussions incidental to the various cases, some of which were of unusual interest.

The class of '96 elected officers for the coming year as follows: President, A. B. Symonds; Vice-President, E. E. Pairman; Secretary and Treasurer, Mrs. Ada B. Bailey, Department Editor to the Quill, Y. O. Tolf, Department Editor to the Vidette-Reporter, F. C. Skinner.

The Halsteadian Medical Society elected officers as follows: President, W. A. Kaufman; Vice-President, E. P. Farmen; Secretary, E. J. Lambron; Treasurer, F. C. Skinner.

The students of the department have been taking advantage of the opportunity to attend the session of the Medical Association several members of the faculty prepared papers, and it was noticeable that those papers were among the best and best presented.

Irving.

A large audience in North Hall last night, listened to an unusually strong program.

The first number was a piano solo by Mr. Johnson, who responded to a party notice. "Sam," Whiting then delivered a humorous declamation on "George Washington." A. W. Hammond followed with an interesting speech on w. p. speeches. He spoke of the force of custom, the tendency of a person to think, speak and act as his father did before him.

The debate was on the subject: "Resolved, that the United States and the several states should establish courts of compulsory arbitration of disputes arising between employees and so-called natural masters." Mortin and Finley supported the proposition, arguing that at the present time justice was not administered in the present methods of settling grievances, and that the scheme proposed was serviceable in other countries.

Egan and Curtis denied the question, arguing that compulsory arbitration infringed upon the rights of our citizens, that difficulties should be settled by voluntary rather than by compulsory arbitration. The judge's decision was in favor of the affirmative.

H. Claude Harack kept the audience in laughter with a humorous declamation on "Hootin' in the Dark," delivered in his entertaining style.

Kepfer Otto followed an enlivening song on "Molly摩子" of which he thought the words, written, well-delivered, glowing tribute to the great German. Mortin Gray closed the program with a much appreciated violin solo.

Notice.

The meeting of the Y. W. C. A., Sunday, at Cote Hall, will be Miss Jacobs. Subjeet, "Bible Study." Miss Jones, the State Secretary of the Association, will be present.
