NEW LANGUAGE CLUB.

AN IMPORTANT LITERARY ORGANIZATION

In the local columns of our last issue we announced the formation, on Saturday last, of a new club among the language teachers of the University. This organization promises to become an important factor in University affairs, bringing to the literary department what Ionia is to the scientific department.

Organization was effected and temporary officers chosen; at the meeting which followed the program was rendered of last evening.

A GRAND SUCCESS.

THE GLEE AND MANDOLIN CLUBS' CONCERT LAST NIGHT.

Mr. Wheelock, the harvest suite, is a most valuable acquisition, and adds great strength and attractiveness to the program.

Mr. Weaver, in his remarkable exhibition solo, and as "character concertino," was a veritable gem among his melodizing brethren; he was not only popular, but nomed him as the morning's event.

The whole University has reason to be proud of the Glee and Mandolin Club for last night, and we may rest in the assurance that wherever they step on their coming tour, they will receive credit and honor upon the old name and the same of E.S.T.

Hobbs Elected Captain.

At the foot ball meeting at Close Hall last evening, Mr. W. Hobbs was unanimous choice for captain for the coming year. The choice is eminently fitting, as for the past three years no man has worked harder and more faithfully for Iowa's success than W. Hobbs. For the past two seasons he has regularly played the position of full back, having been in every game played by Iowa's team. The election of Cap. Hobbs brings ill for a successful Iowa W team.

Captain Walker opened the meeting at 6:30 with a review of the past season's work, then the way to making for a captain was begun. After the announcement of Captain Hobbs' election, Manager Sheehan made a few remarks upon this season's work and the outlook for the future, when the meeting adjourned.

The committee, composed of Prof. Stearns, University of Iowa, Prof. Stock, University of Illinois, and Prof. Bramlear, Polycal Director, Uni. of Wisconsin, will meet today in Chicago to prepare a report on reforming the Freshman Clubs. The members of the conference which created this committee.

A Striking Contrast

Is observable in the Cash Coupon System in the Laundry Business and the old Credit System.

By paying for your book in advance you receive a liberal discount and you know that your Laundry will be called for and delivered without the least chance of any error being made in charging up the account in the old system. Our aim is not to do the cheapest work, but the best work possible, at a reasonable profit. Why not pay for the work some time. Is there any reason why it will save you money?
