SOUSA'S BAND.

A MAGNIFICENT ENTERTAINMENT GIVEN YESTERDAY.

The Opera House was packed to the doors on Saturday afternoon to hear Sousa, the great composer and band leader. Owing to the appreciation by our professors of this musical event, after-classes were for the most part dissolved, and many students went to swell the crowd.

We have no means at our disposal for doing the matter more fully, but we are happy to say the entertainment was highly pleasing with the great first appearance in the city.

The following is the program:

1. Overture - Gomes
2. Ballad Suite - Lassen
3. Trombone Solo - Pryor
4. Pigrim's Chorus and "Evening Star" Romance - Wagner
5. String Quintet - Mozart
6. Love at First Sigh
7. Play "She's Bad"
8. Sousa Historical Suite
10. Serenade Hungarian Rhapsody 
11. Serenade Hungarian Rhapsody
12. Serenade Hungarian Rhapsody
13. "Love in Idleness."
14. March to the Pilsen and StavromSi.
15. The Sousa and StavromSi.
16. Sketch - Miss Jenne Hope
17. Sketch - "Sousa's Ballad in New YorK."

Chicago Indoor Met.

Arrangements are being completed for a big indoor musical event at Chicago to be held at Tadle's. It is under the supervision of Auditorium, of Chicago, and will comprise the 17 events as follows:

The sessions are to be: 3.30, 6.00, 7.45 and 8.45 p.m. (two, raised stages and doors), 40 and 40 yards dashes and mile run, one-half mile walk, 75 yards hurdles, short, tall, high jump, pole vaults and team race. Wisconsin will send G. H. Coyle, G. O. Innes and others.

The C. of M. Daily says: "It is very desirable it Michigan enter this meet. It is considered to be the best meet in the country and to win is considered to be the best meet in the country and to win is considered to be the best means of gaining the Michigan spirit, that the best men of the year are in a war, obliged to support the sick patients, the medical profession of Michigan has suffered. The hospital will be well filled with Miss Coyle, G. O. Innes, G. H. Coyle and the new woman. Copies of the resolutions were forwarded to the medical faculty and the Board of Regents.

Erduplan.

The Erduplans presented one of their characteristic programs in a large and well pleased audience, Saturday evening.

The program was opened by a well rendered piano solo, by Miss Johnson. This was followed by a declamation "A Woman's Question," which presented a very novel phase of the new woman.

The debate was upon the question: "Resolved, that intercollegiate foot ball not promote the best interest of colleges," Affirmed by Messrs. Kelly and Foster, denied by Messrs. Hatch and Hatch.

The question being one of unusual interest to students, the debate was spirited throughout, and strong arguments were made on both sides. The decision of the judges favors the negative.

A piano solo by Miss How, at this point, was a pleasing divertissement, and received a hearty encore.

Miss Graf then declaimed "Marguerite" in the usual attractive manner for which she is so well known.

The speaking was accomplished by an impromptu speech upon "Fake Journalism," by Miss Wickersham, which was both interesting and instructive. The whole instrumental solo was rendered by Miss Hummer.

The library at Cornell is kept open until 11 p.m.
