Athletic Union Election, Close Hall Auditorium, To-night.

MEETING WILL BE CALLED TO ORDER AT 7:00 O' CLOCK SHARP.

WILTON COMING.

RETURN GAME OF BASKET BALL TO BE PLAYED HERE NEXT TUESDAY.

Wilton's basket ball team plays a return game in our gymnasium Tuesday, March 8th. The game will be called at 1:30 P.M. to allow the Wilton team a chance to leave for home the same evening.

Our boys assure us that the game will be fast and exciting. There should be none of the "kicking" which characterized the late unsatisfactory contests with Independence.

Through the courtesy of Secretary Fellingham the game will be in the hands of the track team. The proceeds will be given to the trainer's fund.

Wilton was very courteous to us when we were there a short time ago. They cheered us heartily but won the game. But now our boys have had a great deal of practice, and intend to win the game from the men of the German-English college.

The second team will play against a team from the High School after the game with Wilton. The admission to both games will be twenty-five cents. Our team will be made up as follows: Forwards, Jarvis and Griffin, center: Louis; guards, Latta and Howell.

Dartmouth-Brown Debate.

The Dartmouth Debating Union has submitted four subjects for debate in the Brown Debating Union, from which one subject is to be chosen:

1. That it is expedient that members of the Cabinet be required to own property with privilege of debate in both houses of Congress.

2. That the best interests of society demand the inclusion of an inheritance tax system of the American commonwealths.

3. That the best interests of the United States demand the establishment and maintenance of a powerful navy.

4. That apart from legislation the New England textile industries will be able to maintain themselves.

The fourth question is to be interpreted by only in the word legislation, such as tariff and labor restrictions.

1. A. A. Meeting.

The Intercollegiate Association of Amateur Athletes of America, which met in New York recently, proved to be one of the most interesting and important in the history of the organization. The reply of the Republicans in the United States is an invitation to an international meet, which was taken up and discussed. As the Association was divided as to what should be done with regard to the matter, some wishing to receive the letter sent by the English colleagues, and others being in favor of allowing them to state the terms on which the game should be held, it was agreed to lay the matter over.

The charge made by Captains Edward Brown, of the track team of the University of California, were then taken up, and it was decided that Mr. Brown's assertion that in eastern colleges the amateur states is but a pretense, and that the Association must be proved to be otherwise, he was requested to withdraw the California track team from the competition unless he proved the charges or withdrew them officially.

The most important differences introduced by the new constitution relative to the method of scoring and in the list of events to be run off at the championships. In the future, points will be scored as follows: First place, 1, 2nd place, 2, 3rd place, 3, 4th place, 4. Boxing will be taken up as a separate sport, and will not be run off, in connection with the annual track competition of the Association. A two-mile run was substituted for the mile walk. The following officers were elected for the ensuing year: President, L. S. Smith; Vice-President, R. W. Bull; Secretary, B. S. Barringer, New York University.

At the Student Volunteer Convention, held at Cleveland, last week, over 1,000 delegates were present, besides many prominent speakers, representatives from the missionary boards, missionaries, clergymen, and educators from most of the important institutions of learning, to the number of 600 and hundreds of visitors. The meeting was held at the armory of the Cleveland Grays, which was decorated with the flags of all nations. The address of welcome was given by Dr. Leonard, Bishop of Ohio, and the reply by President James Stevenson, of McCormick Theological Seminary.

Track Team Meeting.

At a meeting of the track team at Close Hall, this afternoon, the formation of a league with Massachusetts, Kan­sas and Missouri, was considered favorably.

A new unanimous, a design of eagle wings, was adopted for the front of the sweater.

Governor Pingree has offered three prizes, aggregating $50, to the students at the University of Wisconsin, who shall first answer correctly certain questions which he proposes in regard to the machinery used during the civil war.

Dr. Andrew Sloan Draper, President of the University of Illinois, who was offered the position of supervisor­ tenent of public schools of Greater New York, declined it, preferring to remain as president of the Illinois institution.

A Striking Contrast
It is observable in the Cash Coupon System in the
Laundry Business and the Old Credit System.
By paying for your book in advance you re-
ceive a liberal discount and you know that your
Laundry will be called for and delivered without
the least chance of any error being made in
charging up the account as is the old system.
Our aim is not to do the cheapest work, but
the best work possible, at a reasonable profit.
You must pay for the work some time.
Why not advance if you will save money?
