THE TRACK TEAM HAS SETTLED DOWN TO WORK.

Juniors.

So far, the Iowa track team has had a slow start. The team has been practicing outside, weather permitting, at the Athletic Park. The track meets were held on April 8th, 9th, and 10th, respectively.

The team's main focus has been on conditioning and maintaining their fitness levels. They have been working on improving their performances in both distance and sprint events, and preparing for upcoming meets.

The team has been spending long hours outdoors, practicing their techniques and strategies to improve their performances. They are looking forward to the upcoming meets and are determined to give their best effort.
