Tickets for Ball Games.

As the season for ball games again opens we hear the usual demand for season tickets. There are a few students who will probably take in every game on the home grounds, but the majority will not be able to go to the entire number.

As the schedule was given out a few weeks ago, there are to be eight games made up from the Cider Rapids games, played at Iowa City, and probably single tickets will cost three dollars and a half, figuring the admission at fifty cents for all but two, and those at a quarter.

Naturally the managers will do all in their power to increase the attendance at the games, and it seems to us that one of the best schemes would be to sell tickets for the entire season at about two dollars and a half. We presume that the average student plans to take in about four good games. This will cost him two dollars. Now if he knows he can take in the other four for an additional fifty cents, who would not jump at the chance?

This same principle is used by the Lecture Bureau, and they sell something like six hundred season tickets every year. We understand that in a large number of schools this scheme is used for the ball games, and we believe it would be adopted at S. U. if to the satisfaction of the managers and those who attend.

State Field Meet.

In this issue the President of the Athletic Association names the members of the committee that have been appointed to conduct the state meets and ascertain how many will be willing to attend the State Field Meet at i.e., Moines, provided a reasonable rate can be obtained.

Every year there has been a cry for low rates, but there was never any movement to obtain them. Other schools institute the various railroads to make excursions, and there is no doubt what S. U. I. can obtain just as good terms if she is able to persuade enough students to attend.

While we regret the fact that enthusiasm and interest in athletics at the University is not what could be desired, yet it seems certain that there are many, yes, a great many, students who would attend the State Meet this spring at Des Moines if the rates were at all reasonable.

Our chances for winning the State Meet were never better, and the interest that "Dad" Monticello is showing in the students will increase more enthusiasm than usual this season.

It is certainly a timely move toward the students and ascertain their sentiment. We believe that no appeal to their patriotism is necessary.

We feel certain that the interest this year is sufficient to entice every student who can possibly attend. It is useless to recast the great assurance our team would have in several hundred roving roosters among the crowd. Several of our men are "laying for records this year, and it is believed they will make them. We would propely an easy victory for our team if it were accompanied by several hundred enthusiastic "raters."

The members of the committee will this week call on every student in the University. Thanks for signatures may also be found at Bloom & Mayer's clothing store, and at Hahnschul & Wiesensch's book store. If the committee fails to see you, and a list and sign away.

Beware of Outfits for Catherina that Contain Mercury as mercury will surely destroy the same of small and completely damage the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is too great to the good you can possibly derive from them. Hall's Catherina Compound, made by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, settling directly upon the blood and mucous surfaces of the system. In buying Hall's Catherina Cure be sure to get the genuine. It is made entirely, and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists, price 50c. per bottle. Hall's Family Pills are the best.

Professor Hayes has announced the
discharge of the class of 1889, as the time for ex-
amination in "Partnership".

The Endicottians and Irrigons are
planning to present some临欢 to the
members of the Athletic Union.

Drake University says she, confi-
dently expects at least third place, and
she is to make around the M. H. M.

Yesterday's rain prevented bat-plate
drill. The President, however, went
through the hand exercises in the
armory.

A special program will be given at
St. Benedict's Hall, Sunday evening,
April 24, for the benefit of the Ath-
etic Union.

Professor P. S. Davis passed through
the city, Saturday, on route to Chicago.
He spent the past four months in Mexico.

Class G. Park, of Wilton, Iowa, a
graduate of the Pharmaceutical De-
partment, class of ’98, has secured a
position at Beiersdorf's pharmacy.

Judge Wade has been called to
Weston to account of the serious ill-
ess of his mother and there will be no
notice in Evidence until his return.

Professor Eugene Wambaugh ar-
rived in the city Friday evening last.
and will speak at the Chautauqua-
McClain's home during his week's stay.

Lieutenant E. F. Readings, the 22d
Infantry, U. S. A., has returned to
Pampa. Lieutenant Sayler has as yet no call.

M. W. Lawrence and C. W. Warren, from Anamosa, are
visiting relatives in the city. Mr. Law-
rence was graduated from the Law
department in ’96, and is meeting with
success in his chosen profession.

Petitions are being circulated in the
various alumni organizations through-
out the State to express the effect that the
new College building will have upon
the old State building now stands.

It is to be hoped that the alumni
may have some influence in this
matter.

Dr. Rain, Assistant State Geologist,
whose headquarters are in the office
at Des Moines, recently began a series of lectures on Economic Geo-
logy, to be delivered before Professor
Calvin's class in that work.

Dr. Rain is a gentleman of very pleasing
address, and the course can not fail to
be most interesting as well as instruc-
tive.

Three of the members of the '90 Hawk-
eye Humorous Society have continued
their popular salutations and written
comedies under the disguise of
"The Irving-Brookphian Parce." The
plot is based upon an incident that oc-
urred at the University some time
ago, and as several of the dramatic
persons are known to be students, the
play should be highly interesting if
"placed on the boards" this spring.
