We were all somewhat surprised at the result of Saturday's game, but our men are in no way discouraged, and hope to make a good showing against Chicago Saturday. There was some dissatisfaction over some of the officials' decisions, especially when the time-keeper cut the play short. S. C. I. won near Knox's goal when time was called. It was a mistake—untimely on the part of the time-keeper. Unfortunately the ball was out of bounds. The team was treated in a royal manner by the students at the game.

We clip from the Times-Herald its account of the game:

"The game of foot ball between the Iowa University and Knox College was from start to finish most hotly contested, and at the close neither side had gained a victory. "Williamfield was won and lost, and all through the game there was a struggle. In the first half the Knox eleven clearly had the advantage and put up a quick, snappy game that surprised its bulky antagonist. The Iowa team played their usual good team work, and was weak in the left end. By means of six gains of thirty yards each the game was kept alive. The ball around Iowa left end, effective back up by Wetsmore and Hopkins, and Wetmore's thirty-yard punt, the Knox team advanced steadily across the field to within two yards of Iowa's goal, when Wetmore fumbled and the ball was in Iowa's hands when time called. Holte cleverly prevented a septet knox from scoring. "In the second half the ball was most of the time in the hands of the Iowa boys and was the star feature of the side. Just before close of the half Hartbaugh made a bad pass, and the ball rolled within two yards of the Knox goal, Wetmore tell on it just in time, and on the next play passed it to Finley, who carried it around the end of danger, and the game closed with the ball in the hands of the possession. Finley's run was the feature of the game. Knox showed great improvement since the University of Chicago. Williams of the Iowa University, was slightly injured the first half and retired. The Iowa team was penalized several times for delays. STating, the Iowa center interfering with the ball. The teams lined up as follows:

Our new department editors, which were recently elected, are E. L. Lambert, Homoeopathic department, B. H. Moore, Dental department, and WM. C. Cornwall, department of Pharmacist. All are well known in their respective departments, and we expect that our new staff and professors of these departments will add them as much as possible in gathering all the items of interest.

The Hand-Book has made its appearance just fifty-five days earlier than last year. The Republican Printing Co., with its usual promptness, to get out the book in a very short period of time, is to be congratulated. The hand-book committee, Edwin Sheek, B. K. Smith, and J. J. Barger, have done their best to have this year's directory ready—out at the end of the term. The Hand-Book is reckons itself from errors, and by far the best we have seen since entering school. The book will be of assistance to the students generally to-morrow. The Y. M. C. A. can congratulate itself upon this success.
