'TARSITY DEFEATS ALUMNI.

11 TO 0 FAVOR OF S. T. C.

With a lowering sky overhead and a chilly wind that was about to chill Old Gold and did chill with Old Gold already in true royal style, the result being 11 to 0 in favor of the younger men.

It was a cold, unpleasant day for 400 or more spectators that filled the sides of the grandstand and at times umbrellas were a necessity, but the loyal spirit along the sides line only just showed their mischief into the cheer and observed the loquacity in the mainspring that came pouring down brilliant rays, savage tactics and long periods kept the spectators on the qui vive, the only thing that marred the game being the frequent wrongs that occurred between the players and the ball.

A few minutes past one the Alumni put up a strong game when their lack of training and late unfolding with each other's style of playing is taken into consideration, the only wonder being that they held the 'Varsity down to 4 as small a score as they did. Their team work was good, but along with the men to each other, and their offense was playing a surprise to the 'Varsity, making them jump through its lines. Little lore through the Varsity's solid interference in hurt-fore style, and Coach Keipke divides all his protectors from making several touchdowns by his savage tackling of the runner after he had passed every man but the doughty full back.

As only nine alumni lined up beside Coach Keipke, two of the alumni's scrubs were put in to fill the vacancies.

As for the 'Varsity their playing lacked the snap and go that is so essential to make a winning team, though the men have done some work.

Morton at half made a great show going by his grand tackling and runs, his springing powers standing him in good stead, and repeatedly winning for him the approval of the crowd.

The other half, Burdick, also proved his worth as a ground gainer, being pushed through the line repeatedly for go-downs, and being in every play at all stages of the game.

At full back, Meggars did good work, displaying his steadfastness at critical moments, and his ability to catch to kick the pigskin.

As for the old players they all put up a fairly good exhibition of football, though at times the line went to pot, though it were made of straw.

'Fumbles were made by both sides repeatedly, but this was due in a measure to the slippery condition of the ball caused by the rain.

Meggars kicked off at exactly half past three. The Alumni were making headway toward the center of the field, but after one play, the 'Varsity had a try but failed to kick the pigskin on another fumble. Least went around left end for 4 yards and "Dad" Walker smashes through the center for a good gain, when "Bob" Griffith picks out the ball of a struggling hop and makes a short gain for the 'Varsity, then Burdick and Morton began to make big gains around the ends, and were only kept from scoring by Keipke's phenomenonal tackling. On the next play Meggars kicked the ball over the goal line for a touch-down. As he was brought back to the center of the field, Enlot kicked off and Morton caught it, advancing 20 yards before he is downed, he is given the ball again and makes 10 yards around the left end.

Here the Alumni braced up and hold the 'Varsity on downs. Sleeve Colten was given the ball and made a pretty dash around left end for 15 yards, and on the next three plays the Alumni failed to make the requisite gain, and the ball goes over. Morton again goes around the end for 20 yards, and Meggars picks up the ball on a fumble, making 3 yards on a fluke. A pass in next to the Alumni and Elliott returns in, with interests, Meggars catches it, and returns it to the center of the field, on the 30 yard line. In the second half the 'Varsity gained up some, as they made a touchdown, within two minutes after the signal to play was given. Morton, Burdick and Meggars made most of the gains, cling around the ends and buckling the line in championship style. When within three yards of goal the Alumni13 braced up, but on the third try Meggars was shoved over the line for a touchdown. Score 5 to 0 in favor of 'Varsity.

Then the Alumni seemed to get their wind back as they ripped through the line and carried everything before them until within five yards of the 'Varsity goal. Offense was again partially stopped by Keipke, but as assisted to his feet by Schreder and makes the final touchdown of the game. Meggars kicked goal, making the score stand 11 to 0 in the 'Varsity's favor.

After the next kick the Alumni had advanced the pigskin to center of the field, when time was called, and the Alumni grade game of '98 was a matter of history.

CONCERT TO-NIGHT.
HIGH GRADE ENTERTAINMENT UNDER THE AUDIENCES OF THE SILENT MISSION.

The lovers of music will have an excellent opportunity to entertain this evening. The program will not begin until 8:30, so it will not interfere with other meetings. The ladies of the Silent Mission have obtained a concert company, that is to appear at the Unitea church to-night, that is selecting the highest praise wherever it goes.

Carl Roodenberg will give his violin in lecture recital. He will play several violin numbers, and will give a talk on the violin and the players on the program. The more fact that his playing is praised by Xavier Scharam and Edward Baxter Perry in assurance of a classical enter-

Mr. Frank Nagle is a native of Iowa but a musician of national repute.

We quote a couple of newspaper clippings.

"Mr. Frank Nagle made his first appearance at the silver Lake Chanute Ladies' Assembly, yesterday, and captivated the Talmage mass meeting by means of the most skillful piano playing ever heard at the lake." (Ch. & Y. Express, Aug. 3, 1898.)

"He can make one hear the soft tones of the man in his evening hymns, or the magnificent thunders of Beethoven. In fact he has the soul that inspires his instrument and holds the audience in the palm of the evening—"Lake Herald." Mrs. Jennie DeWolf Catherwood, the organist, will be with the company. Mrs. Catherwood is known by many Iowa city people, and we need not say to is that she will be here.

These attending will not only witness a high grade entertainment, but they will hear the music of a noble cause—that of the Silent Mission.

Recitals.
"Wireless Telegraphy" is the subject of Professor Yelenin's paper to-morrow evening.
No Good Without Hands.

Since writing the above we have received a letter from one of the students at Ames, saying that the recent articles (one on "Military Drill," the other one on "S. H. 1. Schools") in the I. S. C. Student did not echo the sentiment or opinions of their college. The letter goes on to say that the student board contains one or two men who are always attempting to make a hit by running down some other school.

That is evident. We are very glad that our sister institute does not hold herself aloof because of superior customs. We recognize that school as a college of great merit and an honor to the State, but it is unfortunate that it is so misrepresented by the Student.

We quote from the above mentioned letter: "I would like to see the VIdette-Reporter roast the student body to a finish, for their unjust criticisms." We wish to become mixed up with no other paper, and hope our relations will ever be most friendly with Ames. We must, however, stand up for what we believe to be the interest of S. U. I.

Notice of Athletic Meeting.

A meeting of the Athletic Union will be held at Close Hall Saturday afternoon, Oct. 22, for the purpose of electing officers, and for the transacting of some other business as may properly come before the meeting. All nominations must be handed in this week in order that they may appear in Saturday's issue of the College papers.
