TWO GAMES

INDIANS FINISH THEIR SERIES

A good sized crowd, attracted by the close score of the previous day, gathered at Athletic Park Tuesday afternoon to watch the Vanity team bat the hell out of the way to the south pole and ramp around the bases in a continuous line. There were some in the grand stand who wondered the reason the Indians didn't play much base ball and the easy manner in which the Vanity pulled up the score of 2 to 0 to seem it to justify the observation.

The feature of the game was easily the slick work of Captain Williams' men. Everyone was wearing his best set of batting clothes and had the pockets bulging out with bits of every kind from singles up to home run. The scalpers from Nebraska did the rest, making a few changes for an error go by. Warner made two home runs, one a clean one in the fifth which added a tally to the score and one assisted by the right fielder which brought Powell running for Stroey, in ahead of him. Lowry and Parsons each brought in three scores by their plays running for an error go by. Warner

Score by innings:

Iowa 1 4 0 0 0 0 0 0 0 0 0 0 0 0 0
0 0 0 0 0 0 0 0 0 0 0
0 0 0 0 0 0 0 0 0 0 0
Indians 0 0 0 0 0 0 0 0 0 0 0 0 0 0 0
0 0 0 0 0 0 0 0 0 0 0
0 0 0 0 0 0 0 0 0 0 0

In the ninth inning Smith went to catch and Corbet to right field. In the seventh inning Corbet was placed on third base and Ogee in right field.

A few enthusiastic fans paid their quarters Wednesday to see the Indians come off their reservation and lift Iowa's scalp to the tune of 4 to 0. The game was not an exhibition of the best that ever happened. Many errors were made on each side, and the Redbacks seemed to profit more on them than did the Vanity. Added to the home fielding was a certain lack of ability to make connection with the sphere on the part of many of Iowa's representatives and such a thing as bumping the few hits that were made seemed out of the question.

Reynolds made a pretty drive into center and made the catch while the center fielder was chasing the ball. Other hits were made by Storey and Struble, whose place running the bags was taken by Boardman.

On the Indian team Ogee and Green deserve mention. Ogee's work at short was all that could be desired and Green made a starting catch of a fly high to left field.

Drake Track Schedule

Manager Channing Smith announces the following schedule for the track teams:

April 28-Home meet.
May 5-Penn College at Oaklanda.
May 12-Iowa State College at Des Moines.
May 23-Inter-Colligate Meet at Des Moines.

Out of Nazareth

Iowa and Minnesota universities have an annual debate and it is natural that such a debate be a success. The Delphic

IOWA CITY, IOWA, THURSDAY APRIL 25, 1900

HOME FIELD MEET

The Home Field Meet of the university occurs at Athletic Park Saturday afternoon. A large list enters guarantees that the meet will be interesting and exciting. The fact that the university gives this meet without any admission charge should fill the Park with a large crowd Saturday. Everyone can afford to come out and cheer the athletes at this rate. So let's make the crowd, the enthusiasm the entire meet of 1900, one that will be rememered.

Here is the list of entries for the meet:

Backward Jump—Kettlewell, Metcalf, Edson, Morgan, Mason, Siegfried, Churchill.
Stand Jup—Step and Jump—Metcalf, Edson, Segweld, Morgan, Churchill.
Throwing the Hammer—Brockway, Warner, Siegfried, Wylcin.
Putting the Shot—Brockway, Warner, Burrer.
Throwing the Discus—Warner, Welland, Segwied, Hall, W. J. Mead.

Drake Track Schedule

Manager Channing Smith announces the following schedule for the track teams:

April 28—Home meet.
May 5—Penn College at Oaklanda.
May 12—Iowa State College at Des Moines.
May 23—State Inter-Colligate Meet at Des Moines.

Some Football Games

The following games have been approved by the board of control:

October 20—University of Minnesota at Iowa City.
October 27—Simpson College at Iowa City.
November 10—University of Michigan at Detroit.
November 17—Grinnell College at Iowa City.
November 29—Northwestern University at Evanston.
Suggestions in the Way of Reform

In our last issue we referred to the fact that the grant of "V"s to men by the board of control on October 17, was unknown to almost everyone on the board of control except the member of the board who theretofore received an "L". It was also unknown to many of the men whom the "V"s were granted. The actions of the board in such matters certainly ought to be known to its own members, to the men who are honored and to the members of the Athletic Union. The minutes of the board of control now on some honorably member's sleeve may contain more grants of university letters for all the members of the Athletic Union know. There are, we believe, all recorded on the minutes as far disclosed to the public eye. But the minutes of the board of control are in an uncertain condition. No account of some of the most important meetings is visible to the uninitiated eye.

The president and secretary of the board innately required in a communication to editors of the Vidette-Reporter, published in our issue of January 24, that the members of the Athletic Union are doubtful as to the minutes of the board of control are open to their inspection at any time. Nevertheless, the acuity which has helped some of the minutes of the board of control past winter is quickly, the general ignorance of them of the color of Egyptian darkness and the tardiness, withal, of the board is recognizing the football men as the 1899 team unmasking when it is considered as committed by a board which was supposed to be strongly centralized and hence quick in action. If the board of control is to perform the duties laid out for it, it will have to reform. The tardiness of the board of control in awarding football "V"s to the 1899 team and its promptness and liberality in granting "L"s, "T"s,"H"s, was suggested if Edison and Watters were members of the board of control and manifested a contagious desire for "V"s, they would not be long in coming. As a matter of fact the board of control should not grant "V"s to its own members. Active athletes should not be members of the board of control on account of the abuses of influence which are likely to occur. A condition like this has confronted other university colleges and may confront Iowa.

An active athlete better occupied in the training arena than in executive matters connected with the different teams. Any one can see that the grant of an "L" to the tennis manager last fall was not a happy action. The rule committee, in forming its report, should endeavor to better the conditions of the grant of the Varsity "L"s. Fewer "V"s should be granted. Their grant should be open and above board.

The news of the grant of "V"s should be communicated to the members of the Athletic Union. And, in carrying out the rules, the board of control should act promptly. It should be fair to all and show special favorities to none. Upon its wisdom, discretion and strong policy, depends the welfare of Iowa's athletic career, now just taking its first firm, high flight.

Questions For the June Commencement Stage

The selections for the June commencement stage should be confined to the four-year members of the graduating class. In selecting from among this number those who are representative of the class and those who are prominent in forenoon work should be taken as the criteria who are to represent the class upon the morning of its graduation from the university into the world. If the faculty cannot make its selections in this manner commencement speakers should be asked, for selection without these qualifications in view is a farce of which the graduates, students and alumni for whom it is given are mightily weary. When the college faculty adopts them it provides a forenoon fair and proper qualifications which have been suggested by the ill-advised appointments this year, it will be doing an honor to itself and the university. It should select them in its next selection of commencement speakers.
