**TRACK TEAM VICTORIOUS**

**Iowa wins the Sixth Annual Dual Meet with Grinnell—**

The sixth annual dual meet between the University of Iowa and Grinnell College was held last Saturday at the Grinnell fair grounds. With the university's score of 79 to 536, the meet was held under Amateur Athletic Association rules. First place counted one point, second place six points, and third place one point, except that the relay race counted five points.

The most outstanding feature of Grinnell's team was the high quality of thedistance runners. These runners made the time of the track events very slow.

**VICTORIOUS ANNUAL MEET WITH GRINNELL.** — The distance runner was the grittiest Banschbaugh made the two-mile bicycle race, took the lead at the fourth lap, and held a slight advantage over the riders who stretched out like a rubber band after he made the lead up. He surprised everybody, but everyone knew that the university's team would be much better and stronger during this year's season. The outcome of the meet was held under Amateur Athletic Association rules.

IOWA WINS

TRIUMPH OVER NORMALITY BY A SCORE OF 5 TO 3

Regardless of the fact that the captain and another member of the baseball team were on the sidelines on account of the Grinnell field meet, the team took the Tiptoners five runs to two with ease. Hunt was in for Iowa and pitched a very good game striking out seven men and keeping the hits scattered for the visitors. The visitors on the whole played a good game. Vogel, the pitcher, received five strike outs to his credit. And finally, Umpires Williams of Cedar Falls figured a not a little in the result of the game by a rush decision rendered at the home plate in the sixth inning.

In the second half of the first inning, Miller the star hitter for the Professors, begins operation with a two base hit. The next three Joes up went out regularly but Miller slipped in between the intervals. During the next three innings Iowa added five strike outs to his hit and Vogel got two. In the Norsayville half of the fifth, Iowa made a foot on a hit and was brought in by a three bagger by Miller.

In the fifth half of the fifth inning the found the sphere nicely and made two bases and flashed advanced him to third. Yates made a crack in the direction of second base and was fielded out at first. Then the ball was sent to home plate and Storaty was called out there by thescratch decision made here this year.

In the seventh Iowa for long hits and an error on the part of Vogel made the score 7 to 2.

This is not a department store wheel, but a good honest bicycle built by one of the oldest and best known concerns in the bicycle business. We have handled it for the past two years and never sold a wheel that gave better satisfaction. The makers got caught in the pinch last fall and made up by big stock. They have to have the ready cash. We emphasized the opportunity and bought the entire lot at a terfible sacrifice. Thus our remarkable offer.
