Mistake at Dual Meet

Through a mistake of one of the judges in announcing to the scorer the distance in the shot put and hammer throw without subtracting the 3½ feet of the put from which the gurus were made the distances announced in these events of the dual meet are all 5 feet more than the actual distance. This mistake in Warner's put of 55 feet 11½ inches broke the record for the hammer by 6 inches. The programme for the dual meet made a mistake in the dual meet record for the hammer which was later corrected.
