Five to seven hundred students and citizens of Iowa City will take advantage of the five round trip cars to attend the state meet, which will be held at the state fair grounds at Des Moines, Friday May 25, 1108. A special train will leave here at 6. M. and leaving Grinnell at 2:40 a.m. and arriving at the fair grounds at 9:30 A. M. The track team will go to Des Moines on Thursday night and will make its headquarters at the Kirkwood hotel. The C. C. B. will lead the Iowa City delegation on the special train Friday morning.

An assurance of amusement will be provided in Des Moines. Grinnell and Highland Park will play a game of base ball at the ball park near the auditorium after the arrival of the special train in the morning. The Des Moines League will play one of its league games with Denver at the ball park and the time of this game will be arranged so that it will not conflict with the state meet which begins at 1:30.

The games committee displayed good management in selecting the state fair grounds as the place for the meet as the track is a good one and wide enough to make necessary preliminary heats unnecessary and the grand stand is fully large enough to seat the enormous crowd that will be in attendance.

It is impossible to predict the winner with any degree of certainty. From the records already made in the fair and other preliminary meets, the first place would seem to rest between Drake and Iowa. A prediction of probable points by a conservative observer of state athletics may be of interest. According to this prophet Drake and Iowa should win from 20 to 25 points each, Grinnell from 20 to 24, Ames from 15 to 20, Cornell 6, State Normal from 13 to 15, U. 1. 1. 11, and Penn college from 5 to 12. Of course there may be some surprising variations from these estimates, but they represent perhaps as conservative a prediction as can be made. There will be few star performers in this meet,—fewer than in any other state meet ever held in Iowa. But every event will represent a remarkable class contest between a dozen or more of the cream of the state's track team athletes of the state. The handbills that attend this year's meet will show seven- teenth of the best contestants ever held in Iowa, and in the crowd that assembles will be many of the star athletes of the last five, six or seven years and other alumni and friends of the eight institutions represented.

In consideration of their fine drilling

This tournament will without doubt be the best exhibition of university terns that we have ever had. Minnesota and Wisconsin are high in terns circles. Each is a member of the Western Inter-collegiate Association and this year for the first time Iowa sends her representatives to those associations meets at Chicago from May 28 to June 1.

The tournament here next Saturday will show just how low Iowa stands in middle west terns. This tournament is the best one outside of the inter-collegiate tournaments that will be held by any university in the west this year. Preliminaries are now being run off and Iowa's representatives will all be chosen by Thursday of this week.

Senior Hop

Two weeks from tomorrow evening will close the event of the year—the Senior Hop. Arrangements have been made so far complete as to assure that the event will be of the same high grade as each of the other class events given this year. Coming as it does at nearly the close of the month of commencement events the Hop committee has decided to fix the hour somewhat earlier than is the custom. The ladies and the gentlemen will assemble at 7:30 p.m., and the grand march will be called at eight thirty. The decorations have been designed to fit the style of the most experienced artist in that line in Iowa City; many gospel designs having been arranged in such class and university colors will abound. Plans are in progress to arrange the evening in the gallery so that each spectator may get an unobstructed view of the dance floor. Among those present. Krohmer's orchestra will play as usual and the visitor may get an abundance of amusement will be Homer Norman Boardman, Nevada lega, city this week.

C. C. Bates, C. o., is standing in the city.

Miss Mary Crum is visiting her grandmother Mrs. Van Pelt.

Miss Elsie MacNeish was about classes teachers today on account of sickness.

Miss Mabel Chambers and Miss Bertha Present of Miss Iowa City will be the judges of the Miss Iowa Queen Sombre during commencement: week.

The Seniors of the Iowa valley have selected Miss J. J. Crowley to preside for her society at the commencement assembly of the literary societies. M. M. M. will make the response to the presentation of diplomas.

A large number of university students are among the volunteer candidates engaged for the home visitation of the city, to be conducted by the churches and Sabbath schools, Friday May 5.
