IOWA WINS FIRST GAME

Upper Iowa and Younger Play a Good Game Considering the Season.

Iowa defeated Upper Iowa by a score of 21 to 0 in the first meeting of the two schools. The game was marred by unsportsmanlike conduct but was otherwise an attractive contest.

Fresmen Meet
Temporary Organization of Class of 1949 at Iowa City Thursday.

At 4:30 Thursday afternoon twenty-five sophomores and over eighty seniors gathered at the Iowa City High School to take in their own hands the reins of the foremen of the first fresmen class.

At the back of the meeting the men of the upper classes worked and consulted, while in front of the freshmen girls called the songs a sporty thing indeed.

The ends and backs made theai songs then intruded in kicking. girls in case of the singing. Men should be prevented displayed.

Griffith and McGilick kicked off the game for the Iowa team and returned the last touchdown. Griffith then went for the Iowa goal in favor of Iowa.

Pres.-Spalling. Tnatt­ er-Ward Henry. Spoon's with . All who expect

Iowa's football team is built on a solid foundation. The men have been working hard throughout the summer and are looking forward to a successful season. Coach Knipe's expectation that the Iowa team will win most of the western players would be met by a solid victory, and when the Hawkeyes take the field on Friday, they are expected to face a formidable opponent in the form of a well-coached team from a neighboring state.

The Hawkeyes are prepared for the game, having practiced hard all week. The team is led by Captain Finkle, a star fullback who has proven his worth in previous games. The defense is solid and the offense is powerful, with a strong running back and a reliable placekicker.

At the half-time, the Hawkeyes lead 14-0. The game is played under strict rules to ensure fair play. The Hawkeyes are determined to win, and the opposing team is equally determined to prevent a loss. The game is expected to be a hard-fought battle, with both teams giving their all to emerge victorious. The crowd is excited and eagerly watching the game, cheering and shouting in support of their favorite team.
excellence, Iowa will advance gradually in attendance as well as in other things. But a university is not to be judged by numbers of students on its rolls or of dollars in its treasury, but by the excellence of its work and the strength of its graduates.
