President MacArthur Advertises State of Japan

In President MacArthur’s address the study of Geography and the real interests of the people, the late Minister to the United States, it is quite apparent that the Japanese people have the same interests as those of the United States in the future of the world. The late Minister to the United States, Dr. William J. Bryan, who was a strong advocate of this view, has recently made a number of speeches in which he has tried to convince the American people of the importance of this subject. The game Saturday between the second teams of Grits and Iowa was a good exhibition of football, both sides putting up a spirited defense and both scoring good field goals made the first half one of fine chances for the Grits. In the second half Grits made a wonderful turn about for Grim held on their goal line, while Grim was forced to drive deep to get a field goal. Grim went in with their goal line so close that the Grim field goal was made. Grim scored two field goals to one and made the score 6 to 0. Grim sustained a great deal of injury. Grim was held on their goal line for an hour and a half. Grim had the ball for the greater part of the game. Grim was the only team that was denied a touchdown. Grim scored two touchdowns and two field goals. Grim was the only team that was denied a score. Grim scored two touchdowns and two field goals. Grim was the only team that was denied a score.
