## DRAKE DEFEATED

SCORE, IOWA 26; DRAKE 0

Drake Makes a Most Plucky Defense of Her Goal—Hawkeyes Win Through Superior Training.

One of the finest games ever seen on the home grounds resulted yesterday in Drake's defeat by Iowa. The score was 26 to nothing—one place-kick, four touchdowns, and one goal kick. The defensive work of both teams was fine. Iowa had to work for every inch of ground, Drake holding for downs once in each half within the five yard line. Iowa fumbled badly in the first half, which accounts for the meager score of a place-kick at the end of the first half. Captain Bacon of Drake equalized this in the second half by fumbling three punts.

Drake made her best gains by hitting Iowa's right guard and tackle. Iowa's offensive was fine in the second half, when the fine work of Dr. Knipe with the team told handsomely. As a result of Yesterday's victory Iowa will enter the Chicago game with high hopes of settling decisively the question of superiority left undecided by the teams of 1899.

Watters kicked off, sending the ball over the goal. Stewart kicked to Williams on the 45 yard line, he returning 15. Iowa took the ball down the field by line smashing and a 15 yard run by Edson around right. On the 18 yard line Drake was given the ball for offside play by Iowa. Drake failed to gain and punted to Iowa. Iowa worked the ball back to the 23 yard line where Drake secured it on a fumble. Drake was unsuccessful in forcing Iowa's line and punted to Williams at the center of the field. Warner, Edson, and Eby took the ball to Drake's 28 yard line where it was again fumbled. Drake was again unsuccessful at line smashing and Iowa took the ball on downs. After four scrimmages she again fumbled to Drake. Drake kicked. Drake held on her 25 yard line and after winning 10 yards was held for downs by Iowa. Open work by the backs brought the ball to the 13 yard line but only to be fumbled to Drake. Drake worked her ends for good gains but was forced to kick to Iowa at the center of the field. Iowa soon returned to the 15 yard line. Bacon fumbled the punt, Eby falling on the ball. Iowa tried to get around Drake's ends but Drake held for downs on her 3 yard line. McGugin punted to Eby on Drake's 35 yard line. Eby returned 5 yards and Watters made 2. Warner then made a goal by a place-kick. Score Iowa 5, Drake 0.

The three minutes of the half left to play were spent in kicking. Time was called with the ball in the center of the field. In the second half Iowa's weight began to tell, and the score ran up. Before making her first touchdown, however, Drake held Iowa on her 1 yard line. McGugin kicked out 30 yards to Williams who returned 8. After five line smashes Morton made a 4 yard run around left end for a touchdown. Warner missed goal. Score, Iowa 10, Drake 0. Iowa's interference was good and by it Morton and Edson made good gains around end. Williams made a touchdown by a run of 25 yards on a pass from Morton. Warner missed goal. Score, Iowa 15, Drake 0.

Iowa then brought the ball to Drake's 40 yard line by straight line bucking. Warner kicked 40 yards to Bacon who fumbled but recovered the ball on the 1 yard line. McGugin's kick was blocked and the ball caught by Hollenbeck on the 1 yard line.

Eby went through right tackle for a touchdown, Warner missing goal. Score, Iowa 20, Drake 0.

The ball then went back and forth but was kept in Drake's territory. Warner tried a place-kick from the 35 yard line, missing narrowly. Guards back and tackles over formations made the last touchdown. Eby going over on a rush through center. Drake had the ball on her 10 yard line when time was called. Score, Iowa 26, Drake 0.

The line-up was:

### OPINIONS OF THE GAME.

Umpire Hoagland—"Iowa is further along now than at this time last year. The offensive is good. What impressed me most was the great variety of plays, more than any other team I have seen. She uses them well, too. Williams handles the team finely."

Referee Burkland—"Iowa didn't play her game. She can play better ball; next Saturday will find her doing it. Iowa played better in the second half. Her defense was good at all times. Drake played a snappy game. From what I have seen of the two teams, Iowa should win from Chicago by her well-balanced team."

Coach A. A. Knipe said: "Mr Best is to be congratulated upon his very well drilled team. Drake put up the best defensive game by all odds that has been seen here. Iowa lost a good deal by fumbling in the first half. Her ragged work on the offensive can be accounted for by the excessive heat."

Coach Best said: "Three disastrous fumbles in the back field lost 120 yards and cost two touchdowns at least. If Iowa makes as many fumbles against Chicago, she will lose by a score of 12 to nothing. The game was clean. Iowa's weight began to tell in the second half and the score ran up fast."

Captain Bacon said: "The first half was a good exhibition of football. Drake played better ball here than I had expected for I had counted on Iowa's scoring in this half. We were weak in material in the second half, being forced to put in a large number of substitutes unfamiliar with the signals and formations. Holding by both teams was common but was justly penalized. The referee and umpire were fair throughout. Compared with either Grinnell or Nebraska, Iowa is stronger. Her strongest point is her heavy, compact interference."

Captain Griffith said: "Iowa had a good offensive but it was ragged at times. The defense was good but sometimes slow. Drake played a good defensive game."

Manager McCutchen said: "Such a large attendance of Des Moines people, including Drake University students, West Des Moines High School students, and alumni, is very gratifying. It shows not only the loyalty of Des Moines people to their home institutions, but, also their enthusiastic interest in their State University."

## ATHLETIC RALLY

Thursday Night's Meeting a Record Breaker in Attendance and Enthusiasm—The Witty Speeches

The students' mass meeting Thursday night was large and enthusiastic. Over five hundred students were present when President Egan of the Athletic Union called the meeting to order. Judge M. J. Wade was the first speaker. He said in part:

"This meeting reminds me of some that we used to have some five or ten years ago—by contrast. Tomorrow is going to be a great day for Drake. They have been practicing for this game by electric light. When they get through tomorrow they will think they have stepped on a live wire."

"I have heard some one speak of tomorrow's game as a battle. We will rather call it a skirmish; next Saturday the battle will occur. Chicago has gone away down east to get a practice game with Pennsylvania in order to prepare for it. Some one wants to know the size of the score tomorrow. You remember the story of the Illinois youth who left the field of the Illinois-Iowa game last Thanksgiving day in disgust. How's the score?" asked a friend. "Score? Score! Why they got out of numbers some ago and are now using the alphabet."

"You must not be too confident tomorrow, that has been the ruin of many bright causes. The men you are to meet are Iowa men and it is always well to look out for that kind of men. It is something like the Britisher who met a veteran of the civil war. 'Are you an American soldier,' he asked. 'Yes,' 'Union Man?' 'Yes,' 'Well, why didn't you lick the confederates in six months.' 'We would have done it,' was the reply, 'but you see we were fighting Americans instead of the British.'"

"I have noticed that the university is producing a good crop of poets. You remember that Longfellow wrote of standing on the bridge at midnight. There are a great many people who prefer to sit on the bridge at 3 o'clock in the afternoon. I think that they could see the game better inside."

"The game tomorrow will be one of great moment to the university. May we all do our best to win and may we give our visitors a royal welcome."

Professor Loos said that in Dr Knipe we had a man who did not boast. If we were somewhat afraid of the result tomorrow, we should remember Grant's belief that the other fellow was scared too.

Dr Shambaugh spoke of what the enthusiasm of one man—President Egan—had done for the athletic union.

President Mac Lean appeared "to wind this thing up" in the words of Professor Loos. He said in part:

"This is prayer meeting night and I did not think I was deserting my usual custom in coming here. We hear that Drake, too, is taking daily exercise in chapel."

"We are rising and developing in our athletics. Dr Knipe stayed with us for less salary than Minnesota offered him on account of his unselfish loyalty. If little defeats or great ones come, we are still studying clean athletics."

"As the university paper said this evening, in words from Des Moines, Drake herself only expects to cross a little line. We will see tomorrow whether drakes and ducks can lay goose's eggs."

"I promise a leave of absence to any student who will go to

Chicago. Lets' let them know then that we have not only eleven players but a great body of students and alumni who can lead not only in politics and state affairs but in the Varsity yell. Let's hasten the time when Iowa shall be not only the educational center of the state but of the Mississippi valley. This will be done by students and alumni working together in the university spirit."

Manager McCutchen announced that the headquarters of the team at Chicago would be at the Chicago Beach hotel, where all who desire to reserve tickets for the Chicago game should write him next week. The Iowa tickets will be reserved in a bunch.

## A PLACARD FIGHT

Classes of 1903 and 1904 Resort to Paper and the Job Press

Succeeding the freshman sociable of Wednesday night the sophomores and freshmen have taken to embellishing the town with placards and posters designed to humiliate the opposing class. Thursday night the sophomores took the following copy of the following bill to the Citizen office.

FRESHMEN HOLD A SOCIAL Aided by Police and W. C. T. U. All Time Honored Traditions Swept Aside!

Instead of the Historic PUNCH BOWL

They rent a DISH PAN!! Large in its Proportions It easily satisfied the thirst of the Milk Fed Freshies!

PRESIDENT STILES APPEARS IN A BORROWED MILITARY SUIT What is the Matter with the Freshman Girls? They are all girls.

The hand of the censor was evident in the bills as they finally appeared and were posted over the city by the sophomores. Incidental to decorating the campus was the wholesale arrest of the class by Jimmie. Officer Harrison marched them off the campus and released them without formalities.

Friday morning the Freshmen had the following poster printed at the Republican office.

SOPHOMORES Go Down in Defeat Completely Outwitted by Freshmen!

They Swept Aside all Time Honored Traditions by Failing to Capture the PUNCH BOWL

The Sophomore Leaders Captured and Compelled to Entertain the Freshmen

With EXTEMPORE SPEECHES AND RAG TIME DANCES!

The bill was appropriately illustrated. It was distributed about the city by the freshmen riding in the tally-ho.

The sophomores replied with the following:

**EDITORIAL.**

At the meeting of the students' democratic club Thursday afternoon the motion to accept the republican club's challenge and to proceed to the election of debaters was lost by a small majority. The executive committee was instructed to "investigate the matter more thoroughly." It would be unfortunate to have the debate go by default. The democrats should reconsider their action and accept the challenge.

**University Bands**

An editorial which appeared in the Yale News of October 3 displays a large amount of conjoined ignorance and exclusiveness. "A band in a University is a unique feature of which Harvard and Yale alone can boast, is the assertion." This editorial has been fairing badly at the hands of the college press. The Pennsylvanian states that Pennsylvania had a band that was discoursing sweet music before a band was formed at Yale. The Illini clips the Pennsylvanian's editorial and says that "Illinois has had a University band for so long that we are unable to find anyone here now who remembers when it was first organized. Professor Walter Howe Jones said that it had been in existence for ten years at least; and probably longer. It has been a good while since Illinois allowed a game of any consequence to be played on its athletic field without the cheering presence of the band. Battalion drill seldom occurred without the band; at the inauguration of Governor Tanner, our band, at the head of the battalion, brought forth praises equal to those bestowed upon cadets, and did much to make the University of Illinois known throughout the state. No social event of the year is more thoroughly enjoyed than Band Promenade, and no musical event is more generously received or more worthy of support than the band concert. Yes, Illinois had a band long before 1897, and has now a band of more than thirty pieces, equal to any like organization of similar size in any university in the country." The University of Iowa has had a band for nineteen years, it having been formed by G. O. No. 1, Head-

quarters University Battalion, Iowa City, Iowa, September 14, 1881. The band has, besides its regular battalion duties, furnished music for university athletic events, processions and mass meetings. It has at present an aggregate strength of twenty-five musicians, drawn from all departments of the university. It is a credit to the battalion and the university. Like Illinois, Iowa would hardly know what to do without her band.

**Public Affairs**

A noticeable fact of college life of the present year is the interest taken in political affairs by college men. The students of nearly all the colleges and universities of the country are organizing political clubs and attaching themselves to one or the other of the great political parties. This is as it should be. One of the lamentable facts of college life during the past has been the lack of interest taken in public affairs. It has been the misfortune of two many graduates of educational institutions to know practically nothing of the outside world. The ideal college graduate is the man who is prepared to assume his responsibility of the duty that may devolve upon him. Unless his college course has fitted him to meet such responsibility, he has missed a most important part of his education. These political organizations of the colleges and universities should serve to stimulate an interest in public affairs and make the student better able to meet and solve them.—Knox Student.

**MANTELL**

The appearance of Robert B. Mantell is always awaited with interest theatre goers. He occupies a prominent position on the American stage, and his plays and productions are of such excellence that his engagement is regarded as one of the season's important events.

This year Mr Mantell appears in a new play, "A Free Lance," written by W. A. Tremayne, author of "A Secret Warrant," and "The Dagger and the Cross," also presented with success by Mr Mantell. The play is of the popular romantic type, and has a powerful and interesting plot. The action takes place in North Germany and the period is 1450. The supporting company engaged by Manager M. W. Hanley has been carefully selected, and the costumes and scenery are rich and elaborate. At the Opera House Wednesday night.

Students and others who may be interested in making a selection from a fine stock of second-hand books should write John Springer of this city for his catalogue. A postal card will bring it.

MAN IS FORTUNATE  
in that the cut of his garments is not  
subject to as many changes as that of  
his wife, daughter, or sweetheart; be-  
sides, he wouldn't have the patience  
to endure as many try-ons a year.  
Nevertheless, to avoid monotony,  
there are slight differences from year  
to year which the well dressed, as  
well as the dressy man appreciates.  
To see the novelties for this Fall and  
Winter you have but to call on
