## NO IOWA-CHICAGO GAME

Chicago and Iowa Will Meet in Base Ball  
But Not in Football Next  
Year

Iowa and Chicago will not play football next year. It had been hoped that a game between these two teams could be scheduled to be played on Iowa ground. The request made for this game was acted on by the Chicago Board of Control last Saturday, and the result was announced to Manager McCutchen by Professor Stagg last Tuesday. As will appear from the article below clipped from the Times-Herald, Chicago finds it necessary to drop the games with Iowa and Minnesota from the schedule next year owing to the fact that the schedule of this year proved to be heavier than was justified by the ability of the Maroon team.

At the same time that the announcement was made that there would be no Iowa-Chicago football game next year, Coach Stagg gave Manager McCutchen an option on several dates for a baseball game, and it is an assured fact that there will be at least one and possibly two or three games with Chicago next spring. Iowa will also play one baseball game with Illinois at Champaign, and a return game may be arranged to be played in Iowa City on Alumni Day, June 11th. Dates with Wisconsin, Nebraska, and Beloit are also under consideration.

The Iowa League, comprising Iowa, Grinnell, Cornell, and Ames will meet at the Kirkwood hotel in Iowa City at 2 o'clock tomorrow, for the purpose of arranging its schedule of regular league and return practice games. Upper Iowa and Simpson have signified intentions of asking for admission to membership in the League.

Kansas, Knox, Upper Iowa, Cornell, and Highland Park have also filed requests for dates. A game with Northwestern was also contemplated, but Dr Hollister decided that he could not have both a baseball game and a track meet with Iowa at Evanston, and the former was abandoned for the latter, the date of which will be May 11th.

The following article on the Chicago's football schedule appeared in the Times-Herald today:

Iowa and Minnesota will not be given opportunity to play football against the University of Chicago next fall. That neither of the teams which has been in the lead this fall would be given a place on his schedule for 1901 was announced by Coach Stagg yesterday afternoon. And with regrets, too.

The reason for Stagg's refusal to give either Iowa or Minnesota a game is that he has five contracts for big games with the following institutions: University of Michigan, University of Wisconsin, University of Pennsylvania, Northwestern University and University of Illinois.

"Minnesota and Iowa will not be on our schedule next year, although that is a matter of regret," said Coach Stagg. "But it was necessary to make our schedule lighter, and we had four written contracts and had promised another last year, that with Illinois."

Manager George Huff, of the Illinois team was in conference with Coach Stagg at the university "gym" yesterday afternoon, and the result was the closing of a deal for a game with Illinois on Marshall field. The exact date was not determined, but it will probably be one of the first big games of the season. Illinois was promised a game last year when the boycott on Chicago was ended.

By a contract made with Michigan at that time Chicago will go to Ann Arbor or Detroit for a game Nov. 16, thus making a break in the traditional Michigan-Chicago game for Thanksgiving day on Marshall field. Wisconsin will have the Thanksgiving date, this being the result of John Fisher's diplomacy in breaking the boycott. Chicago and Wisconsin will play on Marshall field next Thanksgiving, thus giving Wisconsin a most important place in the eyes of the western football public and a big financial gain.

The Northwestern game, which, as of old is expected to be a big contest hereafter, will be played on Shepard field in Evanston, according to the contract. The contract for the Penn game was made when Chicago agreed to go to Philadelphia this fall. It was in accordance with Stagg's policy not to play an eastern team refusing to give a return game.

So many games in the past season proved to be "big" that the maroon season was disastrous, and consequently Coach Stagg has made a much lighter schedule. It is possible that he will not take on another eastern game.

## A Correction

Professor Barton of the University of Illinois has written to the Illini a communication correcting the statement that Chicago had been justified by the conference in its playing of Atwood. Following is the communication:

The Illini of December 3d makes the statement that the Conference of Faculty representatives lately held in Chicago upheld the contention of Chicago University that Atwood was eligible under existing rules. It is stated "the Conference voted that under the present rules Atwood was eligible."

This is a complete reversal of the facts. First, no vote was taken as to whether the interpretation of Chicago University was correct. Secondly, in conversation with the various members of the conference, I found no one who did not consider that the interpretation was erroneous. To guard against any repetition of such interpretation, the rule was amended so there could be no possible question as to its meaning.

HERBERT J. BARTON.

## Republican College League

The convention of the Republican college league of America was held last Friday and Saturday at the Hotel Walton. The convention was attended by about one hundred young men from nearly as many institutions, representing the republican clubs of their respective colleges. These clubs, it will be remembered, sprang into existence during the campaign between Harrison and Cleveland in '92 and were then independent organizations. The organization into a league has been accomplished since largely through the efforts of Davis, Wurzer and Whitney, who were respectfully the president, secretary and campaign manager during the past year.

At the meeting on Friday the campaign manager read the report of the league's standing, and also several letters from the chairmen of state committees, complimenting the students on their campaign.

Resolutions endorsing the McKinley administration and the policy of territorial and commercial expansion were adopted before the convention adjourned.

The convention ended on Saturday morning, when the officers for the next two years were chosen.

The next convention will probably be held in Cleveland.—The Pennsylvanian.

## ATHLETIC MEETING

Amendment Proposed to the Constitution  
of the Athletic Union—Will be  
Voted on Tonight

A special meeting of the Athletic Union was called to order at Close Hall, Tuesday evening at 6:40 by President G. W. Egan. The following amendment to the constitution was proposed by the President of the union:

Amendment to Article IV. Substituted for section ten of the same and repealing all sections and parts of sections in opposition to this amendment.

Section 10 as Amended.  
Only those persons are qualified to vote at the meetings of the Athletic Union who are members of the Union and who have paid into the Treasury the Constitutional dues and fees of the said Union or who are recognized members of some Athletic team of the university of Iowa. The membership of each individual on the athletic team shall be determined by the director of Physical Training.

Section 11. All sections and parts of section 10 as amended are hereby repealed.

The amendment will be voted upon at a special meeting of the union called for 6:30 this evening at Close Hall. On account of the limited number of members of the union, it is important that all who do hold tickets of membership be present at the meeting.

## IMPORTANT NOTICES

Iowa City, Dec. 10, 1900.

### Course in Child Study

During the winter term a course in Child Study will be given by Dr Frederick E. Bolton, assistant Professor of Pedagogy. The class will meet on Saturdays from 9 to 11 a. m. This time is selected for the purpose of enabling teachers, who may desire to avail themselves of the opportunity, to attend the lectures.

The course will include (1) a general consideration of the meaning, methods and scope of child study; (2) a survey of the history of the development of the subject; (3) a careful study of literature; (4) a discussion of some of the special methods employed; (5) the value of child study to teachers and parents; (6) the bearing of child study upon pedagogy; (7) the assignment of an easy problem for independent investigation to those who desire and have the opportunity to pursue it.

J. J. MCCONNELL,  
Professor of Pedagogy.

## Eldora Claims Championship

The following news item from the special correspondence of the Cedar Rapids Republican, is respectfully referred to Mr Caspar Whitney, editor of Outing.

Eldora, Dec. 7.—Special: Eldora and Eagle Grove played a game of football at the latter place today. The score stood 21 to 0 in Eldora's favor. The game was for a \$100 side and gate receipts. The team here is now ready to meet any amateur organization in Iowa.

## "Biffy" Lea May Leave

It is unlikely that "Biffy" Lea will return to coach Michigan players next year. While on the way to the field Saturday he said to Kelly, the big guard:

"Well, you fellows ought to have a pretty good team next year. Most of you are coming back."

The way he said "you fellows" was suspicious. He was asked if he was not also coming back.

"No," he said, "my father is getting aged and I must attend to the business more. It is about time that I quit coaching, anyway. Of course, I may run up from Virginia to help Princeton for a week or so each season, but I am going to quit it as season's work. I like Michigan's spirit and I will see that she is supplied with a good coach. In fact, I will do all I can to help her in any way."

This rather definite position will be received with regret at Ann Arbor. While Lea receives the big salary of \$3,500 for two months' work, he is worth it. There is no knocking on him among the student body, except by a few who can't help knock. The students realize that with two exceptions the 'varsity team is made up of the rejected material of last year and the season has been very successful, considering what he had to start with—U. of M. Daily.

## ASSOCIATION NOTES

The Intercollegian, the Official Organ of  
the Student Y. M. C. A. Gives  
Some Interesting College

Successful mission study classes at Rush Medical College of Physicians and Surgeons, Chicago, are following Mott's book.

Shurtleff college, at Upper Alton, Ill., with a total attendance of only one hundred and seventy-five, has fourteen volunteers for foreign missions.

The students department of the Chicago Young Men's Christian Association has given a missionary library to the Association at Jaffna, college, Ceylon.

One hundred students at Michigan Agricultural college are enrolled in the Association Bible class. The cycle of the student department is being used.

McMinnville college, McMinnville, Oregon, has adopted the four year bible study of the student department as a required curriculum study for each student.

At Drew Theological Seminary a mission study class of fifty follows Mott's book. Eight volunteer declaration cards have been signed since the opening of the term.

At Syracuse university the class for missionary study this year is the largest in the history of the university. It numbers thirty-five and more are being added continually.

The Swiss Summer Conference was held at Sainte-Croix, in the Jura, September 17 to 20. Eighty students and twenty-three missionaries, professors, and pastors attended.

Seventy-three, or nearly one-half of the number of members of the South African Student Volunteer Missionary Union, are at work in mission field.

For the first time at Susquehanna university the cycle of bible study is being used. A class of fifteen is using Sharman's course. A mission study class of the same size is using Mr Mott's book.

A bible class, using Sallmon's "Studies of the Life of Christ" has been started in St Paul's Institute at Tarsus, Asia Minor. Another class will soon be started to use his "Studies in the Life of Paul."

The library authorities of Adelbert college, Cleveland, have allowed the bible committee to remove the books used for reference in the classes, to the association building for fitting up a bible study room.

**The Track Team**

On Saturday afternoon at 2  
 o'clock, Captain Brown will in-  
 augurate the first of the weekly  
 cross country runs which the track  
 team will make this winter. The  
 run will start from the Y. M. C. A.  
 building. For costume, old clothes,  
 and any old heavy shoes will be  
 worn. The first run will not be  
 long or fast. The runs will be  
 held every Saturday afternoon  
 when the weather permits, i. e.  
 when the thermometer is not be-  
 low zero, wind, rain, snow, or mud  
 will not interfere with the runs.

It is important that all members  
 of the team and all old and new  
 candidates appear regularly for  
 these runs. They are intended to  
 get the men in good condition dur-  
 ing the winter term and keep them  
 so until the weather will permit  
 outdoor track work. As the uni-  
 versity has no gymnasium in which  
 the crndidates can train, the im-  
 portance of every man's appearing  
 promptly and regularly for these  
 cross country runs can is evi-  
 dent.

The schedule, when completed,  
 will probably contain three dual  
 meets, besides the State Meet in  
 Des Moines on May 21, and the In-  
 tercollegiate meet in Chicago on  
 June 1st. On May 11th the team  
 will meet Northwestern at Evans-  
 ton. Minnesota will be given the  
 opportunity to schedule a date at  
 Iowa City, as the meet scheduled  
 last year was declared off on ac-  
 count of bad weather. The regu-  
 lar dual meet with Grinnell will  
 take place at Iowa City.

Don't forget the Athletic Union  
 Meeting at Close Hall tonight.

Harvard's financial statement of athletics, which is doubtless representative, shows the net profits from football last season were \$42,269, making good the deficit in other branches of sport, enabling the expenditure of more than \$20,000 in permanent improvements, and leaving a net balance for the year of \$26,500. Baseball cleared \$3,450 and tennis and lacrosse came out slightly ahead.
