MICHI8AN-\EWA GAME

Michigan will meet Iowa in football in Chicago next Saturday. As this is a personal game, there will be no bets made. The negotiations for this game were begun in November when the managers met during the week prior to the Detroit game. In the weeks following steps were taken to obtain the consent of the Chicago Athletic Association, and the friends of the two state universities. The plan was finally adopted, and on December 21st at a meeting of representatives of the football teams, the management of Amherst and Oberlin, it was agreed by acclamation to accept the match, which had previously been arranged by a committee of the football teams of the two states.

It will be the first clash of the teams of the universities of Michigan and Iowa in the history of the game. Michigan is the only university of Indiana to have played at Chicago, and will probably have the best team that has played against the University of Iowa in the history of football. Michigan will have the advantage of playing on the home ground.

The game will be played on the 15th of January, at 2 p.m., and the admission will be fifty cents.
