College associations

John C. Pratt, 5th Secretary of the College of Liberal Arts, has written a report on the work among the College associations.

Next Saturday, April 30, will be the closing date for the College associations report, and it is expected that the reports will be in the hands of the college officials by the first of May.

The purpose of the College associations is to bring the students of the college together and to provide a means for the students to express their views and opinions on various topics.

The College associations are divided into four groups:

1. The Undergraduate Association
2. The Graduate Association
3. The Alumni Association
4. The Faculty Association

Each group has their own officers and meeting times, and their meetings are open to all students.

The reports from the College associations will be presented at the next meeting of the college officials, and the results will be made known to the students.

Salute to the Varsity

Next Saturday morning, at 10 o'clock, the varsity will meet in the gymnasium for the purpose of selecting the varsity team for the upcoming games.

The varsity team will be chosen by the head coach, and the members of the team will be announced at the meeting.

The Varsity team will consist of the best players from each of the college associations, and they will be chosen based on their performance in the recent games.

The Varsity team will play against other college teams, and the games will be held at the college gymnasium.

The varsity team will be the pride of the college, and they will represent the college in all collegiate sports.

The varsity team will be led by their captain, who will be chosen by the team members.

The captain will be responsible for the team's performance and will be the leader on and off the court.

The varsity team will be invited to attend all college events, and they will be the center of attention at all college functions.

The varsity team will be the pride of the college, and they will represent the college in all collegiate sports.

The varsity team will be led by their captain, who will be chosen by the team members.

The captain will be responsible for the team's performance and will be the leader on and off the court.
