The atmosphere that makes Ford
President Hoilhy of Yale made a speech, non-political address at
Boston Sunday before last in which he said that truth must be recognized
by public sentiment or there will be an emperor in Washington. In
twenty-five years. The Colur Regides Republican-days at this and
the idea that there is such a cabinet of the nation than the
President of the party to sit on in the Philippines.

The master is in easy quarters. President Burnham of Cornell uni-
versity went up and down the land in the last political campaign
making statements in political speeches that have been disposed
of with every authority from the com-

merilent of Oregon to the Philippines
prevailed.

Yet the Republican

A SHARP CRITIC

say that the most charming and original art in the city is that of Mrs. Dally, the artist who always absolutely faithless, in the battle between beauty and truth, to the latter. The scenes are the passion of the beasts (for the sake of the business). It is true that we assure you of your fair dame.
