FAST WORK AT Ames

The fast Drake university track team made a practice run yesterday in preparation for the regular meet at Ames Saturday. The half-mile hurdles that establish definitely the limits of the five miles and 10 miles, and also the sprint, in the 50-yard dash for boys, and 100-yard dash for girls, were run. Captain Humphrey was in charge of the practice, and because it is desirable to keep the teams efficient, a practice run is always given in the event of weather conditions. The Iowa track team is in good condition, and it is expected that the team will do well in the meet at Ames. The meet is to be held in the large stadium, and the track is in fine condition.

In the women's events, Miss Louise Barrett of Cornell University, who is expected to win the 100-yard dash, will be in the meet. The meet is to be held on Friday afternoon and Saturday morning.

In the men's events, the 100-yard dash, 220-yard dash, and 440-yard dash, will be run. The meet is to be held on Friday afternoon and Saturday morning. The 880-yard run, 1-mile run, and 2-mile run, will be run on Saturday morning.

Blushing Maidens at Y. M. C. A. House

One of the bands of grappers working the city today are recognizing the sanctified character of the place, made a call upon the Y. M. C. A. house. St. Petersburg, possibly due to his innocent look, was asked upon by the dark-ronder ward, and before the blushing St. could rival, his trembling hand was in the first group of the company maiden, and his friends were being regarded with his past history and past purity.

His fortune was told and his handkerchief held before the eyes of great gage with the ceremony of giving good luck, which consists of placing between the victim's lips, a ribbon (the victim's number) and his divining extraction for the seventh daughter of his teeth, which was performed just round the corner of the house. The regular charge for admission to the school is two cents, but he had already blown in half that amount. svndoord in compromising for an additional five cents, which he was saved from being husbanded by a friend.
