Amherst college has published her football schedule for next fall.

For the last 6 years in a row, Amherst has defeated the state field.

It pays to have some made by G. A. Spalding & Bros. incorporates.

The last of the series of dances given by the class of 1900, Alumnus's orchestra from Oakland has been secured. From the story, which has been played in the city the committee have selected which has given entire satisfaction for every occasion but which has not been heard frequently enough to serve old. Enough of some class has characterized the class dance and the selection of this orchestra has been most happy. The senior boy is always one of the most pleasant

party of the year and from the number of out of city people who will be present and the arrangements which have been made coupled with the desire to make the last function of the present senior class rival any class function which has been given, there is every indication that it will be especially this year.
