Dean Young Receives.
The reception tendered by Dean Young to the university's lady friends, at the dedication of the girl's reception room, was a success. The guests began to arrive at 4 o'clock and were met at the door of the parlor by four girls who received their cards. Misses Ida Hurd, Karen Mac Lean, Edna Mingus, and Miss Ula Swartz were the guests of honor. When the guests had all arrived, Miss Young in a short address spoke appropriately in dedicating the new room. She also spoke on the duties of the college girl and suggested early hours. Pres. MacLean then gave a most appreciated address on "Co-Education." In honor of this reception and dedication the two waves for the new building for the first time today.

Simpson-Des Moines.
While Drake University was only able to score 20 points, Des Moines college outscored them three goals to one. In the first half, the Des Moines men were so fast and energetic that the entire team was heavy and their game was marred only by frequent fumbling. They called the Des Moines men at every point of the game and only when the Des Moines game was the better was able to gain the necessary five yards.

Class Memorial.
The class memorial which was ordered last spring by the class of '93, has been finished and has been accepted by the committee. It consists of a life size statue of Dean Young said to be perfect. The place selected for its location is in the new hall of the college. Before taking the main entrance and just at the doors leading to the ladies' reception room. It was placed in this location yesterday.

Grinnell-Drake.
Grinnell and Drake will play the foot-ball game at Base-ball Park in Des Moines this evening. The teams were men in superior in weight but will hardly be able to play the fast, snappy ball which Grinnell always plays. Coast Best, of Drake, is quoted as saying that the lack of weight at Grinnell will be offset by their fast playing. As a matter of fact both teams are reasonably confident of victory.

Iowa Bests Normal in Close Game.
IOWA'S DEFENSE VERY WEAK

Teachers in Condition-Iowa's Left Fauterrupted as announced by Normal's Tandems.

"Will we win, Percy?"
"Why, of course we will, Clara. Clem Seerley would never face his father this evening if we didn't." But his father graduated here at Iowa City. What would he say if Clem made Iowa lose?"

"I suppose he'd be mighty proud of me. He'll give Clem a ride on our shoulders clear up to the old man's porch if we win, and we'll have a mighty hot time up on the hill, I tell you!"

"Well, I just know I'll cry if we don't. Hurrah! There she goes. Yeager and Butter and Wolf and the Jones and all the rest." And there's Edison and Professor Affleck, too. Hurrah for the purple and gold, girls!"

And all the roar of the six hundred Normal roosters and the thousand Hawkeyes shouters joined in the huzza of welcome to the veteran Normal football team and later raised the thunderous applause that greeted the appearance of the Iowa eleven on the new field this afternoon.

Both teams ran well, fought long for a bit, while the spectators admired their smooth work and admired the new field, one of the best in the west, the commodious grandstand and all the other evidences of material prosperity displayed by the university athletic management at the opening of the 1901 football season.

After the teams had worked over the new grass long enough to become accustomed to it and to work off the nervousness that comes with the first game of the season, the officials called Captains Williams and Yeager together to throw over the rules of the game and the coin, the teams lined up for off the defense and offense. The Missionary warrior booted the pigskin high in the clear, October air, and the first game of the year for Iowa, the dedicatory game of the new athletic field, was on.

Terrell kicked off at 4 o'clock to Seerly on the Normal's 15 yard line. The Normal men were superior in weight but will hardly be able to play the fast, snappy ball which Grinnell always plays. Coast Best, of Drake, is quoted as saying that the lack of weight at Grinnell will be offset by their fast playing. As a matter of fact both teams are reasonably confident of victory.

A hard working line of scrubs, today meet Coe College at Cedar Rapids. Whether they come back with a victory, or whether they lose the game, they are still desiring of nothing but praise from the student body. The second team men are putting in time and working hard for the university. All honor to the sworn.

The Daily Iowan was pleased to announce that W. H. Bremmer, of the firm of Bremner & Shuler, is a candidate for city solicitor of Des Moines. While an undergraduate "Billy" took a leading part in every branch of student activity, being president of Irving Institute in '90, playing end and halfback on the foot-ball teams of '90, '91, '92 and managing the 94 team. As an alumnus, his interest in his alma mater has remained unabated. He has been Iowa's member of the State Games Com- mittee for several years and chairman of the executive committee for the last two state meets. For two years he has represented the alumni on the board of athletic control. There is no one whose success would be more gladly hailed by the students and alumni than "Billy" Bremmer, and there is no one whom it would come more deservedly.

From the Mourners' Bench.

There is no truth in the persistent announcement of the subsidized local press of the city in the statement that "the Commercial Club has endorsed football and the football management and has donated $20 to help it along." The facts are that the Commercial Club decided, at a recent meeting, to spend $20 this fall in advertising Iowa City on the dates that football games are to be played here. Our authorities for this latter statement are the men who voted understandingly on the motion. This is here explained because of criticisms on the action of the club which have found their source in the false statements that have been printed concerning the matter.—Iowa City Republican.

Season Tickets.

A great number of the season tickets to the football games have been sold. They are proving very popular, as the holder of one will be admitted to the games on an average of thirty-three and a half cents, when otherwise he would pay one dollar for one of them. They will be on sale for a short time only and should be procured at once by all, that have not done so. They can be had today at the ticket stand.
