FORENSIC SOCIETIES.

Creditable Programs Given by the Several Societies in their Respectivae Halls.

IRVING.

The second program of Irving was rendered last evening before a very good audience. The oration of the evening was delivered by D. H. Fitzpatrick on "Napoleon." "Schake and Aguers" was the title of a humorous recitation by W. L. Baughn. Messrs Johnson and Medin succeeded in establishing the affirmative of the following question: "Would United States be justified in interfering between the British and Boers." Henry and Berryhill upheld the negative. Pratt gave a speech and Berryhill closed the program with a dialect recitation. Good music was furnished before and after the program.

ZETAGATHIAN.

Music
Oration, "Livingstone in Africa," Anderson.
Recitation, "The Rivals," Bedford.
Debate: "Resolved: That the negro population of the United States is a detriment to it."
Affirmative, Rich and Cory; Negative, Jones and Storck.
Oration, "The Moral Agitator," Mahaffy.
Recitation, "Lasca," C. Dykstra.
The decision was for the affirmative.

The program was good and merited the good attendance accorded.

ERODELPHIAN.

The Erodolphians will give their initial program tonight in Irving-Erodolphian hall. It will consist of delamations by Misses Helen Carder and Ethel Elliott; orations by Misses Mable Smith and McLaughlin, and a debate on the question of women's clubs, which will be affirmed by Misses Genevieve Murphy and Frances Gardner and denied by Misses Ula Dalton and Edna Mingus. Some very select music will be rendered during the program. All are cordially invited.

PHILOMATHEAN.

Philo gave a program last evening which deserved a better attendance than was accorded it. It consisted of two entertaining declamations by Swartz and Roberts; a speech by Albert; and a debate on the question: "Resolved, that there should be National Laws passed to restrict Anarchy in the United States." Kirby and Johnson affirmed and Pome and Hansen denied the question. The affirmatives were fortunate in receiving the unanimous decision of the judges.

The Northeastern Teachers' association will hold their next meeting on October 18, at Cedar Rapids. Professor T. H. MacBride will address the meeting on the subject of "Sunflowers" instead of President George E. MacLean, who is unable to be present.

Dean Young Receives.

The reception tendered by Dean Young to the university's lady friends, at the dedication of the girl's reception room, was a success. The guests began to arrive at 2:30 and were met at the door of the parlor by four girls who received their cards. The Misses Raney and MacLean were the guests of honor. When the guests had all arrived, Miss Young in a short address spoke appropriately in dedicating the new room. She also spoke on the duties of the college girl and suggested early hours. Pres MacLean then gave a most appreciated address on "Co-Education." In honor of this reception and dedication the flag waves over the new building for the first time today.

Simpson-Des Moines.

While Drake University was only able to score 29 points against Des Moines college one week since, yet Friday, Simpson, under the able tutorship of ex-Captain "Red" Griffith, piled up 35 counts, crediting Des Moines college with a zero.

The Simpson team was heavy and their game was marred only by frequent fumbling. They excelled the Des Moines men at every point of the game and only once during the game was the latter team able to gain the necessary five yards.

Class Memorial.

The class memorial which was ordered last spring by the class of '01, has been finished and has been accepted by the committee. It consists of a life size statue of Sophocles and is said to be very perfect. The place selected for its location is in the new hall of the Liberal Arts building near the main entrance and just at the doors leading to the ladies' reception room. It was placed in this location yesterday.

Grinnell-Drake.

Grinnell and Drake will play football by electric light at Baseball Park in Des Moines this evening. The Drake men are superior in weight but will hardly be able to play the fast, snappy ball which Grinnell always plays. Coast Best, of Drake, is quoted as saying that the lack of weight at Grinnell will be offset by their fast playing. As a matter of fact both teams are reasonably confident of victory.

Dr. J. P. Mullin has been appointed demonstrator in anatomy in the college of medicine.

Imo Moline will lead the Y. M. C. A. tomorrow. The topic for study is "Christian Giving."

C. E. Holbrook, ex '01, received a degree from Leland Stanford, Jr., University last June.

Fred Gleason, L '01, who is now manager of a box factory in Davenport, is in town for today's game.

IOWA BESTS NORMAL IN CLOSE GAME

IOWA'S DEFENSE VERY WEAK

Teachers in Better Condition--Iowa's Left Punctured for Large Gains by Normal's Tandems.

"Will we win, Percy?"
"Why, of course we will, Clara. Clem Seerley wouldn't dare to face his father this evening if we didn't."

"But his father graduated here at Iowa City. What would he say if Clem made Iowa lose?"

"I suppose he'd be mighty proud of him. We'll give Clem a ride on our shoulders clear up to the old man's porch if we win, and we'll have a mighty hot time up on the hill, I'll tell you."

"Well, I just know I'll cry if we don't. Hurrah! There they come, Yeager and Wallace and Wolf and the Jones and all the rest. And there is Edson and Professor Affleck, too. Hurrah for the purple and gold, girls!"

And all the rest of the three hundred Normal rooters and the thousand Hawkeye shouters joined in the huzza of welcome to the veteran Normal football team and later raised the thunderous applause that greeted the appearance of the Iowa eleven on the new field this afternoon.

Both teams ran signals for a bit while the spectators admired their smooth work and admired the new field, one of the best in the west, the commodious grandstand and all the other evidences of material prosperity displayed by the university athletic management at the opening of the 1901 football season.

After the teams had worked over the new grass long enough to become accustomed to it and to work off the nervousness that comes with the first games of the season, the officials called Captains Williams and Yeager together to pow-wow over the flipping of a coin, the teams lined up for offense and defence, a tall lanky warrior booted the pigskin high in the clear, October air, and the first game of the year for Iowa, the dedicatory game of the new athletic field, was on.

Terrell kicked off at 3 o'clock to Seerly on the Normal's 15 yard line. Seerly returned 8 yards. One tandem play and one full-back smash was played by Normal when Hollenbeck got the ball on a fluke. In swift downs by end runs and back smashes, Iowa went to the Normal's goal and after three minutes play, Terrell crossed the goal line. Terrell kicked goal.

The Normal kicked off to Weiland who returned fifteen yards on the tandem run-back. On a flying end play, Terrell and Weiland made fifteen yards on a double play. After seven minutes play Smith went over the goal line on a guard's back play. Terrell missed goal. Score, Iowa 11; Normal 0. After advancing the ball to the center of the field, Iowa was forced to punt. Briggs passed the ball over William's

head, and Williams fell on the ball 20 yards back on Iowa's 15 yard line.

Buckley and Terrell made big gains through the Normal's line and the ball went rapidly down the field. The normal could not hold as well as the scrubs when Iowa's formations were started perfectly. Occasionally there was a miss and the ball went to the third down. On the Normal's 5-yard line Briggs fumbled in passing and the Normal got the ball. After 10-yard gain around the end Iowa held at the east end of the field and the full back kicked to Williams in the center of the field. Williams made a touchdown through the entire line aided by fine interference. Terrell missed goal. Score, Iowa 16, Normal 0.

The Normal kicked to Iowa's 10 yard line. Iowa advanced down the field by close massing in the back and tandem line plays. On the Normal's 20 yard line, Iowa fumbled to the Normal. Herbert and Siberts tackled for two losses, and the Normal kicked to Terrell at center of the field. Terrell misjudged and Williams fell on the ball on Iowa's 50 yard line. On the Normal's 50 yard line, Iowa was held for downs. Jones, the Indian fullback, kicked, after but one yard was gained in two downs, to Williams, who returned to the center of the field. Time was called. Score, first half; Iowa 16, Normal 0.

Sioux Jones began the second half by kicking short to Briggs. Williams attempted a quarterback kick but Iowa's ends did not block and the Normal took the ball on Iowa's 40 yard line. Seerley tried a place kick on Iowa's 35 yard line which Siberts blocked. Kicks were then frequent, Iowa losing power to gain, and the Normal increasing in offensive ability.

Both sides were frequently penalized. The Normal gained twice with the Iowa tandem play, introduced into the teachers' system by Edson.

The Normal went through Herbert and Hollenbeck for repeated gains with the tandem play. Briggs and Buckley did not get into the defense and the two men on Iowa's left flank could not hold the Normal's rushes.

The Teachers are in much better physical condition than the Hawkeyes.

The game ended with the ball in the teachers' possession on their 35-yard line. Final score, Iowa 16, Normal 0.

A hard working line of scrubs, today meet Coe College at Cedar Rapids. Whether they come back with a victory, or whether they lose the game, they are still deserving of nothing but praise from the student body. The second team men are putting in time and working hard for the university. All honor to the scrubs.

THE DAILY IOWAN was pleased to announce that W. H. Bremner, of the firm of Bremner & Shuler, is a candidate for city solicitor of Des Moines. While an undergraduate "Billy" took a leading part in every branch of student activity, being president of Irving Institute in '90, playing end and halfback on the foot-ball teams of '89, '90, '93 and managing the '94 team. As an alumnus, his interest in his alma mater has remained unabated. He has been Iowa's member of the State Games Committee for several years and chairman of the executive committee for the last two state meets. For two years he has represented the alumni on the board of athletic control. There is no one whose success would be more gladly hailed by the students and alumni than "Billy" Bremner's, and there is no one to whom it would come more deservedly.

The "Ambrosia" 5 cent cigars are new in this locality, but they have been on the market east, continuously for 38 years, which is proof that they suit the smoker.

The subject to be studied at the regular Y. M. C. A. meeting Sunday will be: "The Relation of the College Man to the World." Addresses will be given by Graham and Hollenbeck.

Luxford, ex-'03, is running for county superintendent of Shelby county.

From the Mourners' Bench.

There is no truth in the persistent announcement of the subsidized local press of the city in the statement that "the Commercial club has endorsed football and the football management and has donated \$50 to help it along." The facts are that the Commercial club decided, at a recent meeting, to spend \$50 this fall in advertising Iowa City on the dates that football games are to be played here. Our authorities for this latter statement are the men who voted understandingly on the motion. This is here explained because of criticisms on the action of the club which have found their source in the false statements that have been printed concerning the matter.—Iowa City Republican.

Season Tickets.

A great number of the season tickets to the football games have been sold. They are proving very popular, as the holder of one will be admitted to the games on an average of thirty-three and a third cents. when otherwise he would pay one dollar for one of them. They will be on sale for a short time only and should be procured at once by all that have not done so. They can be had today at the ticket stand.
