FRESHMAN MEET.

OCHILTREE MADE PRESIDENT.

After Slight Scrap with Juniors Freshman Laws Organize for the Present Year.

After a friendly struggle between the Sophomore and Freshman classes for the possession of the law lecture room, the Freshmen having triumphed, effected a class organization for the year. The names of Messrs. Ochiltree, Head, Willett and Grinsted were presented as candidates for the office of president. The candidates were called upon for speeches, to which they responded fittingly, after which an informal ballot was taken. No candidate received a majority of votes but Messrs. Ochiltree and Head were easily the favorites. On the next formal ballot, Clyde Ochiltree, of Morning Sun, Iowa, received a majority vote and was declared elected. Robert Law, of Independence, was elected vice-president, while B. C. Raman was then elected vice-president by acclamation. Merritt Brackett, of Iowa City, and Alfred Remley, of Arnottas, were chosen secretary and treasurer respectively. R. C. Williams was elected delegate of the class to the general convention and treasurer respectively. R. McVey, sophomore, was elected as captain, and treasurer respectively. R. McVey, sophomore, was elected as captain, and treasurer respectively.

THE UNIVERSITIES AGREE.

Michigan and Northwestern Universities Settle their Difficulties—Hollister Expects Close Game.

The Northwestern controversy which has been the subject of discussion for some time now was brought to a close yesterday. The Men's Northwestern class has decided to drop the Michigan. Michigan and Northwestern have agreed to play a football game this afternoon. Coach Hollister says Ann Arbor will probably have to work hard in the effort to pick tomorrow's team, the line-up of which it will not be unannounced until the men are up for the gridiron tomorrow afternoon.

ARMOR TAKES STAND.

Archer Takes Stand against Michigan and Northwestern. While the whole controversy is still in its infancy, the majority of the prominent members of the Michigan and Northwestern classes are in favor of the game. It is highly probable that the other prominent members of both classes will give their support to the game. The game is expected to be played at three o'clock and is expected to last for about two hours. The game is expected to be played at three o'clock and is expected to last for about two hours.

The freshmen seem to be unable to select a president from among their number. Can't some un-preposing sophomore sacrifice himself for the good of the cause?

True, Nebraska did not win from Minnesota but the number that accompanied the team to Minneapolis evinces a loyal spirit which is good to contemplate. A low rate will be secured to the Minnesota-Iowa game and the crowd which accompanies the team should be the largest ever sent abroad to cheer for Old Gold.

Why are university exercises suspended tomorrow afternoon? So that everyone, both faculty and students, may attend the game and not only to attend the game, but to lift up their voices with shouts of encouragement to the wearers of old gold. Let us lay aside all timidity tomorrow and get into the game with some systematic rooting and not only support the team in this game, but get into practice for future contests.
