ILLINI PLAY HAWKEYES

GREAT GAME HERE TOMORROW

IOWA MAN TO BE HONORED.

Fellow in Sociology to succeed J. D. Stout as President of Illinois Women's Institute. (Appointed to The Daily Iowan.)

CHAMPAIGN, Ill., Nov. 8.--

Fairly confident of victory over Iowa tomorrow, the Illinois team left Champaign over the Big Four this morning. The team was cheered in its departure by a large crowd of students. Rooters accompanied the team with money to bet, provided slight odds can be obtained. The reports from Iowa City that the university, was all broken up over Captain Williams disharmony from the team. He was characterized as not so much dishonest as in line-up but it is hoped that he will be able to play tomorrow.

A fast practice on Illinois field was held at eight o'clock this morning. Professor Jones was told of the The object of the meeting was to take action and lay plans in regard to common expressions. Steps will be taken to have these two organization permanently united.

Mr. J. E. Connor, fellow in sociology, has been elected president of the Illinois Women's Institute, president of Iowa Falls. Illinois college is an institution founded largely through the benevolence of the benefactor for whom it is named. It has a small attendance and a good field for work, largely in the preparatory and first college years. It desires a lively, aesthetic head who will stimulate and broaden the institution and popularize it with the people of its community. Its choice for president was made some time ago, but has been withheld from announcement until final official action should be taken.

Mr. Connor is a graduate of the University of Iowa, class of '93, and later, a student in post-graduate course in Yale. He has been for the past two years scholar and fellow in the School of Political Science. President Stout, his predecessor at Ellsworth, resigned recently, it was announced in dispatches, and left Iowa Falls with another man's weight.

The selection of Mr. Connor for this position is regarded as a fortunate one, as he is a man eminently qualified for the position, having had the experience that fits him for the duties that will devolve upon him.

The Iowa Practice.

Practice on Iowa field was light, the varsity being now in perfect condition for the Illinois game and needing little practice to keep it up to the scratch. After half an hour's bright, active signal practice the team was formed every way as has been shown on Iowa field this season. Coach Krupke started games of "Lea" and "Three-deep" for the balance of the practice. Captain Williams was on the field in his uniform and contributed much to the good spirits of the men by his presence and coaching.

Official Rooters.

At the coming of the balhools for y'ells masters last night it was found that G. E. Emery, F. H. Hinkel and Morris Glidden, of the class of '03, Ward -Henry, '03, R. F. Bannister, L. '03, and Biggs, D. '03, were elected. Over forty-four votes were cast.

Miss Helen Gould has again shown her interest in the Valet College. Some time ago she presented the school with two scholarships, now she has invested $500 in the college. They are both held for the benefit of the school and are to be taken at Iowa Falls where Miss Gould has her summer home. --Cleveland Plain Dealer.

Illinois astonished the western football world two weeks ago by winning from Chicago University, 44 to 0.

This is the largest game to be played at Iowa City, and the most important game of the season to be played west of Chicago.

And its result will go far toward deciding the western Championship.

A one and one-third fare round trip rate to Iowa City from all points within seventy-five miles radius has been granted by the C. R. I. & P. and B. C. R. & N. railroads.
