FIVE TOUCHDOWNS AND TWO GOALS TELL STORY.

Every Illini Carried the Ball 'O Creed. Goals — Illinoises Hold Only Gain Through Fairweather to Buckner Stars. Hawkeyes Played.

IOWA CITY, IOWA, SATURDAY, NOVEMBER 9, 1901. No. 3.

ILLINI DEFEAT HAWKEYES; VICTORS SHOW GREAT CLASS.

[Article text about the football game between Illinois and Iowa, including the team's strategies, players' names, and game highlights.]

IOWA GOT TEN YARDS FOR OFFSIDE CALL.

More gains by Clearman, Buck- ley and Bartrick took the ball farther, and by Saturday had carried it across the line. The rooters were calling "touch- down" and the team was playing its game. It was not to be.

The Hawkeyes spared themselves nothing in defense of their goal and at the end of the game were "all in." Watters fainted as he went out of the game on Iowa field. Illinois scored every man successfully to carry the ball, Iowa made a gain, through the line on Illinois' right, the only place she could assail successively. Iowa's failure to carry early in the game may be laid Iowa's failure in-offense. Illini's on-offs were alternated with ease, and the tandem could gain but little. Illinois best play was made at the line and Fairweather to carry the ball from touchdown in line. The line-up:

Brooke's Band Orchestra.

The first number on the lecture course will be given next Mon- day, November 11, Thomas Preston Brooks, the "popular music king," and his troupe of soloists will be the attractions. Mr. Brooks is well and widely known as an orchestra leader and a most clever exponent of popular music, and the lovers of good music well rendered will do well to be present at the opening of the program. Miss Clara Lester, who has achieved great pop- ularity as a vocal soloist, will be with the orchestra this season.

Our popular market, C. Yer- ter, kindly furnished transportation for the S. U. L. delegation for the purpose of seeing the pages of C. A. which meets at Cornell Friday, Saturday and Sunday.

Old and new will be present at Saturday's game with Iowa their team as a whole played their best game that they have played this year.

W. F. Moore, L'01, was a candidate for superintendent in Guthrie county on the republican ticket, was defeated by some thirty-seven votes.

Among the alumni guests at Phi Kappa Pal house are Wm. Larrabee, Jr., Pay McClelland, of Cedar Rapids, Dr. J. Lynn Crawford, of Cedar Rapids, C. J. Stoutman, of Burlington, and Fred Gleason, of Davenport.

John Mason and Billie Lamb of Cedar Rapids, Dickinson Lets of Davenport, D. H. Tratt and G. S. Mannett of Grinnell and mechanisms Bennett are among alumni who are here for theBeta party last night and today's events.

Blanche Walsh's production of "Janice Meredith," said to be magnificently staged and played by a large company of talented actors, will be the attraction at the Opera House on Tuesday, Nov. 3. The Revolution play which made such a notable success in New York last winter, is founded on Paul Lester Ford's great story of the same title, the most successful piece of American fiction published in ten years. Miss Walsh, famous for her impersonation of "La Tosca," "Fedora," "Cleopatra" and "More Than Queen," of course plays the title role. "Janice Meredith" is presented in four weeks by the most faithful stage pictures of the Continental times ever painted.

GRINNELL VS. SIMPSON.

Grinnell Scores Market Improvement and Defeats Methodists 35 to 6.

The plucky little wearers of the scarlet and black defeated "Red" Griffith's team at Grinnell yesterday in a one-sided game by a score of 35 to 6. A large, enthusiastic crowd of Simpson men were present to encourage their heroes, but all to no purpose. The Grinnell team fought like swifter and continually they plunged into Simpson's line for short but regular gains. The team which took the start out of Drake University was not able to hold the Grinnell men for down and slowly, but surely the latter team marched toward their goal. The kicking propensities displayed at the Simpson-Drake game were conspicuous for their absence and when Simpson kicked the ball went high and resulted in big small gains. The Grinnell team showed marked improvement over a week ago and if they continue this rapid improvement they should play Iowa a close game next Saturday.

College of Dentistry.

Dr. A. W. Starling has charge of the junior operative technic work and is giving the juniors a complete course in the proper preparation of cavities and in the use and manipulation of all kinds of filling materials.

The Prosthetic technic for the seniors is conducted by Dr. W. J. Brady. This consists of the different kinds of crowns and bridges used in the dental practice of today. Thus the object of the technic work is to fit the student for performing all operations when he enters the clinic under the able corps of instructors as now provided, the work surpasses that of former years.

A feature which speaks well for the high standard of the work done in this college is the complete line of technic work now performed during the freshman and junior years. The freshmen, under Dr. F. B. James, are first given a thorough training in taking impressions and making models, from which they study the occasion of the teeth, and which is also a basis for the construction of artificial, dentures which is to follow. Dentures both full and partial, of venite and of metal are made by each student.
