A TALE OF VARSITY WOE.

POOR SHOWING IN PRACTICE.

Capt. Williams Plays on Second Team

A Tale

Capt. Williams, who had shown the thirty-five minute practice game on Iowa field yesterday, Capt. Williams played quarterback on the second team and made a touchdown after catching one of Williams' drop kicks that had barely missed the goal. This made the score three against the varsity.

Grinnell comes to Iowa next Saturday with confidence in its ability to show Iowa several things. If it defeats Iowa, the game will be the first Grinnell ever in seven years of hard-fought battles. The record of the Grinnell-Iowa games is as follows:

1894—Iowa 6; Grinnell 0
1895—Iowa 0; Grinnell 25
1896—Iowa 5; Grinnell 5
1897—Iowa 10; Grinnell 7
1898—Iowa 5; Grinnell 5
1899—Iowa 15; Grinnell 25
1900—Iowa 6; Grinnell 2.

The legislature of Illinois, which always seems to be doing curious things, has recently added to the game by passing a law forbidding the colleges and schools that belong to any of the Illinois universities to interfere with the object in the act, lays the Minnesota authorities to let him play providing that they should agree to let him play providing that the Iowa authorities would trade with them for something they desired.

The story is strong and if true gives the Michigan Daily News more than it can do for the game.

Manager McCutchen, who was also present, said that the Michigan-Iowa committee relative to the Thanksgiving day game between these two universities at the west side ball park said:

"Prof. F. S. Jones, chairman of the Michigan committee on athletics, told me yesterday that Williams was ineligible, having played baseball under an assumed name. We investigated, found him clear and sent the eligibility committee to the Minnesota authorities. The time of the game to confer with the Minnesota authorities. On Saturday afternoon, the Minnesota authorities notified us that we played Williams they would protest. Our committee immediately called a meeting and later met the Minnesota committee. In that joint session the statement was made that if Williams was played in the game, they would let him play under protest. The Iowa committee refused to accept any such terms saying that if Clyde Williams was ineligible he should not play. We notified the state school and Iowa decided the only course open to it was to keep Williams out of the game and let the Minnesota college athletic board to restate him. Their action in declaring the game will do to this is what we expected and consequently we are playing without his services."

A newspaper of the most recent power, the University of Minnesota, has said that the organization was from the University of Minnesota, the names of the prime movers have been exposed.

The recent organization of a college fraternity was curious some little trouble at Lawrence University. The name of the organization was from the University of Minnesota, the names of the prime movers have been exposed.

Religious Conference.

The Iowa Conference of Religious Education to be held here on next Saturday and Sunday is in a manner under the auspices of the university and the guests will be entertained by the President and faculty of the university. The meeting will be formally opened by President MacLean, who will deliver the general lecture room of the new hall of liberal arts, at which time President MacLean will deliver the address of welcome. In address to the addresses given by college professors and president, Will H. Davidson, managing editor of the Burlington Hawkeye, will read a paper on "The Influence of Journalism on Character Building." Saturday afternoon.

President George E. MacLean will tender a reception to the visiting delegation at his home Saturday evening, from 5 to 6 o'clock.

Hesperians Entertain.

Last night the Hesperians gave the students a supper at the hands of the Zetagathins. It was a chatting dish party and the refreshments were delicious. Miss Edna Faye '90 played the part of the gypsy and told fortunes to the students as they stood at the door. Most of the members of the society were present and welcomed the new members cordially. Everyone present enjoyed a delightful evening.

Notice.

There will be a meeting of the football managers at the Michigan Union Hall Friday evening at 7 o'clock.

The Zetagathin society have elected Messrs. C. H. Edmundson, E. J. Shanahan and G. E. Coughlin to manage the junior class debate. The Irving Institute will have a special junior sympoium on Friday evening at which the speakers from the west will probably be chosen.

Arrangements have been under way for a meeting towards a meeting of the Berkeley and Princeton teams in California on Christmas day, and also a meeting of Michigan and Leland Stanford on New Year's Day.

If there are any young ladies in the university who are members of the P. E. O., kindly send their names and addresses at once to Mrs. Carl E. Seabrook, secretary Chapter E.

The Drake-Ames football game will take place at Ames Saturday. Coach Hall tells Des Moines starting editors that he is down on his line and is sure to be surprised if Ames should win.

C. C. Johnson, ex-'91, died at his home in Gilbert, Iowa, last Monday, with consumption, from which he suffered much as well as the left school to go to Colorado in an effort to regain his health.

Professor John Gibbons delivered a lecture on "Sir Samuel Morison and the Crimian Law" before Phi Delta Fraternity at their hall on Washington street.
Simpson college plays Penn Saturday, and should get out of the contest just enough practice to keep in trim for the Thanksgiving game with Ames. The question of the Big Four or Big Five is not yet settled, but it seems certain that Simpson is in any leading list that may be framed. As it would be hard to drop either A or Drake from the Big Four, it is likely that hereafter the expression will be enlarged to "Big Five."

Minnesota is to have practice games this week against North Dakota. The North Dakota coach said that men would like a little training under efficient instructors and Dr. Williams agreed to accommodate him. Speaking of Minnesota's practice games is reminiscent of the fact that Minnesota's 1900 team was actually defeated in the first practice game on its regular schedule. In order to save the reputation of the Gophers the defeat was hushed up with an 0 to 0 score.

There is plenty of singing and dancing in "Two Married Men," which will be the attraction for one night at the opera house next Saturday night. "Two Married Men" toured the country last year playing only the larger cities and so has the endorsement of thousands of theatre-goers. It isn't a new play; it has been tried and proved, and as the company this year is better last, Manager Coldren's patrons may expect something somewhere between the average.

Biological Prizes.

Biological students of the university will be interested to learn that the Boston Society of Natural History offers two prizes annually for the best memoirs in English upon some biological subject. The first reward will receive $50, which amount may be increased to $100, at the discretion of the examining committee. The second best paper will receive an amount not exceeding $50. The prizes are open to all students pursuing biological work and any who may be especially interested may obtain full particulars by calling upon Dr. Gilbert L. House, head of the department of Animal Morphology and Physiology.

Professor Jones, of Minnesota, at the meeting of the conference, charged the University of Wisconsin with conspiracy in the Mueller matter. He charges that an alumnus of Wisconsin induced Mueller to enter the fat man's race and finally to accept and write out a receipt for the $5 prize offered and that within a week of Mueller's signing the receipt it was smuggled inside Phil King's strong box.

Major John A. Hull, of the U. S. A., is expected to arrive in Des Moines next Wednesday, for a visit at the home of his parents, Captain and Mrs. J. A. T. Hull, of Forest Drive, Major Hull landed last Thursday in San Francisco after making the journey from Manila where he has been engaged in the United States service.

About forty of the Gopher football squad arrived Tuesday at Sun Prairie, a little place ten miles northeast of Madison and will continue their training there until the game Saturday.
