THE GYMNASIUM
Basketball Game Will Be Played with Fayette College. Other Athletic Excursions

A practice game of basketball will be played Saturday at half past two o'clock. The contest is with Fayette College. The game will be played in the gymnasium and will be of the greatest interest as the team is one of the strongest in the state. They play Col-lege tonight.

The Iowa team is in excellent condition and expects to show as good a form if not better than that which they defeated the Grinnell team. Before the game Baily, Hallay and Rule will enter into the free and sensible review of the season's work. Hammond team is, in the opinion of many of the team and players of the state: of last year and hold another
game. The Hammond team will be played with a kee, Jal).

It is often difficult to see the faults in the play of a team. People generally see the form of the most popular young men of the university are possessed of the "N" sweaters, while they are in the possession of the student who has won his "I" on the football team, and the sweaters of the team are a white "N" on them are just too much for anything," said one for the co-eds, and her remarks were applauded by every girl in hearing - Ex.

The Laws Debate.
The two law forensic societies of the university are to play their play of last year and hold another inter-society debate. The question "Resolved, that history has proven the chief object past the experiment and the experiments of tomorrow."

Wonders of Wireless Telegraphy, Liquid Air, and X-Rays Discussed.

Despite the bad weather quite a large audience listened to W. J. Clark's lecture on the Wonders of Modern Science last night. Interest was probably greater than it was in Clark's lecture on this point of transmitting very strong currents through the atmosphere we will be able to run the meters on the ocean steamer. The lecture, was illustrated throughout with stereopticon views and by experiments. The extreme coldness of the air was shown by freezing different things until they broke like glass. With a Marco instrument it was lighted an extinguished candles.

The student who is clannish and who limits his acquaintance to any set or clique is making a mistake. He is not getting out of his course what he might and will come out in the end with narrow views. The meeting and studying of all classes of men has a broadening influence and the better prepares one for actual affairs.

As has been said, there exists a feeling over the state, among those who are misinformed as to the conditions, that the moral and religious tone at the University is not what it should be. Almost everywhere over the state, in almost every town, there can be first-class suits from those who are uninformed as to now is the time to order your best in the world...

Bargain Harvest
for Shoe Buyers

WE are in the midst of an old-time sacrifice sale of Winter Footwear, a sale that wipes out every penny of profit and digs deep into actual cost. The bargain tables in the front of our store will be heaped to overflowing and such sensational prices will continue to attract a throng of eager buyers. Come early, bring the family. It costs no more to shoe them all here than it does only half the family at the other stores.
