DEDICATION DAY PLANS
RECEPTION TO THE LEGISLATORS

Major Burnett in Charge Assisted by Class Presidents—Time of Meeting of Classes—Order of Procession—Announcement of Various Exercises

The following is announced as the order of the day in connection with the visit of the Governor of the state, U. S. Senator P. Doolittle, the General Assembly, the Board of Regents and other distinguished citizens on Thursday, the twenty-third in January.

The University faculty and corps of instructors are requested to assemble promptly at 10 a.m. on Thursday, the twenty-third in January, in the hall of liberal arts in "column of two," according to rank, the seniors in front.

All the women of the University are requested to assemble in the first floor of the hall of liberal arts at the same time and planta.

All students of the college of liberal arts excepting the unclassified students and the unclassified students are requested to assemble in the same manner at the same time in the basement of the hall of liberal arts. All members of the graduate college are requested to assemble in the same manner at the same time and in the same manner on the second floor of the hall of liberal arts.

All students of the college of medicine and the college of dentistry and college of pharmacy and all unclassified students are requested to assemble in the same manner at the same time (10 a.m.) according to classes and in the order named, on the third floor of the hall of liberal arts. All classes will be divided under the direction of their respective class presidents and the president of the senior class of each college will have charge of the college organization.

It is requested that each class president procure a pennant for his class and that the senior class president of each college also procure one for his own college. The background of each pennant shall be of the color college, viz., white for the college of liberal arts, purple for the college of law, green for the college of medicine and the college of homeopathic medicine, blue for the college of dentistry, olive for the college of pharmacy and scarlet for the graduate college.

The visitors are expected to arrive by special train between 9 and 10 a.m. which will be given as soon as the organizations are formed all bodies will move out under the direction of Dr. J. G. Gichius and take their place in column of two in the following order:

1. The faculty, and corps of instructors
   a. The ladies
   b. The students
   c. The unclassified students
   d. The graduate students
   e. The college of liberal arts
   f. The college of law
   g. The college of medicine
   h. The homeopathic college
   i. The college of dentistry
   j. The college of pharmacy

The unclassified students shall be marched down Clinton street as far as may be deemed necessary and halted and formed into two ranks facing inward by the ranks similar formation being sufficiently for carriages to pass between.

When the head of the battalion reaches the faculty it will be halted and formed into two ranks of officers facing inward, and will be brought to the "present." As the rear of the procession arrives the faculty, instructors and members will close in and all the college will be formed into column of two. The ladies will follow similarly the faculty, and instructors, then will follow the battalion of cadets, then the college of liberal arts, then the college of liberal arts, then the college of law, then the college of liberal arts, then the college of medicine, then the homeopathic college, college of pharmacy, and finally the unclassified students. This order will be strictly adhered to and the various exercises attended to the order in the following order. All students will be seated in the opera house to the order which will be followed by the faculty, instructors and members.

Nobody will be admitted to the opera house except in the order named, and guards will be placed at the doors to enforce this regulation and the authority must be respected by all.

At the conclusion of the exercises in the Opera House, the student bodies will be excused and the visitors will be conducted to the front entrance of the Hall of Liberal Arts for the formal opening, whence they will be taken to the Kirkwood House for luncheon.

At 1 p.m. a reception will be held in the Moumee Drawing Room of the Hall of Liberal Arts. The Governor of Iowa, U. S. Senator Doolittle, President and Mrs. MacLean, the Board of Regents, the mayor of Iowa City, representative citizens, the alumni and the faculty will mingle in receiving the distinguished visitors and all connected with the University and who are interested in its welfare. After the reception the visitors will be escorted in groups through the buildings and grounds about the campus.

This announcement is made on the assumption that the weather will be favorable and in case this should be unfavorable the reception may be held in the basement of the central building, having regard that so much of this program as relates to the procession is rendered useless; upon which several members above are requested to assemble in the opera house by 10:30 a.m. The park will be reserved for the faculty, and corps of instructors and band if they appear as organizations; otherwise, for the College of Liberal Arts.

The governor's salute (17 guns) will be fired by the artillery under the head of the procession approaches the opera house.

The salute to the national flag (21 guns) will be fired as the colors are run up on the staff of the Governor of Iowa.

Both guns will be used in firing the national flag. The guns will fire at intervals of one minute between shots. Captain R. M. Anderson will be in command of the guns.

It is urgently requested that a full representation of the various bodies of the university and the various bodies of the city, and the ladies on this occasion in order that our visitors may form an adequate representative conception of the strength of our institution and that may be thoroughly impressed with the propriety and necessity of promptly providing the essentials for the defense of the flag. It is earnestly desired that no effort be spared on the part of all unions to make the occasion a "red letter day" in the history of the University. The hearty co-operation of faculty, students and citizens alike is cordially solicited.

The marshal will be pleased to explain to the class presidents any matter not fully understood.

Sincerely,
CAPT. GEO. R. BURNETT,
Commanding Corps of Cadets.

Mrs. W. C. E. Pruitt

Amusements

He who laughs shall grow fat, therefore see "Side Tracked at the Opera House, Jan. 22." Julie Walters' tricks is so well known to most theatre goers, that comment on his work as Harriet is almost unnecessary. Mr. Walters promises as a revelation in stage mechanism this season, and a supporting company of unusual excellence, together with speciality features that should prove vastly entertaining.

Lewis Morrison's "Faust" has been played for twenty seasons, or in other words five thousand performances have been given of this classic play. This year's production of Lewis Morrison's version of this play is the most elaborate in costumes, scenery, and electrical effects, vocal and choral music "Faust" has ever been invested with. A talented dramatic author has written a new prologue of remarkable beauty. The electrical effects are new and striking; the scenery all newly painted and the company an exceptionally strong one, as may be seen at the Opera House on Thursday, Jan. 22.

How About Your Feet

Hope they are not worrying you. No man can develop the better part of his nature while his feet ache. Aside from making himself disagreeable to others, he loses considerable of life's sunshine. It gets right by him—he is busy thinking about those feet. Its good business to buy shoes intelligently. The Walk-Over Shoe is the smartest shoe for men on the market. They wear long and look best and they feel broken in from the start. They cost $3.50 and $4.00 and are for sale here—can't get them anywhere else in town—come and see them.
