JACKSON WINS
THE GREAT HONOR

ELECTED EDITOR-IN-CHIEF ON THIRD BALLOT

Jackson State Defeated on All Offices but His. Keen in Business

Miss Morris 5, Burgum 272. Berryhill 43; Wall 11.

The second ballot was for the third highest. Walker's strength, instead of going solidly to Hunt, elected without a dissenting vote.

The total tallied had been formed. And then it really think Jimmy is so much Dixon was elected over Hunt, and... the union rests and has been preserved.

If this is the right candidate, I would follow if the four favorites urging them to run for editor-in-chief and business man.

Jimmy, many friends, and that while he lacked genius this was offset by great balance and wisdom. He was at all times the master of those about him. Comparing Washington with Cromwell and Bonaparte he said that Washington had won his battles because he was on the side of right, and that he did not try to overrun his parliament but set up a kingdom for the benefit of his progeny, nor did he break a heart of a desert island.

The men elected from this year's senior class are: F. G. Henry, R. D. Marsh, W. E. Bell, W. M. Barr and W. M. Edinh. Those elected from the graduate and from the instructural are: J. J. Lamberti, F. A. Strompen and W. E. Beck. Dr. Kitts was elected also, eligible under the work done outside the university within five years. All of those elected were initiated last night except Dr. F. W. Hall. The voting being closed, the last night. Senators P. S. Johnson, Withing, Ridgeway, Jackson, and Cross will enliven the Father of our Country.

Four. Reading: Howell; paper: Farley; Sen. in Reading; Schenk.

The Writers' Club, which met with Miss Rundall last evening, initiated into membership, Miss Jean Macildie, Miss Celestine Jarvis and Mr. C. V. Kent.

The freshmen medics are on a strike today on account of the fact that one of their rooms was recently suspended for a short time.

The executive committee of the Board of the university met yesterday.

IOWA CITY, IOWA

EXTENDS the season... at City Hall.

The exercises tomorrow have a
two-fold purpose. There are two
reasons for the gathering. First, we
wish to be at the university
for the purpose of doing reverence and honor to
the memory of the father of our
country. We also wish to be
of the good that comes from a convocation itself. Two most worthy
reasons and ones which should
be carried into the opera house
together with the standing room.
The day and the exercises
should inspire an inspiration to
every citizen and should fill us with nobler ideals as we commemorate
the memory of George Washington.

But what was the 2d of February?
the convocation itself is of great value to
the university.

In a university, there is a tendency for the different
colleges to drift apart and
for each student's loyalty for the
university to be principally for
his college. Therefore, some means
of bringing the colleges together
and of maintaining a more perfect
unity is necessary. Convocations
are one of the ways of
making the university spirit
stronger.

One method of uniting the college spirit into
one greater variety.

Some of the schemes and methods
that the university would open the eyes of some of the
old politics.

The Daily Iowan feels today that it can express the most
heartfelt sympathy for those who
are tenderly careful of their
left arms.

The surgical clinic in the
homeopathic hospital will be held on
Friday, Feb. 21, at 1:30 p.m.
instead of on the following Saturday.

This change is made
necessary on account of the
holiday declared.

Amusements

Amusement patrons who wish to see an elegant, high grade, first class modern minstrel; performance will have an opportunity at the opera house next Friday, February 26th. When H. Henry's Big Modern Minstrel Aggregation of Fifty all white performers, direct from New York City, will hold the boards. If high praise from the leading press counts, this organization is directly in line with the best of the minstrel class. Seats may be secured at Weineke's store.

Jola Pomeroy, a favorite soubrette star of the Lotta, and MaggieMitchell type, who has been a headliner in vaudeville ever since, will this season resume her dramatic career and will be the feature of the "Coon Hollow" which appears at the opera house next Friday, Feb. 26th. It will be a complete and handsome scenic production with a carefully selected company, a vocal quartette, and a troupe of dancers of more than average ability.

Mr. Walker Whiteside's forthcoming production of the delightful Shakespearean comedy, "The Merchant of Venice", on Wednesday evening will probably call forth the largest audience of the season. Mr. Whiteside will be assisted by Miss Lelia Evart as Bassanio. There is a great revival of interest in this marvelous comedy and Mr. Whiteside's portrayal of Shylock has been as much for his fame as an actor as for his fine impersonation of Hamlet. The production will be a complete one. There will be no advance in prices.

How About Your Feet

Hope they are not annoying you. No man can develop the better part of his character while his feet ache. Aside from making himself disagreeable to others he loses considerable of life's sunshine. It gets right by him—he is busy thinking about those feet. Its good business to buy shoes intelligently. The Walk-Over Shoe is the smartest shoe for men on the market. They wear long and look best and they feel broken in from the start. They cost $2.50 and $4.00 and 25c for soles here can't get them anywhere else in town—come and see them.
