the fact that we have no glee club will make the efforts of this socie­

How About Your Feet

Hope they are not worrying you. No man can develop the better part of his nature while his feet ache. Aside from making himself disagreeable to others he loses considerable of life's sunshine. It gets right by him—he is busy thinking about those feet. Its good business to buy shoes intelligently. The Walk-Over Shoe is the smartest shoe for men on the market. They wear longest and look best and they feel broken in from the start. They cost $3.50 and $4.00 and are for sale here—can't get them anywhere else in town—come and see them.
