FIRST IN BATTING, FIELDING
AND PITCHING

DuBois Stands Second in Batting and
Fielding— The Average to Date
Shown by the University Baseball Men
Are Doing — Iowa, 8, Grinnell 4

Mr. Charles Madison Doe, the
team captain, is practicing
his curves after laboratory hours
for the benefit of the Story
family, who are trying to come
to the advantage of the
varsity's seven games, Doe
leads in batting, fielding,
pitching, and first-string battery
work.

The other pitchers are doing
fines and it is to be remembered
when reading pitching records
that the season is young yet
and that the varsity pitchers have not
had the opportunity to try
their mettle throughout the games.

The pitching is second in bat-
ting and fielding. His stick work
for the past week has been
great. He is a member of the
most difficult position in the infield
given by the fact that the highest percentage
of any of the men. Captain
Story shows up not very well
with the bat and DuBois has been sick.
Van de Steeg is playing a game at second
distance very well. He was at his best
batting average. Shoar shows a
promising bat and first baseman
Burns is doing well in the middle
garden, having bettered his fielding
work and held his batting
in its mark of the week before.

If the 18th is taken as a good
cricket, the handyman will take
advantage of the opening of the season, but three of the varsity's nine can be con-
tinued. The last three games in the
strength of their records thus far
for the last game, DuBois, Coad, who
started out in the opening game of the season with a home run, did not get a hit all last week
and Dye escaped by one hit on Mont-
gomery. He was strong like unto him.

In the following averages, the
promising teams of Yves, Williams,
Way and Cashdall are omitted,
they not being eligible
for the batting averages:

FRATERNITY BASEBALL

Delta Tatt Best Bat 22 to 0— Ophi-
Delta Tatt Best Pitch 22 to 0— Phi-
Phi Delta Game— Final

Score 11 to 5

In spite of the prevailing strong
weather last Saturday afternoon,
the varsity Delta baseball games,
scheduled for that day, took place.
The first game was won by the
Deltas in which the latter showed
themselves to be quite superior
to their opponents.

The twisters for the Delta suc-
suceeded in holding the Betas down
to only three safe hits. Their
great weakness, however, was in
driving too many bases on balls.
The star plays of the game were
made by Emil and Skirvin.

Delta— 'Butts in the out field
in running, which almost
抛弃s them on a standard equal
to that of the varsity. Middleton
at an opportune time batted out a
thee home run.
The final score of the game was
12 to 5 in favor of the Delta.
The score by innings was
Delta— 3 4 9 3 0 0 2 2 0 5 0 1
Betts— 0 0 0 0 2 2 2 1 0 0 0 0

The baseball stock of Phi Kap-
Cope Pat— took a decided three
Saturday when the Phi Delta Tafts'
were down in defeat at the rate of 16 to 1 in the big first
ball game of the season.

Coburn and Molcek compos-
ed the battery for the winners
and their work was of the gilt
kind. The value of Coburn to any
run, to any running. He therefore
voted to a subordinate spirit of the day.

The Iowa Review, the regular
weekly allied to the university,
was the only record
made at the gate.

The Iowa Zeta chapter of Phi
Beta celebrated the thirty-
fifth birthday of the founder
of Phi Beta in a dinner at the
Berkeley Imperial followed by an
informal dance.

The chapter was reinforced by
some of their more recent alumni
by an address delivered by Mrs. Sham-
baugh.
