## HOME MEET SATURDAY

### CLASSES WILL CONTEST FOR TRACK CHAMPIONSHIP

Rivalry Will be Close and Much Enthusiasm Displayed—Need for Practicing up Class Yells—All Spectators will be Seated in the Grandstand

The annual spring field and track meet will be held at the Athletic Park on Saturday afternoon, May 3rd, commencing at 2:00 p. m. This will be the only opportunity offered to see the work of all the candidates who have been training for the different events this spring. The result of this contest will to a large degree determine what men will represent the university in the Minnesota-Iowa meet to be held here Friday, May 9th.

A thorough canvass is being made of the various societies and fraternities of the university, and several of these have voted to offer a medal for first place in some of the events of the home meet.

The meet will be a contest for the Chantland cup, now held by the class of 1901. Every class in the university should have men entered in every event, many of the classes will do this. All the performers with few exceptions being new men, the class that cheers its men most will doubtless win the meet. A great deal of encouragement for the athletes in each class will certainly bring out better results and will bring each class that cheers well much nearer the cup than it would be without encouraging its men.

Yellmasters will be a necessity for every class. Class meetings would do well to select them early so that the class yells can be called out of the lumber room and practiced until they are familiar to every member. University, college and class colors and flags should abound at the meet.

The meet will be run off before the grandstand, in full view of every person seated therein. Room will be provided for everyone, so there will be no need of crowding upon the track. The running events will end in front of the middle of the stand, the field events will be contested immediately in front of the grandstand. The best sight of the events can be obtained from the seats in the grandstand. There will be no occasion for the spectators to leave their seats during the meet in order to get a better view of the events. None but regularly badged officials of the contests and the actual contestants will be allowed on the track or field.

Arrangements will be made to run the meet off promptly and to begin the meet promptly on the advertised time. A nominal admission charge will probably be made at the gate.

Albert Shaw, the editor of the Review of Reviews will be the orator at the spring convocation of the university of Chicago.

## DOE LEADS THE BASE BALL TEAM

### FIRST IN BATTING, FIELDING AND PITCHING

DuBois Stands Second in Batting and Fielding—The Average to Date Shows What the Baseball Men are Doing—Iowa 8, Grinnell 4

Mr. Charles Madison Doe, the freshman dent who is practicing his curves after laboratory hours for the benefit of the Story family, is the player to come out in the lime light by the results of last week's four games added to the games previously played. In the varsity's seven games, Doe leads in batting, fielding, pitching and in fewest battery errors. The other pitchers are doing finely and it is well to remember when reading pitching records that the season is young yet and that the varsity twirlers have not had full opportunities to try their mettle throughout the games.

DuBois stands second in batting and fielding. His stick work for the past week has been great. His superb playing of the most difficult position in the infield gives him the highest percentage of any of the in-men. Captain Story shows up not very well beside him but the Boss Hawkeye has been sick. Van de Steeg is playing a good game at second but has fallen slightly in his batting average. Shearer shows a poor rate for a first baseman. Burns is doing well in the middle garden, having bettered his fielding work and held his batting to its mark of the week before.

If .200 is taken as a good college batting percentage for the opening of the season, but three of the varsity nine can be considered good batsmen on the strength of their records thus far in the season—Doe, DuBois and Van de Steeg. Coad, who started out in the opening game of the season with a home run, did not get a hit all last week and Dye escaped by one hit on Monday from being like unto him.

In the following averages, the records made by Yates, Williams, Teeter and Cadwalader are omitted, they not being eligible for the team.

The batting averages:

	G	AB	R	H	P
Doe	6	15	5	4	.267
Du Bois	7	26	4	6	.231
Van de Steeg	7	24	5	5	.210
Story	5	21	4	4	.190
Shearer	7	27	5	5	.185
Miles	4	6	2	1	.167
Burns	5	21	2	3	.143
Voss	5	11	3	1	.091
Coad	6	24	3	2	.083
Dye	5	17	3	1	.060
Rice	3	11	0	0	.000
Harvey	1	3	0	0	.000
Scarr	1	3	0	0	.000
Putnam	1	2	0	0	.000
Redmond	1	2	1	0	.000
Moss	1	4	0	0	.000

G P A E P

Iowa 8, Grinnell 4

The varsity defeated Grinnell 8 to 4 in a game played on a muddy field at Grinnell Saturday morning. The mud and wind

contributed to swell the error column. Iowa played a brainy game, bunched her hits, ran her bases finely and made her every hit count. Grinnell secured a regulation number of hits every inning but was unable to make them count in the score column. King pitched the game for the Congregationalists, Clark being played on third to save him for the game on Iowa field May 20. DuBois played a magnificent game on third, taking care of the largest number of chances offered any Iowa infielder save first baseman without error. He also came in for two timely hits. Doe, Shearer, Burns and Voss earned their way once each to first.

the score by innings:

	R.	H.	E.
Iowa	2	0	0
Grinnell	2	0	0

Batteries—Iowa, Voss and Rice; Grinnell, King and Marsh.

## FRATERNITY BASEBALL

Delta Taus Beat Betas 22 to 8—Ochiltree Gets Ten Strike-outs in Phi Psi-Phi Delt Game—Final Score 11 to 1.

In spite of the prevailing strong wind last Saturday the Pan-Hellenic baseball games, scheduled for that day, took place. The first game was between the Betas and Deltas in which the latter showed themselves to be quite superior to their opponents.

The twirlers for the Deltas succeeded in holding the Betas down to only three safe hits. Their great weakness, however, was in giving too many bases on balls.

The star plays of the game were made by Elbert and Skinner in the out field. Both succeeded in reaching balls which almost place them on a standard equal to that of the varsity. Middleton at an opportune time batted out a home run.

The final score of the game was 22 to 8 in favor of the Deltas.

The score by innings was as follows:

	R	H	E
Deltas	4	2	4
Betas	2	2	0

### Phi Psi vs. Phi Delt

The baseball stock of Phi Kappa Psi took a decided brace Saturday when the Phi Delta Theta's team went down in defeat at the rate of 11 to 1 in the best frat ball game of the season.

Ochiltree and Mulock composed the battery for the winners and their work was of the gilt edge kind marred by no errors. Ten strike-outs were credited to Ochiltree and only three safe hits were made off him. The game looked like a shut-out for the azure and argent until the last inning, when Brown's base hit saved the day for the Phi Deltas and tallied the only one for their side. Hull for the Phi Deltas pitched a good game but Brannon was unable to stick to the sphere at critical moments.

The score by innings follows:

	R	H	E
Phi Psi	4	1	0
Phi Delt	0	0	0

## FRESHMEN WON MEET

Sophomores Defeated Saturday by the Plucky Work of Freshmen—Story of the Runners who Didn't Fulfill their Contract

The freshmen of the college of liberal arts defeated the sophomores 64 to 58 in the annual spring meet Saturday. The freshmen won their victory by plucky, enthusiastic work throughout. The '05 athletes had trained every day since the beginning of spring work and they went into the meet with a strength and spirit which won for them one of the closest meets in the history of the underclass contests.

Several excellent records were made, notably in the 100-yard dash, the hop step and jump and the discus throw. Many of the sophomores, as well as the freshmen were new to athletic work. Many more events were won by strength and nerve than by skill. The story of the half-mile run was repeated in many events. In this 880-yard run, Blakely, the victor, was new to the race and to any running. He therefore volunteered to take a subordinate place, that of pacemaker, and let the others come in for victory at the finish. The other contestants readily agreed to this and Blakely started out. When he came to the homestretch the other runners were too far behind to fulfill their contracts. Blakely had to cross the tape-line, winner of the race.

The results:

100-yard dash—Scarr, Barker, Jennings—time 10 2-5 seconds.  
 220-yard dash—Scarr, Briggs, Jackson—time 24 1-5 seconds.  
 440-yard dash—Briggs, Wyland, Randall—time 1 minute.  
 1/2-mile—Blakely, McCrory, Savage—time 2 min. 26 4-5 sec.  
 Mile run—McCrory, Phelps, Olinger—time 6 min. 6 4-5 sec.  
 120-yard hurdles—Barker, Jackson, Brown—time 18 4-5 sec.  
 220-yard hurdles—Jackson, Jennings, Brown—time 31 sec.  
 Shot-put—Buckley, Chesley, Seidel—distance 32 feet 6 inches.  
 High jump—Schenck, Barker, Miller—height 5 feet 4 inches.  
 Discus—Donovan, Chesley, Haas—distance 96 feet 6 1/2 in.  
 Hop step and jump—Ross, Chesley, Schenck—distance 43 ft.  
 Half mile relay race—Scarr, Miller, Jennings, Blakely, '05 won; Chesley, McCrory, Willis, Briggs second—time 1 min. 49 1/2 seconds.  
 Broad jump—Chesley and Barker tied for first, Schenck third—distance 20 feet 2 inches.  
 Pole vault—Schenck, Barker, Davis—height 8 feet 8 inches.  
 Hammer throw—Berry, Jackson, Donovan—distance, 78 ft. 7 1/2 inches.

The Iowa Zeta chapter of Pi Beta Phi celebrated the thirty-fifth anniversary of the founding of Pi Beta Phi by a dinner at the Berkley-Imperial followed by an informal dance at the Okapi halls. The chapter was reinforced by some of their more recent alumni and chaperoned by Mrs. Shambaugh.

One new feature developed at Saturday's meet which should receive the severest treatment at hands of the athletic managers. A few persons persisted in jeering at the mistakes of the poorer contestants. This sort of thing has not here-to-fore been tolerated at Iowa, and now is no time for its introduction. The men who daily train hard and faithfully for the university are entitled to much consideration for their efforts and should be at all times safe from jeering remarks. If there are those in the field who are not able to watch a contest without resorting to this sort of abuse, then let the authorities promptly refund their admission fee and escort them outside the gate. Iowa field is no place for any such people.

A precedent of promise and importance was established by our board of regents at their last meeting when they raised the salary of Professor H. S. Richards and retained him here at Iowa. Often before have outside institutions recognized the ability of Iowa's instructors and, by offering them a salary in keeping with their merits, secured their

services at a time when they were just developing into their fullest strength. The men the other institutions want are as a rule just such men as is Professor Richards—young men who have proved their worth, and men whom the university cannot afford to lose for a mere matter of a few hundred dollars. The new policy is a good one and its adoption means very much to Iowa.

On May 1 when Harvey Ingham severs his connection with the board of regents the university will have lost the services of a very efficient servant. Regent Ingham was a man well qualified for the position he held, and one who ever strove to make Iowa's university a credit to the state and such an institution as to inspire the greatest pride in her citizens.

What's the matter with our musical talent? We used to be able to support a band and a good one too.

It begins to look as if the freshmen were too many for the sophomores at most any old game.

### Erodelphian Farces

The freshman girls of the Erodelphian society, assisted by some of their Irving brothers made quite a reputation for themselves in the theatrical world, Saturday evening, April 26. at St Brendan's hall.

The two farces which they presented, "First aid to the Injured" and "Mr. Bob" showed off to the best advantage the dramatic talent which the Freshman Erodelphian possess.

In the first farce Bertha Sunier showed an excellent conception of her part, and John O'Connell swinging his golf club in the latest approved fashion. Carolyn Rall, Rose Wilson, and Sadie Hummer as trained nurses and Ben Wyland in his wonderful make-up added much, with their ready note books and artistic bandages, to the excellent take-off on composure in case of emergency.

In "Mr. Bob" the impersonations were exceedingly well taken. It was one of those complicated farces of mistaken identity, and Merle Call very creditably acted the man, dazed and mystified by strange names and unknown deeds. George Hill and Marie Lynch as Jenkins and Patty kept the audience in roars of laughter and might well be called the stars of the evening. Nellie and Olive Chase, Lin Butler and Claire Shultz showed good conception of their characters, and did much to thicken the plot.

Local hits in both farces were well chosen and effective. The music furnished by the university orchestra was especially fine and much appreciated by the audience.

### The New Post Office

Important as this may be to Iowa City it is not as important as the concert at the opera house tonight. Without Apollo there is nothing but a village. If every seat is taken at the concert tonight, the director will promise next year (D. V.) a musical organization the equal of any in Chicago, Boston or New York. From a mercenary standpoint this means an advance in real estate of at least ten per cent. Ten short weeks ago the Iowa City Maennerchor existed only in the imagination of the director. Tonight he will present to the public seventeen unpretentious young men who do not even claim to be singers, but will make the finest effort ever made in Iowa City. Reserved seats 35 cents.
