THE SEW SECOND VICTORY
IOWA DEFEATED AGAIN BY ILLINOIS COLLEGE

Delts are Delta Tau Delta's Baby Boy, and they are extremely proud of him as he will make his first appearance in the game next Tuesday.

The Delta and Phi Delts played their game yesterday afternoon which resulted in a victory for the Tau Delts by a score of 11 to 2. The score was very close keeping the fans in the game until the fifth inning when the Delts made sufficient scores to practically insure them the game. The features of the game were Hagner's fielding and the work of Col. Grant in the box. Brannam threw well, also giving only two men bases on balls.

The Betas and Sigma Nus are playing their game this afternoon. Saturday morning the Alpha Chis meet the Phi Delts and in the afternoon of the same day the Tau Delts meet Sigma Nu.

The standing of the teams follows:

**Phi Kappa Phi**
- Delta Tau Delta
- Sigma Nu
- Alpha Chi Rho
- Beta Theta Pi
- Delta Theta

**COMPETITIVE DRILL**

Several Honors to be Conferred by the University on Students This Term, According to the Tabulated Results of the Annual Practice Tests, Which Have Just Been Made.

**COMETION Active and Close**

The annual battle competiive drill will take place on the campus tomorrow at 3 p.m. The competition this year will include many more interesting contests each of which adds new interest, and enthusiasm to the work of the drill squad. Under the able and efficient leadership of Col. G. R. Burnett the standing of the varsity battalion has taken a wonderful rise and the interest in this sort of work was never greater.

The competitive drill which has been a feature of the drill this year is between the several companies and only for the honor of winning the flag means this year much more. The captain of the winning company is to be presented with a handsome sword. The best drilled junior, sophomore and freshman are each to be determined and presented medals for their achievements. The best drilled marksmen and battery men will fare likewise.

The drill will be held in the following order:

First will come the individual competition between the members of the three lower classes. Immediately following will be the contest between the companies of the faculty.

As soon as the decisions are made the battalion will be formed, the prizes awarded and presented by President G. R. MacLean.

The cadet officers and first sergeant will give a call to order, upon which the company will execute the program, Friday evening.

A "White Cross" banquet table greeted AlphaEta of Sigma Chi last night after the members of the chapter were initiated into the mysteries of the fraternity in the hands of Rev. Joseph C. Nate of Chicago assisted by Signis from Iowa and neighboring states, many of whom arrived in and left the city last night.

The banquet table was one of the most beautiful and unique ever spread in Iowa City. It was the handiwork of Rev. Joseph C. Nate of Chicago who both made and arranged the decorations, a fact not forger by the guests. A generous bunch of carnations from Pi Beta Phi was one of the happiest features of the evening and from both sororities greetings and congratulations were read and cheered. Stephen H. Rush acted as toastmaster. Among the list of active Sigma Chis here for the occasion were Fred Perine, University of Chicago; Professor W. H., Foster, of the University of Michigan, D. E. Hansen, University of Nebraska, and Her-
