Iowa Getting Ready to Give Michigan Her Best Game—Ames Scored in Iowa's 12, Ames 6

The varsity is now preparing to give Michigan the best it has in the game at Ann Arbor Saturday. The signal practice on Iowa half in which Iowa was kept from work no serious hardship.

Iowa has no chance to defeat the Michigan team next Saturday. The Wolverines are to be the western champions this year again. They have a fair chance of winning every other game on its schedule. Dr. Knipe quarter back on Iowa's left outside, is a capable runner in the third quarter for a touchdown. He was into the finals at the Western Championship tournament. The State meet is to be held with Iowa next Saturday. The gain is $5.00 in cash for the best original, Iowa the visitors. When all had served later in the evening.

The sale of reserved seats for Saturday's game with the State University of Iowa is to be hoped that the change of date in Mrs. Baker's case will work no serious hardship. holiness, the men being ordered to sit on one side the center aisle at chapel and the women on the other.

Registration returns from the University of Illinois show that 2,507 students are registered in the university proper, against 1,763 last year. The gain is 36, a little over 2.5%. There were 550 women in this registration a gain of 457 last year. The men and women teams will meet on November 12, and the fall 1,567. The returns from the Chicago branches will swell this total to over 3,500.

New Historical Work

Dr. Benj. F. Shambaugh has just sent to the printer the "Messages and Proclamations of the Governors of Iowa" a work which will be published in four volumes of about 500 pages. The whole is carefully edited and brief biographical sketches of the governors are inserted by the editor. The State Historical Society of Iowa publishes the work and the Iowa State Press does the printing.

Local

E. L. Coye Ph. '92 of Ames was in town to the game Saturday.

Miss Groenbaun L. '03 is pledged for the Forum.

A dramatic event of local interest is the coming engagement of "Pudd'nhead Wilson".

"The Convict's Daughter"—a play for the masses—appeals so strongly to the hearts of the people that it has become an encored piece of theatre-going public.

Cross Country Cups

The Iowa wishes to compliment those who have brought the cross country runs to their present condition, whether they urged on the movement, entered the competition or merely gave their little donation to the cup fund. The cups are excellent but none too good for those men who are doing all in their power to make up for the lack of a proper gymnasium by beginning early to train for spring athletics. Certainly the results of the cross country runs should be noticeable on the track next spring.

Back up the Team

The varsity leaves for Ann Arbor on Thursday evening. Everyone who can possibly do so should be at the last practice Thursday afternoon to give the boys a good send off. Let the team start for this, the hardest game of the sea-
Cross Country Prizes

The Handsome Prize Cups for the Cross Country Club on Display at the Iowaan Office

The seven silver Cups, prizes for the Cross Country runs, are on display in the window of The Iowan office. There are five old silver tankards for the individual scores, an Inter Class Cup and a loving cup for the Freshman who makes the largest score.

The five individual cups are unique in design, being more on the plan of a stein than the usual prize cup. Their uniqueness only adds to their value and lucky is the man who is speedy enough to win one of them. The inter class prize is a cup on the usual design, graceful and altogether beautiful. The freshman cup is likewise of the loving cup pattern and is deserving of a close fight among the freshmen.

Adrian college fraternity and sorority students are up in arms against a recent action of the faculty, which declares that their organizations shall cease to exist.

If this be the case, the Alpha Tau Omega and Sigma Alpha Epsilon fraternities, and Kappa Kappa Gamma and Delta Delta Delta sororities must give up their charters.
