
Western College Champions—Knox.

High School Champions of Iowa City.

The football season of 1902 has ended and the gridiron parodaphers have been busy for a nine-month’s rest. Track and baseball, with basketball during the winter, will be sufficient to save the attention of the athletes for the remainder of the year and many football men will be found trying for these teams.

Next fall will see quite a shake-up in coaches at the western universities. F. C. Gangwell, Stagg, Yost and Knipe are the only coaches who will be at their posts this fall, and if the universities next fall, Minnesota will probably male her arrangements sooner and on Dr. Williams’ record will probably retain him. King will leave Wisconsin and go to Illinois. The attack on the president because of the failure to punish the sophomores seems entirely uncalled for. Not only has the president persevered where the grand jury and police failed but he is doing all in his power to bring the culprits to justice.

The students of the University of Iowa are not thugs, cut-throats and ruffians as the editor of the Gazette would have the people think. The students are merely the sons and daughters of the people of Iowa.

The Iowa wishes Dr. Knipe a happy voyage on the seas of matrimony and hopes his marriage will not lead him to discontinue his connection with athletics at Iowa.
