WINTER TRAINING BEGINS

SMITH'S ARMORY OPENS TOMORROW

Athletic Work under Direction of Captain Anderson—Open Mondays, Wednesdays and Saturdays

The winter athletic work will begin at Smith's Armory tomorrow afternoon at 3:00 o'clock. The work is under university auspices and is open to all men without charge.

Captain Anderson, assisted by Mr. Bush and Dr. Eastman, will be in charge of the work and will be ready to give advice to all applicants.

The hurdles, pole vault apparatus and indoor shot will not be available for use for a couple of weeks. The men who are to try for these events can put the intervening time in well by attention to sprinting and general working into condition.

CAPTAIN ANDERSON TALKS

"I want to urge every man who can or might do anything in athletics for the university to turn out regularly for the winter work," said Captain Anderson today.

"The students of the university are capable of doing a good deal if they will only make up their minds to do it. I would like to see every student do his part towards making a strong track team. That is one way every man can show his love for his university. I feel sure that we will have a large number of earnest, faithful candidates and that we will have a strong team as a result."

BASEBALL MEETING

The baseball managers of the state college teams are in the city today for the annual gathering for the purpose of making out schedules for next spring.

Among the managers present are: H. J. Clark, Grinnell; Earnest Cotton, Ames, Nat Tunnicliff, Cornell; Hubert Utterback, Drake; Prof. Geo. W. Bryant, Coe; A. G. Reed, Simpson; D. A. Sutherland, Lenox; J. J. Shambaugh, Western; C. W. Hartgrove, Lombard College, Galesburg, Illinois; Manager Lupin, Knox college, Galesburg, Ill.; P. O. Griffith, Upper Iowa; H. E. Olson, Luther; Guy Lawrence, State Normal; Prof. L. DeGraff, Highland Park.

The state baseball league, composed of Grinnell, Cornell, Ames and Iowa met at two o'clock this afternoon. Matters considered at the meeting were the award of the silver bat for last year, the applications for admission of Coe, Simpson, Drake and other colleges, and revision of the constitution.

The tangle over the bat arose from the three-cornered tie between Iowa, Grinnell, and Ames, resulting from Iowa's losing to Ames, May 24. The three-cornered tie having resulted, negotiations were begun to schedule games between the three colleges

to play off the tie. At the time Iowa was within one day of the close of her college year and as a game could not be agreed upon for that day, her players went home. Grinnell played Ames and won and now claims the bat on plea that Iowa forfeited her game with Grinnell. Iowa holds that the tie cannot be taken from her without giving her a chance to win it.

A DRAMATIC TREAT

At the Opera House Next Tuesday and Wednesday

The genius of Shakespeare will have full sway at the opera house next week Tuesday and Wednesday. From the standpoint of the actor no one has ever appeared here who brings such a ripe scholarship and rich experience in handling the masterly productions which are the subject of study in every home. Samuel Arthur King of London, England, holds a master of arts in literature from the university of London than which there is no more substantial evidence of his scholarship from an academic standpoint.

But his powers may be further realized when we learn that for four years he took the various Shakespearean characters in the National Theater of France at Paris.

He came to this country two years ago to give a course of lectures at John Hopkins university. From that time to this he has met with continued success. The most conservative judges, even our college and university presidents have been constrained to break over their natural reserve in speaking of such performances as his and one and all give him unstinted praise.

It cost the University lecture course two hundred and fifty dollars to bring Mr. King here. Every member of the faculty and every student of the colleges of liberal arts and law all the other colleges ought to hear this man.

At the suggestion of Professor Gordon he will give a mixed program the first evening. There will be selections from "Henry VII," "Romeo and Juliet," "Richard III," "The Merchant of Venice" and "Julius Caesar." Among the selections there are three numbers in which all public speakers, orators and debaters, will be especially interested. The speeches of Brutus and Antony and Buckingham's farewell. The second evening will be devoted to Hamlet.

Senior Girls Organize

The senior girls met yesterday afternoon and completed their organization. The following officers were elected; President, Anna Gay, Vice-president, Carolyn Rall; Secretary, Genevieve Murphy and Treasurer, Julia Padmore. The girls have adopted as the name of the society the characteristic title of W.O.N.T.S. The details of the organization, they refuse to divulge.

CORNER STONE LAID

DR. SHRADER CONDUCTS CEREMONY

New Medical Building Under Way—Copies of Current College Publications Placed in Stone

Yesterday afternoon at 4 o'clock occurred the laying of the corner stone of the new medical laboratory building now in the course of erection at the corner of Dubuque and Jefferson streets. The stone a huge granite block was set on the southwest corner of the building, and within it, in a place specially prepared for it was placed a copper box hermetically sealed and containing current numbers of the DAILY IOWAN and other college and local publications.

The impressive ceremony of laying the corner stone was conducted by Dr. Shrader, ex-dean of the medical college, who, after being introduced by President MacLean to the body of students and faculty gathered to witness the ceremony, with words appropriate to the occasion laid the first course of cement for the bed of the stone, and brought to an end the first epoch in the construction of the new building to be used by the medical department of Iowa with which he has been so long and honorably connected.

"I" Pin Has Support

The senior lits met in the hall of liberal arts yesterday afternoon. President G. E. Greene called the meeting to order and asked for the report of the committee on the class pin, Messrs. Kelly, Edmundson and Hill. The committee reported that several excellent cuts of pins of various kinds had been submitted and the committee was considering the several designs.

A lengthy discussion ensued in which the greater number of speakers showed their preference for the "I" style of pin adopted by the joint committee of last year. However, it was the general opinion that the execution of the pin must be greatly improved before the class would accept it.

DEBATE TONIGHT

Prospects for a Sharp, Interesting Contest

The first of the three annual debates which the Philomathean society, for Iowa, has arranged with the university of Illinois will take place tonight at eight o'clock.

The question selected for the discussion relating to the tariff interests of the country is a popular one and full of interest to everyone. The latest and most up-to-date points of this great important question will no doubt come up. Both teams have discussed the question in preliminary try-outs and should certainly be well prepared to give an interesting discussion. Eight o'clock tonight is the time.

Official Bulletin

STUDENTS IN ALL COLLEGES

Students may pay tuition and re-register for the second semester from now until Saturday, February 21, except that from February 6 to February 11, inclusive, the office will be regularly opened for registration purposes for new students only. This is necessary for the reason that semester reports must be collated.

After Saturday, February 21, students not properly registered are not entitled to be in attendance upon classes.

Students who are reported to this office as failed, or, conditioned, or passed at 6 only, or as having unfinished work, for the first semester, will be notified to this effect as soon as the semester reports are collated. Students not receiving such a notice will understand that their work has been satisfactory. Except for purposes of registration no other reports with regard to standings will be given out. Four days after the close of the semester are allowed to instructors in which to make returns to this office. It is expected that within a week or ten days from the close of the semester all students may know definitely whether their work for the first semester has been reported to this office as complete or not.

SENIORS IN ALL COLLEGES

Students who expect to be candidates for baccalaureate degrees in June should see that all back work is either credited or included in their registration for the last semester, and that they are regularly and properly registered for finally completing all requirements of the course in which they expect their degree.

Near the end of the third quarter, April 9, 1903, a report is to be made to each faculty of all students in the several colleges who are in line for graduation. Any student not at present regularly registered as a senior but expecting to take a degree in June must so arrange that at the time of this report he shall be regularly registered as a senior. It is understood that this list when reported will be the official list of candidates and that unless students are reported at this time they cannot expect to come up for a degree at the June commencement.

STUDENTS IN THE COLLEGE OF LIBERAL ARTS

Students in the college of liberal arts who do not wish to pay tuition now and re-register regularly in advance are requested, in order that registration may be facilitated, to file in the office of the registrar during January a program of their studies for the second semester. Cards for this purpose may be obtained at the office. In cases where no change in program is contemplated students are requested to call and leave notice to that effect. On Thursday, Friday and Saturday,

Stood by Their Acts

The spirit manifested by a large number of seniors yesterday to live up to their acts of last year and retain the "I" pin as the permanent senior and alumni pin meets with the approval of every thinking student. Against this pin is urged the single objection that to the minds of some, it isn't pretty. In its favor stands the approval and adoption of the classes of 1902, '03, '04 and '05.

Let it be retained! If its lines are not the most graceful yet they trace the emblem of the institution. From the whole pin, from each corner and surface, shines forth the word "Iowa." Its strength of outline lends it dignity. Beauty and grace will attach to it through the years; the grace which is a loving regard gives; and the beauty which inheres in nobility. Let it be made as graceful as possible and let the workmanship be of the finest but retain the emblem unchanged. Keep the pin! If this carefully conducted attempt to establish a permanent senior pin fails, let no one or committee deceive them-

selves into thinking that they, out of their own wisdom, can propose a pin that will of its own prettiness fill this place.

Smith's armory will be open to athletics for winter training beginning tomorrow at three o'clock. Students are urged to turn out for the beginning of winter athletic work. Make the track team a winner by doing your share.

A careful investigation reveals the fact that a sophomore-freshman poster gotten out by the class of 1901 and two debate handbills were omitted from the list of things placed in the corner stone yesterday.

The Middletonian's held their regular program last evening, the feature was the installation of President Husth elect, who will control the use of the gavel for the next three months.

THE CAPITAL CITY COMMERCIAL COLLEGE

Y. M. C. A. Building, Des Moines, Iowa

IS the largest and most successful commercial school in the west. Nearly one thousand students attend it each year. There are sixteen members in the faculty. The school has a national reputation and is everywhere regarded as a leader among business training schools. It occupies a position among institutions of this character similar to that of Princeton, Harvard and Yale among the leading colleges and universities. It has become famous throughout the western states by reason of the thorough work it is doing in the way of fitting young men and women for active commercial pursuits. Hundreds of our graduates are today occupying responsible positions in the principal cities and towns of the west. Call for our elegant new catalogue. It contains detailed information relative to the work of the various departments. Address, W. H. McCauley, Pres., Des Moines, Ia.

Official Bulletin

Continued from Page 1.

February 12, 13, and 14, preference in registration will be given to those who have previously arranged programs of study.

Changes in divisions will be allowed only when necessary.

Students will please bear in mind that registration is not completed until tuition is paid; and only when this is certified, is registration in a certain division secured. When word is received that enough have regularly registered to make a full division no one will be allowed thereafter to register for that section without written permission from the head of the department.

Students who fail in work of the first semester in which beginning classes are offered for the second semester will be required to re-register for the same work.

A record of attendance is kept from the opening of the semester and though students may not be registered at once they should be regularly in attendance upon classes for which they intend to register.

Programs of second semester recitations may be obtained either at this office or at the dean's.

BERTHA QUAINANCE, Registrar.
