GREAT CHARITY BALL

ATHLETIC HOP TOMORROW NIGHT

Arrangements Unquealed in Splendor—
Classy Music—Gorgeous Decorations—
With Davis Early Gallery Open

Tomorrow night occurs the athletic hop which has become an annual event and planned for is tomorrow. The party will be a fitting culmination of the year's social gaieties, brilliant as they have been. The music will be the best. Myrte's orchestra will bring the largest number of "men and the best in arrangements which has ever been offered at a university party. The music has been selected by the committee with particular care and will consist of the latest and most beautiful of the popular airs.

The committee has given a carte blanche order to Yittem & Co. to put up the most elaborate decorations they can devise.

The programs furnished by Moniton & Conger at cost, are especially elaborated with the Iowa pennant and exhibit the university colors, gold bordered with black of the college of liberal arts. This departure from the ordinary stock covers which have been used on party programs will make them tasty souvenirs of the hop.

The committee desires to call attention to the fact that the hop party will start early. The grand march will be held at nine o'clock and the first dance will be held after nine thirty. Everyone is expected to come on time and be present with the committee on this matter by ordering his carriage for an early departure, as it looks like they will be late after nine thirty. Every one will be in his best coat and in costume.

The patrons who will lend their presence to the occasion are: Misses Geo. E. MacLean, James R. Guthrie, S. W. H. K., Francis J. Cross while Guy P. Linsville, A. A. Brown and W. H. Whiting will lead for the Oakland.

The papers report that Pres. E. H. Deemer will preside over the proceedings. Each side will be represented by four witnesses and the three expert witnesses who will be subsumed from the senior medical class. The organization of the court is: Col. Burnett, chief and I. H. H. M. I. T. Cross while Guy P. Linsville, A. A. Brown and W. H. Whiting will lead for the Oakland.

In all gatherings the people can in this way aid in the raising of the less body of university students, they have more or less rightfullydamages enacted by a thought­ remarkably the best general result for all is reached. Unavoidably tardy as they may be, the members of the sophomore class have done the right thing, when they place before individual interests, the honor of their class and of the university.

Every student will be glad of the opportunity offered him to help his university by subscrib­ ing to the athletic debt.

Athletic debt subscriptions are free will offerings to the university; every student will feel bet­ ter for having done good to his university by his subscription.

An interesting relic has been given to Harvard. It is the bow of a racing shell "Harvard," the first of its kind ever built in America and was used in the races in '18. Among those who composed the crews were President Eliot and A. Agassiz.

"The Power Behind The

Thief's" at the opera house to-

ight. The play abounds with

thrilling situations, powerful

scenes and strong dramatic cli-

maxes, legitimately brought

about, and is mounted with the

most elaborate scenic production

ever given a romantic drama.

Everything necessary to produce

beautiful and historically correct

circles is carried by the com-
paety.

It is not unusual for the songs

of a comic opera to become so

popular that they are heard every-

where, but "The Princess Chic"

is the only one of the modern

musical plays from which the

lyrics are often quoted even with-

out the music. The Manager of

"The Princess Chic" is invariably

asked after each performance by

newspaper men for a copy of the

lyrics. This attests their poetic

value, but as it is so unusual for

papers to wish to print in entirety

the words of songs, Manager

Steele of "The Princess Chic"

has heretofore been unprepared
to supply this demand. Will ap

pear at the opera house next

Monday night.

So far all the entertainments

presented by the Y. M. C. A. have

given splendid satisfaction but

the one to be given Friday even-

ing in the Liberal Arts auditorium

by the De Barrie Gill Company

promises to eclipse them all. If

the number of dates booked is an

index of popularity they are proba-

they have 272 dates for the sea-

son among them.

Those who have reserved seats

for Germaine will occupy the

same ones for this number.
