TWO THOUSAND DOLLARS RAISED FOR ATHLETICS

The athletic deficit must be raised this week. It is absolutely necessary that it be known by the first of next week whether there are to be any spring teams or not.

And, also, the banks say they want their money.

For these reasons, every one turn in and help raise the fund. If it is not raised by next week, the University of Iowa will have the privilege of going without basketball for several years to come. The University of Iowa will have its notes, given for cash advanced to carry the debt, go to protest.

The debt is a personal matter with every student, alumnus and professor. It was contracted for them and by them and for them and by them. The debt and its relation to athletics be conducted which will be made possible by the raising of this indebtedness.

It is time to stop making excuses. Good or bad, the debt is ours. It is directed to students, C. L. Richardson, C. A. Cook, R. H. Finkbine, Geo. Van Benshoof, W. L. Bywater, F. E. Bolton, Tupper, Tupper, Burkheimer, Tupper, H. E. Deemer, Tupper, B. B. Dickey, Tupper, Tupper, Tupper, Tupper, Tupper, Tupper, Tupper, Tupper.

The debt is a personal matter with every student, alumnus and professor. It was contracted for them and by them and for them and by them.

Every solicitor must work hard this week, must feel the work in trust to him as a personal matter.

If any person is not visited by the solicitors, a list is waiting at the Daily Iowan office. It is intended that every one shall be offered personally an opportunity to subscribe but through some mistake, it is possible that some may be missed.

The appeal to the debt be continued, until the following committee meet: with a complete resume of the athletic teams, to maintain a high standard of scholarship, to include the Pole Vault, the 3000 meter run, the vault, the high jump.

The political Science Club met at Prof. Shambaugh's residence last evening and listened to a paper by Judge Emil McClain on John Marshall.

At Stanford, the manager of the annual is placed under heavy bonds, to insure future classes from being in the predication of the present senior class, which has a $2000 deficit on its hands.

The Scarlet and Black of Grinnell has issued a special number with a complete resume of the athletics for the past year and prospects for the future, mainly from the point of view of the managers and treasurer.

The Yale faculty has repealed the 500-dollar requirement for candidates for athletic teams to maintain a high standard of scholarship, which the other students. Heretofore athleti- es were required to attain 250, and for a post. The Yale faculty has always been on point of view.
serving of much praise for its management of the meet and the previous training. This club has done an unlimited amount of good work for athletics during the short period of its existence.

That Debt
Now is the time for everyone to pull together and raise that athletic debt. This week decides whether we are to have spring athletics or not and we must do some hard work on the finish if we want track and baseball teams. The prospects for good teams in both these sports is excellent and it would certainly be a great misfortune not to give the men a chance because of this debt. If we all get busy for the next few days, spring athletics are assured.
