## UNION LIGHTENS DUTIES

### TAKES BURDEN FROM ATHLETIC BOARD PRESIDENT

Chairman of the Board of Athletic Control no Longer Required to be Chairman of the Eligibility Com.

The athletic union adopted an important amendment to the constitution at its meeting last evening.

Several amendments to the constitution came up for discussion. The amendment adopted was:

"To amend sub-section (b) of section 5 of Art. V. of the constitution of the athletic union to read as follows:

"(b) A committee on eligibility to be chosen by the board, the chairman of which shall be a faculty member of the board."

The object of the amendment, as explained at the meeting in various speeches, is to lighten the present onerous duties of the president of the board of athletic control by relieving him of his duties as chairman of the committee on eligibility. The chairman of the board has the duties of the executive committee, of the finance committee, has charge of the books of the union, and numerous other duties which together are so heavy that he cannot properly look after his duties as chairman of the eligibility committee. Instances in the past were cited and the action taken in relieving the president of the board of athletic control of duties as chairman of the eligibility committee was unanimous.

The board will now elect a committee on eligibility, choosing it doubtless as in the past, of faculty members, but the president of the board is no more made a necessary part of the committee.

R. J. Bannister of the athletic ball committee reported sundry expenditures, such as 75 cents for advertising, 8 cents for nails, 45 cents for a dish pan (which was later stolen from the hall), and other expenses amounting in all to \$158.90 and receipts of \$319.98, having a balance of \$161.08. The committee has assets which will add \$11 to that sum.

The amendment to the constitution making the captain of the basketball team a member of the board of control was postponed because of the desirability of adding the tennis captain, when the team elects such a personage, also a member of the board. This would make the board without a faculty majority as required by the conference rules.

The athletic union did not have the power, because of no amendments proposed to a sub-section dealing with the number of faculty members. It is doubted if the increase of three members to the board would be desirable, as the board is almost too large already. At the same time, the justice and recognition to which the basketball and tennis teams are entitled was recognized as requiring such admission of their captains to the board.

## TWO THOUSAND DOLLARS

### RAISED FOR ATHLETICS

#### SIGMA NU FRATERNITY GIVES \$310

Members of Sigma Nu Fraternity Subscribe \$310 Making Total Amount Raised \$2006—Rest Must be Raised this Week—List of Subscribers to the Deficit and Amounts Given

The athletic deficit must be raised this week.

It is absolutely necessary that it be known by the first of next week whether there are to be any spring teams or not.

Also, the banks say they want their money.

For these reasons, every one turn in and help raise the fund. If it is not raised by next week, the University of Iowa will have the privilege of going without spring athletics, the University of Iowa will have its notes, given for cash advanced to carry the debt, go to protest.

The debt is a personal matter with every student, alumnus and professor. It was contracted for them and by them and for them will the future athletics be conducted which will be made possible only by the raising of this indebtedness.

It is time to stop making excuses. Good or bad, the debt is on our hands. It is our debt, it is our university, and we must make the best of it—raise the debt.

Every solicitor must work hard this week, must feel the work intrusted to him as a personal matter. If any person is not visited by the solicitors, a list is waiting at the DAILY IOWAN office. It is intended that every one shall be offered personally an opportunity to subscribe but through some mistake, it is possible that some may be missed.

The appeal that the debt be raised at once will meet with response by everyone, it is believed. It is directed to students, alumni and professors who love the university, who have the college spirit, not the correspondence school spirit. The debt is not an awful one if everyone does his part. It is asked that every one see this week that he does his part.

Following is the list of subscriptions to the athletic debt, so far as the Iowan is able to obtain them at present. All subscriptions of \$2 or more will be published in the Iowan. If there are any subscriptions which have been omitted, the Iowan would be glad to hear of them.

The total of the subscriptions which was reported yesterday amounts to \$1639.75.

The largest sum yet subscribed was given by the Sigma Nu fraternity who yesterday pledged themselves for \$310. The offer of \$300 by the active fraternity was made some time ago upon the condition that the other seven general fraternities make up the amount to \$1,000. This offer not having been acted upon favorably

by the other fraternities, the Sigma Nu fraternity finally decided to make their conditional offer an unconditional one.

The subscriptions:

## INDOOR MEET HELD

Promising Number of Contestants—Poor Records Made—Weinrich in the Pole Vault the best Event

The indoor meet was held at Smith's armory Saturday evening. A large number of contestants appeared for the events. The records were poor, owing to the frequent turns in the runs and the short runs allowed by the hall for the jumps.

The chief impression produced on spectators was the need of a gymnasium.

Weinrich's performance of 9 feet 8 inches in the pole vault was the best of the evening.

The records:  
Twenty-five yard Dash—Scarr, White, Young. Time, 2 4-5 seconds.

Running High Jump—Barker, Schenck, Parsons. Height, 5 feet 4 inches.

Mile Run—Hands, Williamson, Shaw. Time, 5 minutes, 37 seconds.

Six Hundred Yard Run—Ingersoll, DeBusk, Maudlin. Time, 1 minute, 38 1-5 seconds.

Sixteen Pound Shot Put—Durkee, Coulthard, Wessel.—Distance, 34 feet, 8 inches.

Pole Vault—Weinrich, Crossan, Schenck. Height, 9 feet, 8 inches.

One Thousand Yard Run—Phelps, Drake. Time, 2 minutes, 57 seconds.

Relay Race—Freshman tied Sophomores. Freshman—Kelty, Tupper, Burkheimer, Perrine, French. Sophomores—Goodwin, Blakely, Drake, Young, Miller, Barker, Gordon. Time, 3 minutes, 55 seconds.

Relay Race—Liberal Arts' team defeated professional colleges' team. Time, 3 minutes, 47 3-10 seconds. Liberal Arts Men—Briggs, Anderson, Crossen, Young, Dye, Sheuck, Savage. Professionals—Rivers, Riemcke, Jeffers, Hobbie, Seiberts, Coulthard.

The Political Science Club met at Prof. Shambaugh's residence last evening and listened to a paper by Judge Emlin McClain on John Marshall.

At Stanford, the manager of the annual is placed under heavy bonds, to insure future classes from being in the predicament of the present senior class, which has a \$200 deficit on its hands.

The Scarlet and Black of Grinnell has issued a special number with a complete resume of the athletics for the past year and prospects for the future, mainly from the point of view of the managers and treasurer.

The Yale faculty has repealed the rule requiring candidates for athletic teams to maintain a higher standard of scholarship than other students. Heretofore athletes were required to attain 225 points out of a possible 400, while other students were passed on 200 points.

March 25—Lecture by Prof. Paul Shorey, Auditorium, 8 p. m.  
March 30—Lecture, G. A. Grearhart.

Indoor Meet

The first annual Indoor Athletic Meet was certainly a success. The large number of contestants, the hard fought contests, and the good records, considering the conditions, are all replete with good promises. We should have a good track team this spring.

Yet the most noticeable feature of the meet was the handicap condition of the men. The floor only long enough to hold a 20 yd. straightaway, the large number of laps around the diminutive track necessary for the long runs, the short run permitted for the jumps, all show more than anything else the need of a suitable gymnasium. The indoor meet has proven its worth and value, under the most adverse conditions, and a gymnasium only is needed to bring out the best that is in the men.

The thanks of the university are due to Mr. Harry Smith for his kindness in offering the use of the armory during winter training at a very much reduced price.

The cross country club is de-

servicing of much praise for its management of the meet and the previous training. This club has done an unlimited amount of good work for athletics during the short period of its existence.

That Debt

Now is the time for everyone to pull together and raise that athletic debt. This week decides whether we are to have spring athletics or not and we must do some hard work on the finish if we want track and baseball teams.

The prospects for good teams in both these sports is excellent and it would certainly be a great misfortune not to give the men a chance because of this debt. If we all get busy for the next few days, spring athletics are assured.

Former Regent Albert W. Swalm, formerly of Oskaloosa, but for ten years in charge of United States affairs at Montevideo, Uruguay, has been appointed consul at Southampton, England. The nomination has been duly confirmed by the senate. The new position carries about the same salary as his present one, but is regarded as much more desirable in every way. He will return to the United States as soon as he can get affairs in shape and return to Iowa, going to England next fall. Mrs. Swalm is at present in Washington, but will return to Iowa, probably Saturday.

Professor Paul Shorey of the University of Chicago will lecture in the auditorium Wednesday evening at 8 o'clock. His subject will be, "Realism and Idealism in Greek Literature and Art." The lecture is given under the auspices of the Iowa Society of the Archaeological Institute.

**Two Books--  
Two Cents**

THE Burlington Route has just issued two publications of great interest to homeseekers. "Nebraska" is the title of a 48-page book descriptive of the agricultural resources of the state, profusely illustrated with farm scenes and supplemented with an accurate sectional map. "Big Horn Basin" is an illustrated folder telling all about the rich but undeveloped portion of Northwestern Wyoming. The Big Horn Basin contains wonderful openings for small ranches along good streams, with a million acres of government land open for settlement under the United States land laws. Both publications will be sent to any address on receipt of two cents in stamps. Address J. FRANCIS, General Passenger Agent, Burlington Route, Omaha.
