DEBT SUBSCRIPTION

The athletic debt subscription committee stated that the amount subscribed is non-approximately four thousand seven hundred and fifty dollars. The committee are hard at work on the final two hundred and fifty dollars of the five thousand and hope to make it up. It is necessary that this be done in order that the Athletic Union may receive the five hundred dollars appropriated by the regents and also in order to bind many of the subscriptions which were made conditionally on the whole debt being subscribed.

As soon as it can be made out, the committee will publish a full statement of donors to the debt.

The subscriptions of those whose names have not been published will appear under "miscellaneous."

ELECT SUCCESSORS

HONOR ROLL OF TYPICAL VARIOUS MEN

Men of Action Who Will Perpetuate The Organization Known Yesterday

Yesterday afternoon the Scimitar and Fax chose the ten Effendi, who will perpetuate the organization next year. The men were elected on the system of being representative varietv men. It is an honor system in which grades count for nothing. They are chosen by these regents: no society, fraternity, or any association. Each and every student, athlete, literary, men, are all represented. Then there is a man capable of organizing and pushing to success whatever enterprise he backs. The "book worn" and "dig-alone" are barred. In short to be elected to this ten constitutes the highest honor one can receive in his university career.

Good Work Well Done

The success of the sale of baseball season tickets as indicated by the reports made at the meeting last night is practically assured. There is little doubt that the whole four hundred will be taken up today and tomorrow. The successful result of this sale is entirely due to the enthusiasm and energy of the solicitors who in point of time have far excelled the work of last year in selling the required number of tickets. A great work has been done by these men in bringing about this consummation and they can feel repaid by the consciousness of a work for the varisty well done.

The announcement of the oratorio society of their May festival contains good news indeed for all lovers of music.
