TEAM LOSES YESTERDAY

LUTHERANS WIN IN FIRST INNING

Cretzmeyer Hit Hard at the Start—Saturday's Game a Good One—Des Moines today

The team representing Luther college batted in six runs in the first half of the first inning and won the game from the varisty. 

Tallies and Vos were in at the beginning, and the home plate batsmen were toiled and pained as they watched the runners rattle around the bases. The runners were able to find them The home of Mrs. George E. Toner was well attended, and the varisty was well supported by the crowd.

High school Comedians present"A Country Kid" to a good audience Saturday night

The play was well put on, Chester Keppler and Neuman Becker, A Country Kid carried off the honors and demonstrated that he is possessed of a mean degree of dramatic ability. Albert Dunkel took the part of Bill Taylor in a perfect manner, his solos on the ping pong violin, a new musical instrument never before seen in Iowa City, calling forth round after round of applause. The villain, Frank Blandon, was impersonated by Graham Bradley in an admirable way. Lizzie, who took the leading lady's part made an imitable "Chick. The specialization and interpretation throughout the play were enthusiastically received by the audience.

Manager Albert Dunkel stated that the total receipts at the door were nineteen dollars, and that he will realize a net profit on the entertainment of about forty dollars which will be turned over to the Athletic Union.

Two base hits, two runs scored, no sacrifice, no hits in the seventh. The team went to Des Moines last night and will play a team from that city today. T. E. M. ended the score Luther 9, Iowa 1.

Rock Island 4, Iowa 2

In the best game of the series Rock Island defeated the Varsity Saturday by a score of 4 to 2. Tallies and Vos were in at the beginning, and the home plate batsmen were toiled and pained as they watched the runners rattle around the bases. The runners were able to find them for 10 base hits.

One of the features of the game which was fast and snappy throughout was "Farmer" Burns spectacular base running at the plate field. After making along, hard run for a high drive, just as it fell into his mit he tripped and fell, but after a double summersault the ball was far enough grasp it in his hands. Van de Stoe who has not been in shape all week showed much of his last year's form in his work at second base.

The score as follows:

Rock Island, 1 1 0 0 1 0 0 0 — Iowa, 2 .... 0 0 1 0 0 0

Two base hits, Storey, Hampson. First base on balls—Of Iowa, 4; off Burns, 1; off Schenkel, 1; off Neuman Becker, 1; off White, 2; off Schenkel, 1; off Green, 1. Struck out, by Miles, 1; by Vos, 4; by Schenkel, 2. Base hits by Iowa, 10; by Rock Island, 9. Errors, Iowa, 3; Rock Island, 2.

New Officers for Edda

The following officers for next year were installed at the Edda meeting last Saturday evening. President, H. A. B., sec­retary, Valborg Eday; treasurer, Prof. G. F. Plom.

MAKE DRAMATIC HIT

High School Comedians Win Praise Realizes Promise for Athletics

High school comedians present "A Country Kid" to a good audience Saturday night. The play was well put on, Chester Keppker and Neuman Becker, A Country Kid carried off the honors and demonstrated that he is possessed of a mean degree of dramatic ability. Albert Dunkel took the part of Bill Taylor in a perfect manner, his solos on the ping pong violin, a new musical instrument never before seen in Iowa City, calling forth round after round of applause. The villain, Frank Blandon, was impersonated by Graham Bradley in an admirable way. Lizzie, who took the leading lady's part made an imitable "Chick. The specialization and interpretation throughout the play were enthusiastically received by the audience.

Manager Albert Dunkel stated that the total receipts at the door were nineteen dollars, and that he will realize a net profit on the entertainment of about forty dollars which will be turned over to the Athletic Union.

Two base hits, two runs scored, no sacrifice, no hits in the seventh. The team went to Des Moines last night and will play a team from that city today. T. E. M. ended the score Luther 9, Iowa 1.

MAKE GOOD SHOWING

Ames Athletics Make Good Records at the Home Meet

At the Iowa State College track meet held at Ames the last Friday the track team of that institution showed up strong. The hundred yard dash was run in good time, the mile run likewise was a good performance and the hammer throw of 14 feet bids fair to take first place at state meet. As a whole the showing made by Ames was more than satisfactory with that of Drake made Saturday except in the pole vault in which Thurman Chapman was able to clear the bar at 12 feet.

The Ames summaries are:

100 yard dash—Busby. Time 10.2 sec.

1 mile run—S. Low. Time 4 min. 31.5 sec.

Hammer throw—Jorgensen. Distance 14 feet.

400 yard run—Van Dam. Time 50 sec.

High jump—Mason. Height 5 feet.

800 yard race—Coates. Time 2 min. 20 sec.

Discuss throw—Warnock. Distance 101 ft.

220 yard hurdle—Kempf. First—22.7 sec.

Two mile run—Coates first—time 1 min. 34.2 sec. second—time 1 min. 35.7 sec.

5 mile relay won by 106 team—time 1 min. 38.7 sec.

Western Men Win

At the Inter-Collegiate relay races Saturday on Franklin field, Michigan's relay team won the four-mile race in a time of 8 minutes 19.35 sec. Hahn of Michigan ran what seemed to many a dead heat in the hundred yard dash and was given second place. Morgan Park High School took the high school championship. Kellogg of Michigan who beat out Franchet of Yale in the last mile of the race won the contest in the last three hundred yards when he ran away from the heretofore invincible elder and finished five yards a head of the rest.

No Bids to Students

Colonel George R. Burnett states that no official invitations to the military bands were issued to students. It was the idea of the committee that the university function like this all students should consider themselves invited lipo facto. Nothing felt slighted at not receiving an engraved "bid" to this party for there were none issued except to those outside of the university who were asked.

MR. HOKACK'S LECTURE

Publicity as a Phase of the Control of Industrial Corporations

Dr. Horack delivered a lecture last evening in room 213 half of liberal arts under the auspices of the School of Political and Social Science with the title, "Publicity as a Phase of the Control of Industrial Corporations". Dr. Horack gave some of the conclusions he had reached in his study of the Organization and Control of Industrial Corporations—a subject which he has worked out as his doctor's thesis at the university of Pennsylvania, and which will soon appear in print as one of the publications of the "Equity Series," published at the university.

Dr. Horack pointed out the utter lack of uniformity in the laws of the several states in their requirements for the organization and control of industrial corporations as well as the fact that the courts in the adjudication of similar cases have arrived at opposite conclusions as to view as to the requirements for franchise, the courts' right to inspect the corporate books. In conclusion he said that the problem of corporate management is national in extent and shall be solved by state legislation. Congress must have power to create and dissolve corporations carrying on interstate trade, commerce or business in order to enforce its "public interest requirements for publicity efficiency.

TRACK MEN LEAVE

Four Members of Track Team Ordered to Return to Iowa City Next Saturday

Company I, the Iowa City company of the twenty-fourth regiment, of Iowa volunteers left at 5:37 this afternoon for the purpose of taking part in the grand review on the occasion of the dedication of the exercises of the Louisiana Purchase Exposition on May 1. A total of fourteen of the members of the company are en­rolled in the university and four other students have left to accom­pany their home companies of which they are members. Among those going are Captain Anderson, Sidney Hands, Ralph C. William­son, and P. R. Prerrie of the track team. The Company expects to return to Iowa City next Saturday.

Three of the other companies in the university who are going are: W. Duncan and R. E. Mason of the track team, Capt. of Co. D of Washington and P. R. Perrrie of Co. B of Burlington.

C. E. Loutaunus has returned from his home in Des Moines where he has undergone a siege of sickness.
In Saturday's game the ball team, together for the first time, gave some idea of what can be expected of them this spring.

If it rains as much this summer as it did last year a proposition will be made to the next legislature to build a state park.

Spring football practice is being carried on three evenings out of each week at Iowa State College.

David Earl Mitchell, the new president of Cumberland University, is only twenty-six years of age, and was elected to the presidency of his Alma Mater on the day of his graduation.

The Missouri State University is taking its school of agriculture to those who are able to attend the school. A modern passenger coach has been fitted up with charts and books, and teachers and lecturers are giving instruction at the homes of the farmers. The plan is said to be successful.

The will of Professor Sylvester Waterhouse, a prominent educator of St. Louis, Missouri, who died February 24, 1900, has been made public. He left $45,000, divided as follows: Washington University $24,000, Missouri Historical Society $1,000, Phillips Exeter Academy $5,000, Harvard University $5,000, Dartmouth College $5,000. The gift of $15,000 to Washington University cannot, according to the conditions of the will, be touched until the year 2015, when it is hoped the fund will have increased to $50,000. Nominally this interest will be made to the next legislature to be carried on three evenings out of each week at Iowa State College.

May 2—W. C. A. May Morning Breakfast Presbyterian church.

A United Alumni

If the alumni will only get together and realize their strength. Individually the graduates and ex-students of the university are numerous, and loyal. They are ready, individually to help their alma mater in any way they can. They are influential also in the communities where they reside and are in many cases the leaders in political, educational and religious circles. They are doing what they can for the university, too; but their action, without organization or any co-coordinating force is sporadic, its effect lost before that of another is felt. It is like force expended in running an incessant trip-hammer, while if used as power for a stamp mill would crush all before it.

If some way could be found of directing this loyal, powerful body of graduates and of uniting their efforts in behalf of the university, they would furnish the greatest power that any institution can have of back of it, a united body of thinking loyal enthusiasm.

THE Burlington Route has just

issued two publications of

great interest to homeseekers.

"Nebraska" is the title of a 40-

page book descriptive of the agri-
cultural resources of the state,

profusely illustrated with farm

scenes and supplemented with an

accurate sectional map.

"Big Horn Basin" is an illus-

trated folder telling all about the

rich but undeveloped portion of

Northwestern Wyoming. The

Big Horn Basin contains won-

derful openings for small ranches

along good streams, with a mil-

lion acres of government land

open for settlement under the

United States land laws.

Each publication will be sent

to any address on receipt of two

cents in stamps.
