HAYWEES TAKE GAME WITH BIG SCORE

NORMAL 12 IOWA 21

Muddy Field Causes Many Errors—Miles Dons Shaggy Hair in the Box. For Iowa

It rained hard Tuesday night at Cedar Falls and the field was deep with mud for Johnnie Von ball tossers yesterday. Nevertheless, they went in to win and at the end nine innings had succeeded in sending twenty-one men over the plate while Normal scored thirteen.

"Mallie" Miles was in the box for Iowa and despite support which could not be good on the ground, he was at bat well and in the first slipper ball, he threw a good, steady game. The fact that the Teachers were unable to score more than they did is largely due to Miles superior work under heavy odds.

The score indicated that the game must have been a carnival of errors with no small amount of slugging up and down the line. Along normal was three tallies ahead of Iowa at the end of the fifth inning but the next inning brought a total of six runs to the Hawkeyes, the following one throw where they made 1 and eight Iowa circled the diamond in the eighth. The one member of the team who did not score in this inning must have slipped and fallen to the ground.

The score:

Iowa ................ 3 1 0 0 0 0 0 0 0
Normal ................ 0 0 0 0 2 0 0 0 0

Scimitar and Fax at Home to W.O.N.T.S.

The royal Turks, better known as Scimitar and Fax, were at home to W.O.N.T.S. yesterday afternoon in the K.P. Halls. The dancing ball was the most popular of colors with the girls society red and yellow, red also being the color of the boy's. The music was furnished by the Berryhill orchestra. Besides dancing, games were also provided and refreshments were served in the halls. Souvenir programs of the occasion were given out at luncheon. These were of yellow paper printed in red. On the front page were the symbols of the order and their song, "Alem menshe na Sinja barya". The general mood of this by the boys was greeted with feminine applause.

Hesperian Alumnae Banquet

Last evening at the Burke Imperial a banquet was given by the representatives of Irving and Zetaogathian Literacy societies to meet the annual banquet of Iowa's Hesperian alumnae. The question to be discussed was the preparation of the report for the present membership of Hesperia to the resident alumnae. At about eighty guests assembled and before dinner was announced they all indulged in an old-fashioned walk around, a prominent feature of the social events of bygone days. After six course dinner Miss Kathryn Murphy, president of the society, called for toasts as follows:

Mrs. Lodge "The Launching of the Ship."
Agnes Salley "Old South Halls"
Etta Williams "The difficult night is past, we keep the bridge no more but cross it."
Mrs. Seashore "The Zetz"
Cornelia Herman "Les amis, mein Herz, und suche Frieden, a dinner lieben Sommerzeit." The table was beautifully decorated with myrtle while the society emblem, the narcissus was the diners favor.

After the toast program the present Hesperian alumnae gave their veil in honor of the alumnae who responded with the Hesperian veil of former days.

The Phi Delta Theta fraternity gave an informal dance last evening at the Oakhi halls.

There is reason to believe that the faculty will in the future, more narrowly restrict the allowance of extra hours, especially in view of the opportunities offered by the summer session.
